

Annual Report on Election Finances January 1, 2012 to December 31, 2012

Office of the Chief Electoral Officer

Introduction

This report summarizes the financial activities of the Liberal Party, the New Democratic Party and the Progressive Conservative Party for the period January 1, 2012 to December 31, 2012.

The original of this report has been forwarded to the Queen's Printer for reproduction purposes and availability to the public. A copy has been supplied to the Legislative Librarian for further reference by Members of the House of Assembly and summary information is also available for viewing on the Elections Newfoundland and Labrador webpage at www.elections.gov.nl.ca.

History of Election Finance Legislation

The *Elections Act, 1991* ("Act"), which was passed by the House of Assembly in June 1992, provided for the comprehensive regulation of financing by political parties, district associations and non-affiliated candidates in elections. Part III of the Act dealing with election finances was proclaimed into force on October 1, 1993, but pertained only to registered political parties and registered candidates in elections.

Initially, it was intended that experience with election finance regulation of political parties would be evaluated before proclaiming Part III to pertain to district associations. This partial proclamation necessitated an amendment to Part III in December 1993 in the form of a transitional provision that treated all candidates in an election as if they were non-affiliated candidates.

On January 26, 1996, the Government of Newfoundland and Labrador issued a policy statement, with the agreement of all political parties, which placed further restrictions on district association activities during the 1996 General Election campaign period.

Significant amendments to the Act received Royal Assent on June 5, 1998, to take effect on September 3, 1998. The most significant of the new amendments from an election finance perspective was the removal of annual contribution limits for individuals and corporations who wish to donate to a political cause. Also, the amended Act is no longer applicable to the operation of local political district associations. The Act places the onus on the various political parties for controlling and reporting on the financial activity of their district associations with respect to political fundraising by requiring all such funds to be channelled through the political party accounts.

Further amendments to the Act, which affected certain provisions of Part III dealing with election finances, received Royal Assent on June 14, 2007.

These provisions changed the official length of time for a campaign period to end four months from polling day as opposed to the previous six month period, increased the candidate nomination fee deposit to \$200 from \$100, and made refund of the nomination fee contingent on timely filing of election finance reports as opposed to the previous process where refund of the nomination fee deposit was contingent on a candidate receiving at least 15 per cent of the popular vote in their district.

Election Finance Compliance

ANNUAL FINANCIAL STATEMENTS

Under Part III of the Act, registered political parties are subject to fundraising guidelines and to the public disclosure of their financial affairs in the form of an annual filing of audited financial statements.

The deadline for filing of the annual Political Party statements is legislatively set at April 1 of the year following the year to which they relate.

The three political parties registered with the Office of the Chief Electoral Officer at the beginning of the 2012 calendar year filed the required audited financial statements pertaining to 2012 and their financial statements have been certified by the Chief Electoral Officer as having met the requirements of the Act.

The New Democratic Party and the Progressive Conservative Party filed the required financial package by the April 1, 2012, deadline. The Liberal Party was granted an extension to the deadline after the Office of the Chief Electoral Officer reviewed those reasons and determined that they did not involve willful intent or neglect on the part of their Chief Financial Officer. The Liberal Party Statements were received July 24, 2013.

Appendix A to this report presents a summary of the annual financial statement information provided by the parties for 2012. The actual financial statements on which this summary is based may be viewed at the Office of the Chief Electoral Officer during normal business hours.

POLITICAL CONTRIBUTIONS - ANNUAL

Subsection 299(3) of the Act requires that a registered political party shall file, along with the annual financial statements required under Section 303 of the Act, a listing with respect to contributions received **in the year** that either individually or in sum exceeds \$100 together with the name and address of the contributor(s).

Appendix B to this report contains a comprehensive listing of contributions to the reporting parties made during the period covered by the report.

Also, in instances where funds raised by local district associations are transferred to political parties and those funds contain amounts that would be considered contributions under the Act if the contribution were made directly to the party, a listing of contributors to the district association must be supplied by the party involved. Any such contributions are incorporated into the comprehensive listing contained in **Appendix B**.

OTHER ISSUES

In general, there were very few compliance problems encountered as a result of the review of the political party's 2012 financial filings.

All compliance issues associated with these filings were considered minor in nature and have been resolved to the satisfaction of the Chief Electoral Officer.
