"WHEREAS the marine resources on the Grand Banks of this province are a crucial element of the global ecosystem;

AND WHEREAS these resources have the potential to provide tremendous economic benefits on a sustainable basis;

Monday, April 10th, 2006

AND WHEREAS the protection and conservation measures provided by the international community and organizations such as NAFO are not sufficient to protect marine resources on the Nose and Tail of the Grand Banks off the coast of this Province;

AND WHEREAS the longer this ecosystem remains unprotected, increased and possibly irreparable damage continues to occur;

THEREFORE BE IT RESOLVED that this House of Assembly calls upon the Government of Canada to take custodial management of the continental shelf off the coast of Newfoundland and Labrador;

AND BE IT FURTHER RESOLVED that this House of Assembly renews its call for the Government of Canada to put in place the necessary provisions and resources to enforce conservation measures for the marine resources in this area;

AND BE IT FURTHER RESOLVED that Newfoundland and Labrador be an integral partner in any management structure and conservation measures deemed necessary to protect marine resources adjacent to our shores.”
