BACKGROUND

Under Sections 31 to 38 of the *Members' Resources and Allowances Rules* (the Rules), Members are permitted <u>one</u> return trip per week between the Capital Region and the District when the House is in Session. However, a Member might wish to return to his or her district during the week while the House is in Session to attend to constituency business in the district. The current Rules did not provide for the reimbursement of travel related expenses for additional trip(s) to the district during the week while the House is in Session. Such a trip could not be charged under the annual allocation of 20 trips permitted when House Not In Session (HNIS).

At its September 22, 2010 meeting the Commission approved an amendment to the Rules to provide that a Member would be entitled to reimbursement of expenses related to a "mid-week" trip(s) to his or her district provided that the trip is required to attend to constituency business. The trip **must** be counted as one of the 20 trips provided for under HNIS.

The rule amendment became effective on October 22, 2010, the date of publication in the NL Gazette.

The *Members' Resources and Allowances Rules* are amended by adding immediately after section 37.1 the following:
