

Allocation of Time in Question Period 49th General Assembly

The allocation of time in Question Period (30 minutes each sitting day) is the prerogative of the Speaker. The following outlines the current allocation of time for the 49th General Assembly:

- **Monday, Tuesday and Thursday:**
 - 25 minutes to the Official Opposition; and
 - 5 minutes to the Third Party.

- **Wednesday (Private Members' Day):**
 - 23.5 minutes to the Official Opposition;
 - 3.5 minutes to the Third Party; and
 - 1.5 minutes to each of the unaffiliated Members.

The allocation of time to unaffiliated Members provides a predictable schedule for them to ask questions of Government.
