INTRODUCTION

Details on the actual revenues and expenditures of the Consolidated Revenue Fund as at 31 March 2011 are provided in the statements, schedules and notes included within this report. In accordance with the requirements of the *Financial Administration Act*, this report is prepared by the Comptroller General of Finance using the modified cash basis of accounting and is not subject to an audit opinion. This is the same basis used to prepare the budgeted appropriations and revenues as per Government's Estimates presented to the House of Assembly. Budgeted amounts as per the Estimates have also been presented for comparative purposes. This report shows the actual overall budgetary contribution (requirement) of the Consolidated Revenue Fund as at 31 March 2011 and not the accrual based consolidated results.

The Consolidated Revenue Fund, pursuant to the *Financial Administration Act*, is comprised of all public money over which the Legislature has power of appropriation, excepting money that is otherwise specially disposed of by the Legislature. Such public money is to be appropriated to the public service of the Province by the Legislature, the expenditure of which is assigned to the various Government departments. Pursuant to the *Executive Council Act*, the overall responsibility for a department's programs and administration lies with the minister of that department, while the deputy minister has responsibility for payments of public money from the appropriations assigned by the House of Assembly to a department (Head of Expenditure) as per the *Financial Administration Act*.

The deputy ministers responsible for the administration of their respective departments as at 31 March 2011 are indicated in the Departmental Statements of Expenditure and Related Revenue included in this report. These deputy ministers were requested to sign a Statement of Confirmation which states "I hereby certify to the best of my knowledge and belief that the attached departmental statements of expenditure and related revenue for the head (or sub-head) of expenditure for which I am responsible are presented correctly in all material aspects. Any known significant adjustments or errors as of the date below (8 July 2011) are noted below." All deputy ministers, or their representative in their absence, have signed the noted Statement of Confirmation.

The statements, schedules and notes presented are based on information recorded in Government's Financial Management System (FMS), supplemented by information provided by departments relating to the 2010-11 fiscal year as of 8 July 2011, the completion date of this report. Any significant adjustments affecting the revenues and expenditures presented herein which may be identified subsequent to this completion date will be reflected in the appropriate schedule in the audited Volume II of the Public Accounts.

For all accrual based information related to the Consolidated Revenue Fund, please refer to Volume II of the Public Accounts which will be released at a later date. Furthermore, the accrual based consolidated summary financial statements of the Province including Crown Corporations, Boards and Authorities may be found in audited Volume I of the Public Accounts which will also be released at a later date.

The Report on the Program Expenditures and Revenues of the Consolidated Revenue Fund is also available on the Internet at: http://www.fin.gov.nl.ca/fin/public_accounts/index.html.

NOTES TO STATEMENTS OF REVENUE, EXPENDITURE AND RELATED REVENUE BY DEPARTMENT

1. Current Account Revenue and Related Revenue

Revenues which are related to or generated by specific expenditure activities of Government are applied against the respective expenditures under the general head of Related Revenue. Current Account Revenue, as opposed to Related Revenue, is generally derived as a result of statutory requirements which specify the amount to be paid to the Province.

Refer to Schedule 1 - Current Account Revenue.

2. Statutory and Non-Statutory Expenditure

Certain expenditures of the Province are approved by Statutes other than the annual Supply Acts. These are referred to as statutory expenditures. In contrast, all other expenditures must be approved by the House of Assembly each year and are therefore referred to as non-statutory expenditures.

The following summary shows a breakdown of the total expenditure of the year (Current and Capital Account) into statutory and non-statutory classifications:

STATUTORY EXPENDITURE:

Department:

Supply Acts totaling \$6.9 billion to defray expenses of the Public Service for the year ended 31 March 2011 were as follows:

	(2000)
Supply Act, 2010	4,512,522
Interim Supply Act, 2010	2,398,482
Total	6,911,004

Non-statutory expenditure for the year totaled \$6.4 billion. Of the \$6.9 billion appropriations made available in respect of expenditure for the year ended 31 March 2011, \$0.5 billion remains unexpended. (See Statement of Unexpended Balances of Appropriations by Department and Statement of Unexpended Balances of Appropriations by Expenditure Type for further details.) In compliance with Section 23(1) of the Financial Administration Act, balances comprising this amount lapsed and were written off.
