BACKGROUND

Currently, Members are permitted the use of rental vehicles as an acceptable mode of transportation under the *Members' Resources and Allowances Rules*.

In accordance with the provisions of the *House of Assembly Accountability, Integrity and Administration Act* (HOAAIA), a Members' Compensation Review Committee (MCRC) must be appointed once during each General Assembly to review the salaries, allowances, severance and pensions of MHAs. The 2016 committee made a recommendation with respect to the use of rental vehicles in the district under the I/E constituency allocation and related parking fees, which was accepted by the Management Commission at its March 15, 2017 meeting (CM 2017-028 refers).

DIRECTIVE

Pursuant to paragraph 20(6)(b) of the House of Assembly Accountability, Integrity and Administration Act, the Commission directs that expenses for rental vehicles in the district must be charged to the I/E constituency allocation. If parking fees are incurred in relation to the primary vehicle while using a rental vehicle in the district, the parking fee is not an eligible expense for reimbursement.
