Chairperson's Message

As a member of the Buildings Accessibility Advisory Board, I am pleased to submit the Annual Activity Report for 2017-18. This report is prepared in compliance with the Transparency and Accountability Act which categorizes the board as a Category Three government entity and requires the board to submit an annual report. The board is accountable for the preparation of this report and for the results reported.

On behalf of the members of the Buildings Accessibility Advisory Board, I would like to re-affirm our commitment to working with all stakeholders in order to provide strategic advice to the Minister of Service NL on the application of the Buildings Accessibility Act and its associated regulations.

Yours truly,

Dennis Gill
Board Member

Overview

The Buildings Accessibility Advisory Board is appointed by the Lieutenant-Governor in Council under the authority of section 18 of the **Buildings Accessibility Act** (the “Act”). The board consists of a chairperson, representatives of persons with disabilities, one representative of the department (other than the Director of Engineering and Inspection Services), and those other members that the Lieutenant-Governor in Council may appoint. This public body serves solely in an advisory capacity. Members of the board in 2017-18 were:

- Cecilia Carroll, Chairperson
- Sean Kilpatrick
- Jason Blair
- Sharon Williams
- Dennis Gill
- Sheila Keating
- Reginald Hedges

Mandate

The mandate of the board is to report to, and advise the Minister of Service NL, on the application of the Act and its associated regulations, and on other matters related to the Act and regulations that may be assigned to the board by the Minister.

Primary Clients

Generally speaking, the board’s clients are those who benefit from improvements resulting from the board’s advice. The board’s sole direct client is the Minister of Service NL, to whom the board provides advice. More broadly, however, the board’s clients are the general public, particularly those with disabilities and those representing the interests of persons with disabilities.

Revenues and Expenditures

The Buildings Accessibility Advisory Board has no revenues. The Board is funded through the operating budget of the Government Services Branch of Service NL. The Buildings Accessibility Advisory Board is not required to submit audited financial statements.

Activities

Objective: By March 31, 2018, the Buildings Accessibility Advisory Board will have fulfilled all the requirements under the **Buildings Accessibility Act** by advising on matters pertaining to accessibility in buildings, associated entrances, parking spaces, walkways and other facilities, as per its mandate.

Indicators:

- Meetings held, as required.
- Advice provided to Minister on the application of the Act and the regulations.
- Other activities undertaken, as assigned by the Minister.

Results Achieved:

The board did not meet in 2017-18 as the terms of members expired and a new board is in the process of being appointed. The board will report on the above objective and indicators in 2018-19.
