**AFFIDAVIT**

I, Brian Warr, of the Town of Springdale, in the Province of Newfoundland and Labrador, Canada, make oath and say as follows:

1. On October 30, 2018, I was Deputy Speaker of the House of Assembly.
2. On October 29, 2018, Mr. Eddie Joyce, MHA for Humber-Bay of Islands, raised a Point of Privilege in the House of Assembly.
3. On October 30, 2018, Mr. Perry Trimper, Speaker of the House of Assembly, made a ruling that there was no prima facie case on the Point of Privilege.

*Eddie Joyce*

4. In November, Eddie Joyce asked me to join him in a meeting with Speaker Trimper. The three of us met in the Speaker's office.
5. Eddie Joyce showed him the two emails that he wrote saying it was an in-camera session.
6. Eddie Joyce stated, "Perry, you were in the meeting, you heard Bruce Chaulk say I refused to participate". Eddie Joyce then said, "Perry, you told me in front of the Speaker's Chair, that is not what he said this morning, you were definitely willing to meet".
7. Eddie Joyce said, "Perry, you heard Bruce Chaulk say, I forgot those letters, I will correct the record".
8. Eddie Joyce then said, how can you make that ruling and Perry Trimper replied, "Eddie, I know you are right, but he is an Officer of the House of Assembly, it is hard for me to do".
9. Eddie Joyce turned to me and said remember this conversation and see the bullshit I have to put up with. Eddie Joyce then left the room.
