Chairperson's Message

June 3, 2014

Honourable Kevin O'Brien
Minister of Advanced Education and Skills
West Block, Confederation Building
P.O. Box 8700
St. John's, NL
A1B 4J6

Dear Minister:

I am pleased to submit the 2013 Annual Activity Report of the Private Training Corporation. This report covers the 2013 calendar year and compares actual results to those anticipated in the third year of the Corporation's 2011-13 Activity Plan.

My signature below is on behalf of the Corporation and indicative of its accountability for the actual results reported herein.

Respectfully submitted,

A handwritten signature in cursive script, appearing to read "Beverly Moore".

BEVERLY MOORE
Board Chair

Overview

The Private Training Corporation was created to ensure that the students attending private training institutions are protected in the event of a school closure. To achieve this, the Corporation monitors the fiscal health of institutions and manages a Train Out Fund established in legislation. The purpose of the Train Out Fund is to ensure that, in the unfortunate event a private training institution closes, appropriate financial resources are available to enable affected students to complete their course of study.

Mandate

The Private Training Corporation was established in 1999, as per section 5(1) of the *Private Training Institutions Act*, to:

- Administer the Train Out Fund established under the act;
- Make recommendations to the Minister with respect to:
 - the operation of the act and the regulations,
 - the financial stability of a private training institution based upon a review of annual audited financial statements of that institution as required by the Minister,
 - any other issues that the Minister may require to be reviewed; and
- Perform other duties as required by the Minister.

Membership

The Private Training Corporation is established under section 4 of the *Private Training Institutions Act*. Section 4(3) of the *Private Training Institutions Act* provides for its membership to be appointed by the Lieutenant-Governor in Council, with section 3(1) of the *Private Training Institutions Regulations* specifying the composition of the Board of Directors. As of December 31, 2013, the membership was as follows:

- Chair and Community Representative, Ms. Beverly Moore;
- Community Representative, vacant;
- Representative of the Department of Advanced Education and Skills, Mr. Bren Hanlon;
- Representative of the Department of Finance, Ms. Sharlene Jones;
- Representative of the Association of Career Colleges, Mr. Des Whelan;

- Owner or operator of a private training institution, Mr. James Loder; and
- Student of a private training institution, Mr. Stephen Dinn.

Employees and Location

The Private Training Corporation, although empowered by the act to do so, has no employees. Due to the current amount and nature of the work involved, necessary analysis undertaken on the Corporation's behalf, is conducted by either the Division of Institutional Services or the Division of Finance and General Operations within the Department of Advanced Education and Skills. The billing and collection of fees as well as the preparation of correspondence is done on a contractual basis.

The Corporation usually meets at the Confederation Building in St. John's. Correspondence may be forwarded to:

Beverly Moore
Chair, Private Training Corporation
c/o Division of Literacy and Institutional Services
Department of Advanced Education and Skills
P.O. Box 8700
St. John's, NL

Attention: Lynette Hann, Manager of Operations, Private Training

Lines of Business

Lines of business are the services and programs that a government entity provides to any external client. The Private Training Corporation has one line of business - to collect fees from private training institutions throughout the province. The Private Training Corporation collects one per cent of all private training institutions' tuition fees for the Train Out Fund. In the event of an institution's closure, the fund will be used to ensure students, who have a contract with the institution, receive their training.

Revenues and Expenditures (refer to Annex I for details)

The Private Training Corporation collected contributions from the private training institutions and recorded revenue of \$310,471 in 2013. This compares with \$283,261 in 2012. The increase from 2012 appears to be as a result of higher tuition revenue. Expenditures for 2013 were \$11,022 compared with \$7,420 in 2012.

Corporation members are not remunerated. Expenses are paid out of funds obtained by the Corporation from the private training institutions.

There were no claims made on the Train Out Fund during 2013. As of December 31, 2013, the total value of the Train Out fund was \$3,950,911.

Vision

The vision of the Private Training Corporation is of students graduating from financially viable training institutions.

Shared Commitments

The overarching goal of the Private Training Corporation is to protect post-secondary students by ensuring stability in the private training system through legislated control measures. In this respect, the Corporation shares commitments to the province's post-secondary students with the Department of Advanced Education and Skills and the private training institutions.

The Department of Advanced Education and Skills

The Department of Advanced Education and Skills is responsible for all aspects of post-secondary education in Newfoundland and Labrador. The Private Training Corporation is a Category III government entity that reports to the Minister of Advanced Education and Skills. In addition to duties with respect to the administration of the Train Out Fund, the Corporation is responsible to make recommendations to the Minister with respect to the financial stability of private training institutions, and perform other duties as requested by the Minister.

Private Training Institutions

The Private Training Corporation's main function is to collect funds from the private training institutions for the administration of the Train Out Fund. Private training institutions are required to:

- remit one per cent of all student tuition fees collected to the Corporation for the Fund; and
- provide audited financial statements and other requested documentation to the Minister for examination.

As of December 31, 2013, there are 22 registered private training institutions operating in the province. All institutions are required to register and fully comply with the *Private Training Institutions Act*.

Report on Performance

The end of December 2013 marks the end of the three-year Activity Plan (2011-13) for the Private Training Corporation. The Activity Plan identified the effective management of the Train Out fund as the key area of focus for the Corporation and included performance measurement information (i.e., measures and indicators) to assist both the Corporation and the public in monitoring and evaluating progress in meeting this objective.

To that end, the Corporation was successful in meeting its performance objective during all three years of the Activity Plan thus ensuring the efficient collection and confirmation of fees from private training institutions.

Issue: Effective Management of the Train Out Fund

The purpose of the Train Out Fund is to ensure that, in the unfortunate event a private training institution closes, appropriate financial resources are available to enable affected students to complete their course of study.

Objective: By December 31, 2013, the Private Training Corporation will have continued to maintain an appropriate system for the collection and confirmation of fees from private training institutions.

Measure: Maintained an appropriate system for the collection and confirmation of fees.

Indicator: Maintained a timely and accountable system for the collection and confirmation of fees.

Results:

During 2013 and over the past three years, the Private Training Corporation maintained a timely and accountable system for billing and collecting fees from all registered private training institutions across the province:

- All institutions remitted their fees, in accordance with the *Private Training Institutions Act*;
- Fees were deposited to the Private Training Corporation Train Out Fund; and
- The Train Out Fund was audited to ensure the financial statements present fairly, in all material respects, the financial position of the fund.

Financial Statements

The Corporation has prepared financial statements for 2013 which were audited by Noseworthy Chapman and are included in Annex One. In accordance with the objective, and the *Transparency and Accountability Act*, the Auditor's Report dated April 7, 2014, for the fiscal year ended December 31, 2013, demonstrates the Corporation's accountability to the people of the province.

Conclusion

The Corporation is intent on maintaining a financial safety net so that students who have entered a course of study are able to complete their training even in the event of an institution's closure. Through the review of monitoring methods and the ongoing collection of fees, the Corporation endeavors to maintain this financial safety net.

INDEPENDENT AUDITOR'S REPORT

To the Members of Private Training Corporation

We have audited the accompanying financial statements of Private Training Corporation, which comprise the statement of financial position as at December 31, 2013 and the statements of revenues and expenditures, changes in net assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of Private Training Corporation as at December 31, 2013 and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

The financial statements for the year ended December 31, 2012 were audited by another Chartered Accountant and are presented for comparative purposes only.

PRIVATE TRAINING CORPORATION

Notes to Financial Statements

Year Ended December 31, 2013

1. PURPOSE OF THE ORGANIZATION

Private Training Corporation (the "organization") is incorporated without share capital under the Private Training Institutions Act of Newfoundland and Labrador. The purpose of the Organization is to operate a Train Out Fund to provide compensation to students to complete their training where a private training institution fails to fulfill its training to students due to closure and to monitor the financial operations of all private training institutions. Private training institutions make contributions to the Fund based on a percentage of student tuition.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation

The financial statements were prepared in accordance with Canadian accounting standards for not-for-profit organizations (ASNFPO).

Revenue recognition

The organization follows the deferral method of accounting for contributions.

Contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Investment income is recognized on the accrual basis as earned.

Measurement uncertainty

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Such estimates are periodically reviewed and any adjustments necessary are reported in earnings in the period in which they become known. Actual results could differ from these estimates.

Financial instruments policy

Financial instruments are recorded at fair value when acquired or issued. In subsequent periods, financial assets with actively traded markets are reported at fair value, with any unrealized gains and losses reported in income. All other financial instruments are reported at amortized cost, and tested for impairment at each reporting date. Transaction costs on the acquisition, sale, or issue of financial instruments are expensed when incurred.

3. FINANCIAL INSTRUMENTS

The organization is exposed to various risks through its financial instruments and has a comprehensive risk management framework to monitor, evaluate and manage these risks. The following analysis provides information about the organization's risk exposure and concentration as of December 31, 2013.

Interest rate risk

Interest rate risk is the risk that the value of a financial instrument might be adversely affected by a change in the interest rates. In seeking to minimize the risks from interest rate fluctuations, the organization manages exposure through its normal operating and financing activities. The organization is exposed to interest rate risk primarily through its interest bearing investments.

PRIVATE TRAINING CORPORATION

Notes to Financial Statements

Year Ended December 31, 2013

4. INVESTMENTS

Investments consist of guaranteed investment certificates and are measured at fair value based upon the market value at year end. Maturity dates range from February 15, 2014 to June 4, 2015 with interest rates from 1.42% to 1.90%.

5. COMPARATIVE FIGURES

The prior year comparative figures were audited by another firm of public accountants. Some of the comparative figures have been reclassified to conform to the current year's presentation.
