BACKGROUND

The I&E constituency allowance allocation is provided pursuant to Section 38 of the *Members' Resources and Allowances Rules* (the Rules). It is the only allowance allocation provided for under the Rules that specifies funding on a district basis, the amounts of which are outlined in Schedule A.

At its meeting on February 22, 2023, further to recommendations of the 2016 Members' Compensation Review Committee, the Commission approved a new funding formula to provide a framework for calculating I&E constituency allocation amounts for each district; approved revised I&E constituency allocation amounts for each district pursuant to the new funding formula; and directed that the process to amend Schedule A of the Rules proceed to reflect the revised I&E constituency allocation amounts as calculated using the funding formula.

In accordance with subsection 15(5) of the *House of Assembly Accountability, Integrity and Administration Act*, the following process must be followed when the Commission proposes to amend, or add to, the level of Members' allowances:

- a. The draft amendment must be tabled at a meeting of the Commission (tabled at the February 22, 2023 meeting);
- b. If the House is not in Session, notice of the draft amendment must be distributed to each Member and posted on the House of Assembly website (distributed and posted on March 6, 2023); and

- c. The draft amendment must be voted on at a subsequent meeting of the Commission (voted on at the June 7, 2023 meeting).

Pursuant to subsection 15(5) of the *House of Assembly Accountability, Integrity and Administration Act*, the Commission approved the following amendment to Schedule A of the *Members' Resources and Allowances Rules*:

1. The *Members' Resources and Allowances Rules* are amended by repealing Schedule A and by substituting the following:
