INTRODUCTION

This report covers the period from January 1, 2006 to December 31, 2006 and summarizes the financial activity of the Liberal Party, the Progressive Conservative Party, the New Democratic Party, The Labrador Party and the Newfoundland and Labrador First Party for that period.

The original of this Report has been forwarded to the Queen's Printer for reproduction purposes and availability to the public. Also, a copy has been supplied to the Legislative Librarian for further reference by Members of the House of Assembly and it is also available for viewing on the Elections Newfoundland and Labrador webpage at www.gov.nl.ca/elections/

HISTORY OF ELECTION FINANCE LEGISLATION

The Elections Act, 1991, which was passed by the House of Assembly in June 1992, provided for the comprehensive regulation of financing by political parties, district associations and non-affiliated candidates in elections. Part III of the Elections Act dealing with Election Finances was proclaimed into force on October 1, 1993 but pertained only to registered political parties and registered candidates in elections.

Initially it was intended that experience with election finance regulation of political parties would be evaluated before proclaiming Part III to pertain to district associations. This partial proclamation necessitated an amendment to Part III in December 1993 in the form of a transitional provision that treated all candidates in an election as if they were non-affiliated candidates.

On January 26, 1996, Government issued a Policy Statement, with the agreement of all political parties, which placed further restrictions on district association activities during the 1996 General Election campaign period.

Significant amendments to the Elections Act received Royal Assent on June 5, 1998 to take effect on September 3, 1998. The most significant of the new amendments from an Election Finance perspective was the removal of annual contribution limits for individuals and corporations who wish to donate to a political cause. Also, the amended Act is no longer applicable to the operation of local political district associations. The Act places the onus on the various political parties for controlling and reporting on the financial activity of their district associations with respect to political fundraising by requiring all such funds to be channelled through the political parties accounts.

ELECTION FINANCE COMPLIANCE

NEW POLITICAL PARTY

On January 27, 2006, the Chief Electoral Office received an application for registration of a fifth political party in this province, namely The Newfoundland and Labrador First Party. Pursuant to Section 278 of the Elections Act, my office examined the application for registration, determined that it met the requirements and conditions specified under the Act and on January 31, 2006 added the name "The Newfoundland and Labrador First Party" to the official register of political parties for this province.

ANNUAL FINANCIAL STATEMENTS

Under Part III of the Elections Act 1991, registered political parties are subject to fund raising guidelines and to the public disclosure of their financial affairs in the form of an annual filing of audited financial statements.

Each of the five registered political parties filed the required audited financial statements pertaining to the 2006 calendar year and their financial statements have been certified by the Chief Electoral Officer as having met the requirements of the Act.

The deadline for filing of those statements is legislatively set at April 1 of the year following the year to which they relate. For 2006, three of the five filings were received later than the legislated filing deadline of April 1, 2007. The Progressive Conservative Party and the Labrador Party statements were received by the specified date.

My office has reviewed the reasons for the late filings by the other parties and determined that they were acceptable and there was no willful intent or neglect on the part of the parties or their chief financial officers.

"APPENDIX A" to this report presents a summary of the annual financial information provided by the parties for 2006. The actual financial statements on which this summary is based may be viewed at the Office of the Chief Electoral Officer during normal business hours.

POLITICAL CONTRIBUTIONS

Subsection 299(3) of the Elections Act, 1991 requires that a registered political party shall file, along with the annual financial statements required under Section 303 of the Act, a listing with respect to contributions received in the year that either individually or in sum

exceed \$100 together with the name and address of the contributor(s).

"Appendix B" to this report contains a comprehensive listing of contributions to the reporting parties made during the period covered by the report.

Also, in instances where funds raised by local district associations are transferred to political parties and those funds contain amounts that would be considered contributions under the Act if the contribution were made directly to the party, a listing of contributors to the district association must be supplied by the party involved. Any such contributions are incorporated into the comprehensive listing contained in **"APPENDIX B"**.

OTHER ISSUES

In general, there were very few compliance problems encountered as a result of my review of the political party's 2006 financial filings. All compliance issues associated with the party filings were considered to be minor in nature and have been resolved to the satisfaction of the Chief Electoral Office.
