### BACKGROUND

The Advertising Policy for Members of the House of Assembly was originally approved by the Management Commission in May, 2009 (CM 2009-030 refers); and amended in March, 2011 (CM 2011-011 refers).

The 2016 Members' Compensation Review Committee (MCRC) made several recommendations with respect to advertising and Member-created householders/publications. These recommendations were accepted by the Management Commission at its meetings on November 30 and December 7, 2016. The draft amendments to the Advertising Policy for Members of the House of Assembly resulting from acceptance of these recommendations were considered by the Management Commission at its March 15, 2017 meeting. The Commission directed that an Ad Hoc Committee be formed with representation from each of the three caucuses to review the draft policy and provide recommendations to the Commission.

The Ad Hoc Committee's recommendations and a revised draft Advertising and Publications Policy for Members of the House of Assembly were considered and approved by the Management Commission at its November 8, 2017 meeting (CM2017-066 refers). The approved revised policy is attached.
