On Monday, March 3rd, the Member for Placentia West – Bellevue asked in Question Period: “How many of this year’s medical graduates have the Liberals secured to provide care to the residents of our district?”

The Minister of Municipal and Provincial Affairs answered “I won’t have this year’s figures because the CaRMS match hasn’t started yet. I certainly don’t immediately have at hand the numbers for last year. I’ve got numbers for just about everything else here.”

Therefore, the Member for Placentia West – Bellevue is asking the Minister of Municipal and Provincial Affairs to provide that information.

7. Member for Terra Nova – To ask the Minister of Tourism, Culture, Arts and Recreation:

On Tuesday, March 4th, the Leader of the Official Opposition asked of the Minister of Transportation and Infrastructure in Question Period: “So I ask the minister: Will he now admit that he bought the land without an independent appraisal done or is the information that he tabled yesterday wrong? Which one is it?”

On the same day, the Leader of the Official Opposition also asked: “Why did the minister use taxpayers' dollars to buy this land without having an independent appraisal done?”

The Minister of Tourism, Culture, Arts and Recreation in responding to the question said: “I will, obviously just being in this role or alternating in this role for a very short period of time, endeavour to get more information on that for the Member Opposite. But the reality is, it's my understanding, that the appraisal was done before there was any land purchased, but I will certainly get that information for the Member Opposite.”

Therefore, the Member for Terra Nova is asking the Minister of Tourism, Culture, Arts and Recreation to provide the information.

8. Member for Ferryland – To ask the Minister of Tourism, Culture, Arts and Recreation:

The Member said: “However, a recent ATIPP request revealed that the Mobile Crisis Response Team in St. John's has 10 missed mobile calls a month, which means 10 people aren't getting the help they need when they need it. This is by the month.”

The Member for Conception Bay South also asked: “Speaker, the question is why are there 10 calls being missed a month. That's the question. Can I have an answer for that, Minister? Why are there 10 calls being missed a month?”

The Minister of Municipal and Provincial Affairs replied saying: The Member opposite raises a very interesting point. I do not have the figures in front of me for that. I will certainly look into it and get back to him with the answer.”

Therefore, the Member for Conception Bay South is asking the Minister of Municipal and Provincial Affairs to provide that information.

predecessor. We don't know if it was the predecessor, the guy that's on holidays, who done it and when was it done?"

The Minister of Municipal and Provincial Affairs said: "As to what the department has done prior to my arrival there, I will look into it and I will let the Member opposite know."
