

Annual Report on Election Finances January 1, 2013 to December 31, 2013

Office of the Chief Electoral Officer

Introduction

This report summarizes the financial activities of the Liberal Party, the Progressive Conservative Party and the New Democratic Party for the period January 1, 2013 to December 31, 2013.

This report also summarizes the financial activity of candidates and political parties relating to the by-election in the electoral district of Cartwright – L'Anse au Clair (held on June 25, 2013) and the by-election in the electoral district of Carbonear – Harbour Grace (held on November 26, 2013).

The original of this report has been forwarded to the Queen's Printer for reproduction purposes and availability to the public. A copy has been supplied to the Legislative Librarian for further reference by Members of the House of Assembly and summary information is also available for viewing on the Elections Newfoundland and Labrador webpage at www.elections.gov.nl.ca.

History of Election Finance Legislation

The *Elections Act, 1991* (“Act”), which was passed by the House of Assembly in June 1992, provided for the comprehensive regulation of financing by political parties, district associations and non-affiliated candidates in elections. Part III of the Act dealing with Election Finances was proclaimed into force on October 1, 1993 but pertained only to registered political parties and registered candidates in elections.

Initially, it was intended that experience with election finance regulation of political parties would be evaluated before proclaiming Part III to pertain to district associations. This partial proclamation necessitated an amendment to Part III in December 1993 in the form of a transitional provision that treated all candidates in an election as if they were non-affiliated candidates.

On January 26, 1996, the Government of Newfoundland and Labrador issued a policy statement, with the agreement of all political parties, which placed further restrictions on district association activities during the 1996 General Election campaign period.

Significant amendments to the Act received Royal Assent on June 5, 1998 to take effect on September 3, 1998. The most significant of the new amendments from an Election Finance perspective was the removal of annual contribution limits for individuals and corporations who wish to donate to a political cause. Also, the amended Act is no longer applicable to the operation of local district associations. The Act places the onus on the various political parties for controlling and reporting on the financial activity of their district associations with respect to fundraising by requiring all such funds to be channelled through the political party accounts.

Further amendments to the Act, which affected certain provisions of Part III dealing with election finances, received Royal Assent on June 14, 2007.

These provisions changed the official length of time for a campaign period to end four months from polling day as opposed to the previous six month period, increased the candidate nomination fee deposit to \$200 from \$100, and made refund of the nomination fee contingent on timely filing of election finance reports as opposed to the previous process where refund of the nomination fee deposit was contingent on a candidate receiving at least 15 per cent of the popular vote in their district.

Election Finance Compliance

ANNUAL FINANCIAL STATEMENTS

In accordance with Part III of the Act, registered political parties are subject to fund raising guidelines and to the public disclosure of their financial affairs in the form of an annual filing of audited financial statements.

The deadline for filing of the annual Political Party statements is legislatively set at April 1 of the year following the year to which they relate.

The three political parties registered with the Office of the Chief Electoral Officer at the beginning of the 2013 calendar year filed the required audited financial statements pertaining to 2013 and their financial statements have been certified by the Chief Electoral Officer as having met the requirements of the Act.

The Liberal Party, the New Democratic Party and the Progressive Conservative Party were all granted an extension to the deadline for various reasons after the Office of the Chief Electoral Officer reviewed those reasons and determined that they did not involve willful intent or neglect on the part of their Chief Financial Officers. The Progressive Conservative Party statements were received on June 27, 2014, the New Democratic Party statements were received August 8, 2014 and the Liberal Party Statements were received August 15, 2014.

Appendix A to this report presents a summary of the annual financial statement information provided by the parties for 2013. The actual financial statements on which this summary is based may be viewed at the Office of the Chief Electoral Officer during normal business hours.

BY-ELECTION FINANCIAL STATEMENTS

Section 304 of the Act requires candidates in a by-election and political parties that received contributions or made expenditures in relation to the by-election to file with the Office of the Chief Electoral Officer a financial statement of income and expenses relating to the by-election within four months of polling day.

There were three candidates for each of the two by-elections held during 2013 resulting in a total of 6 separate filings for the two by-elections.

Appendix B to this report presents a summary of the information contained in the income and expenditure statements provided by the candidates relating to the two 2013 by-elections. The actual financial statements on which this summary is based may be viewed at the Office of the Chief Electoral Officer during normal business hours.

BY-ELECTION EXPENDITURE STATEMENTS

Section 310 of the Act places a limitation on the amount of certain election expenses permitted by political parties and candidates in an election or by-election.

These limits are established for each electoral district based on the greater of the number of registered voters on the official voter list used for the election multiplied by an annually adjusted factor per registered voter or the annually adjusted minimum limit. For the 2013 by-elections, the inflation adjusted factor was \$4.264 per voter and the minimum limit was \$16,410.

Expenditure limits pertaining to the two by-elections reported here were as follows:

District	Registered Voters	Factor	Calculated Limit	District Minimum	Expenditure Limit
Cartwright- L'Anse au Clair	3,047	\$4.264	\$12,992	\$16,410	\$16,410
Carbonear- Harbour Grace	8,955	\$4.264	\$38,184	\$16,410	\$38,184

As the expenditure limit calculated for Cartwright – L'Anse au Clair was below the minimum limit, the minimum limit of \$16,410 was set for that district.

As the expenditure limit calculated for Carbonear – Harbour Grace was greater than then minimum limit, the calculated limit of \$38,184 was set for that district.

Election expenditure limits apply only to certain types of expenditures made by a campaign. These limits are not applicable to amounts spent by candidates on their own or their spouses' travel or other personal living expenses; to amounts spent on wrap-up or election night thank-you parties; to amounts transferred to candidates and from political parties under certain provisions of the Act or to other expenses that are not directly related to contesting of the election.

The reason for excluding certain expenses from campaign expenditure limits is rooted in the principle of fairness and the goal to create as level a playing field as possible for all candidates.

For example, a candidate who maintains a permanent residence in a particular district would likely incur less travel and living expenses than a candidate who does not live in the district. This would create or result in an obvious spending advantage if the travel expenses of the candidate who was required to travel further or more frequently were subject to the district election expenditure limit.

All filings for the 2013 by-elections were within the expenditure limits established as outlined above. (*See Appendix B*).

BY-ELECTION SUBSIDY

If a candidate in an election receives at least 15 per cent of the popular vote cast in their district they are entitled to a subsidy calculated to be 1/3 of their eligible allowable campaign expenses up to a maximum of 1/3 of their district expenditure limit.

For the two by-elections held during 2013, a total of \$16,325 in campaign subsidies was paid out as follows:

District	Campaign	Subsidy Paid
Cartwright- L'Anse au Clair	Lisa Dempster (Lib)	\$5,405
	Jason Spingle (NDP)	\$5,407
Carbonear- Harbour Grace	Jack Harrington (PC)	\$11,951
	Sam Slade (Lib)	\$9,284

In addition to the campaign expense subsidy payable to candidates, the Chief Electoral Officer provides a subsidy for the cost of auditor services to candidates to a maximum amount of \$500 per campaign. This subsidy is paid directly to a candidate's auditors. The total auditor subsidy paid to auditors for candidates in the by-elections was \$3,000.

CAMPAIGN SURPLUS

Subsection 313(1) of the Act requires that a campaign surplus created either from political contributions, expense subsidies or other income sources permitted by the Act, be remitted to the appropriate party if a candidate's political affiliation appears on the ballot.

In the case of a non-affiliated candidate, the campaign surplus is held in trust for the non-affiliated candidate by the Chief Electoral Officer and is paid out in accordance with subsections 313(2) and 313(3) of the Act.

Surplus calculated and paid to the political parties for the two 2013 by-elections were as follows:

District	Campaign	Surplus Paid
Cartwright- L'Anse au Clair	Lisa Dempster (Lib)	\$7,371
	Jason Spingle (NDP)	\$5,946
Carbonear- Harbour Grace	Jack Harrington (PC)	\$2,312
	Sam Slade (Lib)	\$12,907
	Charlene Sudbrink (NDP)	\$584

POLITICAL CONTRIBUTIONS - ANNUAL

Subsection 299(3) of the Act requires that a registered political party shall file, along with the annual financial statements required under Section 303 of the Act, a listing with respect to contributions received ***in the year*** that either individually or in sum exceeds \$100 together with the name and address of the contributor(s).

Appendix C to this report contains a comprehensive listing of contributions to the reporting parties made during the period covered by the report.

Also, in instances where funds raised by local district associations are transferred to political parties and those funds contain amounts that would be considered contributions under the Act if the contribution were made directly to the party, a listing of contributors to the district association must be supplied by the party involved. Any such contributions are incorporated into the comprehensive listing contained in ***Appendix C***.

POLITICAL CONTRIBUTIONS - BY-ELECTIONS

Subsection 299(4) of the Act requires that a registered party and a candidate in an election shall, along with the statements of income and expenses for the election required under Section 304, file a listing with respect to contributions received in a campaign period that either individually or in sum exceed \$100 together with the name and address of the contributor(s).

Information respecting contributions relating to the two by-elections is contained in the table attached as ***Appendix D*** to this report.

OTHER ISSUES

In general, there were very few compliance problems encountered as a result of my review of the political parties' 2013 financial filings and the statements filed relating to the by-elections in Cartwright – L'Anse au Clair and Carbonear Harbour Grace.

All compliance issues associated with these filings were considered minor in nature and have been resolved to the satisfaction of the Chief Electoral Officer.
