MESSAGE FROM THE CHAIR

As Chair of the Board of Directors of Newfoundland Hardwoods Limited, I am pleased to present the Board's 2011-2014 Activity Plan. In accordance with the *Transparency and Accountability Act*, this activity plan takes into consideration the strategic directions of government without directly impacting them. The plan was prepared under the direction of the Board, which is accountable for the achievement of the objectives as detailed herein.

Newfoundland Hardwoods Limited is classified as a category 3 entity under the *Transparency and Accountability Act*. This means the Board must prepare an activity plan that clearly outlines the activities it will undertake within its mandate and current budget, in the period covered.

Sincerely,

Brent Meade

Chair

Newfoundland Hardwoods Limited

OVERVIEW

Newfoundland Hardwoods Limited was established as a crown corporation in 1950 under the *Corporations Act* for the purpose of manufacturing liquid asphalt and the sale of treated poles and timber to supply the needs of provincial customers. In 1995, the province privatized Newfoundland Hardwoods Limited with the sale of its asphalt operations to Irving Oil Limited and its pole and timber division to Wood Preservation Industries Limited of Quebec and provided environmental indemnities to both companies.

While Newfoundland Hardwoods Limited is inactive as a crown corporation, there is a Board of Directors to deal with any outstanding issues that may arise subsequent to the sale. All outstanding issues have been addressed except the decommissioning of one storage tank. The tank is sealed and inspected regularly and poses no environmental threat at this time. Currently, there is no facility in the province to dispose of the contents of this tank.

Since Newfoundland Hardwoods Limited is inactive as a crown corporation, its Board of Directors consists solely of provincial public sector employees as follows:

- Deputy Minister of Innovation, Trade and Rural Development, Chairperson
- Assistant Deputy Minister, Innovation, Trade and Rural Development
- Director, Business Analysis, Innovation, Trade and Rural Development

The Corporation does not have any staff. The Department of Innovation, Trade and Rural Development (INTRD) provides administrative support required by the Board.
