Entity Overview

Organizational Structure

Newfoundland Hardwoods Limited (NHL) was established as a Crown corporation in 1950 for the purpose of manufacturing liquid asphalt and the sale of chemically treated poles and timber to supply the needs of provincial customers. In 1995, the Provincial Government privatized NHL with the sale of its asphalt operations to Irving Oil Limited, Newfoundland and Labrador Asphalt Limited, and its pole and timber division to Wood Preservation Industries Limited of Quebec.

A Board of Directors is in place to deal with any outstanding issues that may arise with NHL. All outstanding issues have been addressed except the decommissioning of one storage tank. This work began in 2011, and was advanced by the Board. In its present condition, the tank poses no known environmental threat; however, given its deteriorating condition and contents, monitoring and consideration of remediation has been ongoing under the direction of the Board.

NHL does not have dedicated staff; the Department of Industry, Energy and Technology provides administrative support.

Report on Performance

In consideration of its mandate, the Board's primary activity is an annual meeting to discuss any issues that may require the Board's attention as well as to consider and approve the annual audited financial statements. The Board reports on the objective and indicator below, through its activity reports, for each fiscal year of its 2020-23 activity plan.

2020-21 Objective

By March 31, 2021, the Board will meet to approve annual audited financial statements and discuss outstanding issues.

Indicator:

- Audited financial statements reviewed and approved and any outstanding issues discussed.

Report on Performance:

The board met to review and approve the audited financial statements. It also approved the activity report and discussed the future dissolution of the entity.

Financial Information

INDEPENDENT AUDITOR'S REPORT

To the Directors of Newfoundland Hardwoods Limited:

Opinion

I have audited the accompanying financial statements of NEWFOUNDLAND HARDWOODS LIMITED which comprise the statement of financial position as at March 31, 2021 and the statement of operations and accumulated surplus and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In my opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the NEWFOUNDLAND HARDWOODS LIMITED as at March 31, 2021, and the results of its operations and its cash flows for the year then ended in accordance with Canadian Public Sector Accounting Standards.

Basis for Opinion

I conducted my audit in accordance with Canadian generally accepted auditing standards. My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of my report. I am independent of NEWFOUNDLAND HARDWOODS LIMITED in accordance with the ethical requirements that are relevant to my audit of the financial statements in Canada, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian Public Sector Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatements, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing NEWFOUNDLAND HARDWOODS LIMITED ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing NEWFOUNDLAND HARDWOODS LIMITED financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatements, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of my audit in accordance with Canadian generally accepted auditing standards, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

ACTIVITY REPORT 2020-21

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of NEWFOUNDLAND HARDWOODS LIMITED internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on NEWFOUNDLAND HARDWOODS LIMITED ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause NEWFOUNDLAND HARDWOODS LIMITED to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.
