**ANNUAL REPORT OF THE CHIEF ELECTORAL OFFICER
ON
ELECTION FINANCES
OF REGISTERED POLITICAL PARTIES
FOR THE PERIOD**

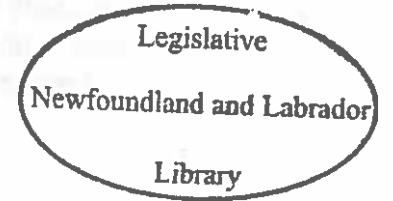

JANUARY 1, 2007 TO DECEMBER 31, 2007

LEG-1
C5A56
2007
c.2

INTRODUCTION

This report covers the period from January 1, 2007 to December 31, 2007 and summarizes the financial activity of the Liberal Party, the Progressive Conservative Party, the New Democratic Party and the Labrador Party for that period.

The original of this Report has been forwarded to the Queen's Printer for reproduction purposes and availability to the public. Also, a copy has been supplied to the Legislative Librarian for further reference by Members of the House of Assembly and it is also available for viewing on the Elections Newfoundland and Labrador webpage at www.gov.nl.ca/elections.

HISTORY OF ELECTION FINANCE LEGISLATION

The Elections Act, 1991, which was passed by the House of Assembly in June 1992, provided for the comprehensive regulation of financing by political parties, district associations and non-affiliated candidates in elections. Part III of the Elections Act dealing with Election Finances was proclaimed into force on October 1, 1993 but pertained only to registered political parties and registered candidates in elections.

Initially it was intended that experience with election finance regulation of political parties would be evaluated before proclaiming Part III to pertain to district associations. This partial proclamation necessitated an amendment to Part III in December 1993 in the form of a transitional provision that treated all candidates in an election as if they were non-affiliated candidates.

On January 26, 1996, Government issued a Policy Statement, with the agreement of all political parties, which placed further restrictions on district association activities during the 1996 General Election campaign period.

Significant amendments to the Elections Act received Royal Assent on June 5, 1998 to take effect on September 3, 1998. The most significant of the new amendments from an Election Finance perspective was the removal of annual contribution limits for individuals and corporations who wish to donate to a political cause. Also, the amended Act is no longer applicable to the operation of local political district associations. The Act places the onus on the various political parties for controlling and reporting on the financial activity of their district associations with respect to political fundraising by requiring all such funds to be channelled through the political party accounts.

Further amendments to the Elections Act which affected certain provisions of Part III of the Act dealing with election finances, received Royal Assent on June 14, 2007

Effective in time for the October 2007 general election, these provisions changed the official length of time for a campaign period to end four months from polling day as opposed to the previous six month period, increased the candidate nomination fee deposit to \$200 from \$100, and made refund of the nomination fee contingent on timely filing of election finance reports as opposed to the previous process where refund of the nomination fee deposit was contingent on a candidate receiving at least fifteen percent of the popular vote in their district.

ELECTION FINANCE COMPLIANCE

ANNUAL FINANCIAL STATEMENTS

Under Part III of the Elections Act 1991, registered political parties are subject to fund raising guidelines and to the public disclosure of their financial affairs in the form of an annual filing of audited financial statements.

Four of the five political parties registered at the beginning of the 2007 calendar year filed the required audited financial statements pertaining to 2007 and their financial statements have been certified by the Chief Electoral Officer as having met the requirements of the Act.

The Newfoundland and Labrador First Party did not file the required statements relating to the 2007 calendar year and as a result the party has been removed from the register of recognized provincial political parties.

FILING DEADLINES & LATE FILINGS

The deadline for filing of the annual Political Party statements is legislatively set at April 1 of the year following the year to which they relate.

For 2007, three of the four party filings that were received were filed later than the legislated deadline.

The Progressive Conservative Party statements were received by the specified date.

The other parties were granted extensions to the deadline for various reasons after my office had reviewed those reasons and determined that they did not involve willful intent or neglect on the part of their chief financial officers.

Appendix A to this report presents a summary of the annual financial information provided by the parties for 2007. The actual financial statements on which this summary is based may be viewed at the Office of the Chief Electoral Officer during normal business hours.

POLITICAL CONTRIBUTIONS

Subsection 299(3) of the Elections Act, 1991 requires that a registered political party shall file, along with the annual financial statements required under Section 303 of the Act, a listing with respect to contributions received ***in the year*** that either individually or in sum exceed \$100 together with the name and address of the contributor(s).

Appendix B to this report contains a comprehensive listing of contributions to the reporting parties made during the period covered by the report.

Also, in instances where funds raised by local district associations are transferred to political parties and those funds contain amounts that would be considered contributions under the Act if the contribution were made directly to the party, a listing of contributors to the district association must be supplied by the party involved. Any such contributions are incorporated into the comprehensive listing contained in Appendix B.

OTHER ISSUES

In general, there were very few compliance problems encountered as a result of my review of the political party's 2007 financial filings. All compliance issues associated with the party filings were considered to be minor in nature and have been resolved to the satisfaction of the Chief Electoral Office.
