Re: Non-Compliance Credit Union Deposit Guarantee Corporation

In accordance with Section 16(a) of the Transparency and Accountability Act, I wish to advise you that the Credit Union Deposit Guarantee Corporation 2020 Annual Business Report will not be made public within the legislated deadline of June 30, 2021. The delay was due to logistical factors, including the completion of necessary internal reviews as per the annual reporting process along with the identification of a number recommended edits to ensure the report is compliant and consistent with the reporting process. The report will be tabled once these edits have been completed. I trust this is satisfactory.
