# CHAIRPERSON'S MESSAGE

---

I am pleased to submit the Central Newfoundland Regional Appeal Board's 2013-14 Annual Activity Report in accordance with the *Transparency and Accountability Act*. The report covers the period from April 1, 2013 – March 31, 2014. The board is a category three government entity within the context of the province's *Transparency and Accountability Act*.

Pursuant to the *Regional Appeal Boards Establishment Order*, the Central Newfoundland Regional Appeal Board has the authority to hear appeals in the central region of the province. The board's mandate, as defined in section 42(1) of the *Urban and Rural Planning Act, 2000*, is to hear appeals brought forward by individuals dissatisfied with a municipality's or another provincial authority's decision regarding land use and development. The board also hears appeals resulting from an order issued under section 404 of the *Municipalities Act, 1999*.

The board's actions contributed to one of government's strategic direction outcomes, 'strengthened local government.' This report documents the board's performance in the final year of our 2011-14 Activity Plan. The board is accountable for the results reported herein.

Respectfully submitted,

Samuel Gibbons, Chair  
Central Newfoundland Regional Appeal Board

Its board members are appointed by the Minister of Municipal and Intergovernmental Affairs. The board hears appeals related to land use and development issues that arise from decisions made by municipalities or a provincial government authority. Issues which may be appealed to the board include:

- a decision made under Development Regulations;

- a decision made under Occupancy and Maintenance Regulations; and
- decisions made under any other Act or Regulations where specifically designated.

Appeals may be made by a person or an association of persons.

The board considers and determines an appeal in accordance with all relevant legislation, including municipal by-laws. Section 42 of the *Urban and Rural Planning Act, 2000* outlines procedures with respect to appeals. The board can confirm, reverse or vary a municipal council's or other authority's decision and may impose conditions. The board may direct the municipal council or the relevant authority to carry out its decision.

## 2.0 MANDATE

---

The Central Newfoundland Regional Appeal Board is mandated by section 42(1) of the *Urban and Rural Planning Act, 2000* to hear appeals related to:

- (a) an application to undertake a development;
- (b) a revocation of an approval or a permit to undertake a development;

The board's geographic area of jurisdiction is prescribed in section 2(b) of the *Regional Appeal Boards Establishment Order*, under the authority of section 40 of the *Urban and Rural Planning Act, 2000*:

The *Regional Appeal Boards Establishment Order* and the *Urban and Rural Planning Act, 2000* may be accessed through the House of Assembly website at [www.assembly.nl.ca/legislation](http://www.assembly.nl.ca/legislation).

## 3.0 PRIMARY CLIENTS

---

The Central Newfoundland Regional Appeal Board's primary clients are the following groups within the central region:

- residents who feel aggrieved by a council's or another authority's decision related to land use or development;
- businesses who feel aggrieved by a council's or another authority's decision related

- to land use or development;
- municipal councils; and
- Provincial Government departments.

## 4.0 VISION

---

The vision of the Central Newfoundland Regional Appeal Board is:

***The public, municipalities and other authorities have access to an effective process to hear appeals of decisions filed with the board.***

## 5.0 MISSION

---

The board has decided not to develop a separate mission statement as it would be repetitive of the board's mandate. Further, by providing an appeal process pursuant to section 42 of the *Urban and Rural Planning Act, 2000*, the board contributes to the department's mission to have "strengthened support to local governments."

## 6.0 ISSUE

---

### **Land Use and Development Appeals**

The Central Newfoundland Regional Appeal Board contributed to government's strategic direction outcome of 'strengthened local government' through the timely adjudication of appeals related to land use and development, and the provision of feedback to municipal councils. The board's adjudication of appeals enabled municipal councils and other government authorities to gain a better understanding of the application of land use and development legislation, and a more complete understanding of the appeal process.

The board has a single focused mandate. Therefore, the board decided not to develop three year goals in its 2011-14 Activity Plan. Instead, it developed a single annual objective with accompanying measures and indicators to be reported on in each of the three years of its Activity Plan. The board

fully met its objective in 2013-14, as detailed below.

**Objective:** By March 31, 2014, the Central Newfoundland Regional Appeal Board will have heard appeals and have rendered decisions in a timely fashion.

**Measure 1:** Heard appeals

Indicators	Progress and Accomplishments
Number of appeals heard	14
Number of appeal hearing days	4

**Measure 2:** Rendered decisions in a timely fashion

Indicators	Progress and Accomplishments
Number of written decisions rendered within 21 days from date of hearing	All of the board's decisions were rendered in writing within 21 days of the date of hearing.

## 7.0 OPPORTUNITIES AND CHALLENGES AHEAD

---

The opportunity for the board is to make a positive contribution to municipal governance through the hearing of appeals and rendering decisions in compliance with relevant legislation.

The challenge is to continue to hear appeals in as timely a manner as possible once they are ready for adjudication by the board.
