Mr. Donald Sturge
Board Chair - Central Health
Grand Falls-Windsor, NL A2A 1Y4

Dear Mr. Sturge:

Pursuant to sub-section 21(3) of the **Regional Health Authorities Act**, I am hereby providing written approval to the Central Health Authority (CHA) to incur expenditures in excess of the original estimated amount set out in its 2022-23 Budget for CHA to enter into a contractual arrangement with Canadian Health Labs for the utilization of registered nurses travel teams.

The Department is supportive of this initiative and will work with your officials to ensure any incremental impacts to the expenditure limit and funding required is addressed accordingly.

I wish to thank you and your Board for your continued commitment to CHA and this initiative, and I look forward to working with you this year.

Sincerely,
