# **PART I**

## **Annual Filings 2020**

## PART I – Annual Filings 2020

### ELECTION FINANCE COMPLIANCE

#### ANNUAL FINANCIAL STATEMENTS

The four political parties registered with Elections NL at the beginning of the 2020 calendar year have filed the required audited financial statements and supporting schedules pertaining to 2020.

Registered political parties are required to report their financial affairs in the form of an annual filing of audited financial statements along with supporting schedules as prescribed by Elections NL. **Appendix A** to this report presents a summary of the annual financial statement information provided by the parties for the 2020 fiscal year.

#### FILING DEADLINE

The deadline for filing of the annual Political Party statements is legislatively set at April 1 of the year following the year to which they relate. The filing deadline in the current year was April 1, 2021.

Each of the four parties filed their financial information with Elections NL in accordance with the deadline of April 1, 2021.

#### POLITICAL CONTRIBUTIONS

Registered political parties must file with their annual financial statements a listing of contributions received **in the year** that either individually, or in sum, exceeds \$100 together with the name and address of the contributor(s).

**Appendix B** to this report contains a comprehensive listing of contributions to the reporting parties made during the year. This includes funds raised by local district associations and transferred to the political parties during the year. Treatment of these funds is the same as if the contribution was made directly to the party.

This appendix only reports on contributions made to each the political parties during the year. It does not include contributions made to candidates in the Humber-Gros Morne by-election. Contributions to candidates in the Humber-Gros Morne by-election are detailed in **Appendix D** of this report.

#### OTHER ELECTION FINANCE MATTERS

##### Financial Statements and Financial Statement Supporting Documents

The filings received by all political parties for 2020 were in good order. Documentation from the political par-

ties clearly identified receipt numbers, associated receipts to fundraising events, and generally matched with the information provided through the financial schedules.

Filings from the political parties are posted to Elections NL website in an 'as-filed' state when received from the parties. After these filings are received from Elections NL they are reviewed for accuracy and to ensure that the financial affairs of the political party are in compliance with the Act. Elections NL works with the data received from the political parties, but also works with the CFOs from each party to resolve questions that arise from the review of the data.

## PART II – Humber-Gros Morne By-Election October 6, 2020

### ELECTION FINANCE COMPLIANCE

#### BY-ELECTION FINANCIAL STATEMENTS

Candidates in a by-election are required to file with Elections NL campaign financial filings and schedules within four months of polling day. The Humber Gros-Morne By-Election was held on October 6, 2020 and the deadline to submit all filings and schedules was February 5, 2021.

Political parties must also file with Elections NL campaign financial statements if they incur any expenses on the by-election. The parties do not have to file a report with Elections NL if they do not spend on the event, or if they only transfer funds to a candidate.

The total number of candidate filings for the Humber-Gros Morne By-Election was four; consisting of a candidate from each of the Liberals, New Democrats, NL Alliance, and the Progressive Conservatives. In addition to candidate filings, the Liberal Party and the Progressive Conservative Party reported campaign expenditures for the by-election.

**Appendix C** to this report presents a summary of the income and expense statements for the Liberal Party and a summary of the income and expense statements for all candidates.

Each of the four candidates and the two political parties filed their financial filings and schedules with Elections NL in accordance with the deadline of February 5, 2021.

#### POLITICAL CONTRIBUTIONS

Registered political parties and candidates in a by-election must file with Elections NL their campaign financial statements, financial schedules, and a listing of contributions received **in the campaign period** that either individually, or in sum, exceeds \$100 together with the name and address of the contributor(s).

To avoid duplication of reported contributions, **Appendix D** to this report contains a comprehensive listing of political contributions for the Humber-Gros Morne By-Election made to the reporting candidates only. Contributions made to the reporting political parties during this period are included in **Appendix B**.

#### ELECTION EXPENSES

Political parties and candidates are permitted to spend up to a legislated limit on certain types of election expenses. Candidates and political parties are limited to election expenditures in a by-election of \$3.125 (adjusted for inflation) for each individual on the revised list of electors in the electoral district.

For 2020 the expense factor was \$4.763, and the electoral district of Humber-Gros Morne had 9,584 voters on the revised list of electors at the time the by-election was called. As such, the eligible expenditure limit in the by-election was \$45,649.

Each of the political parties and all of the candidates who filed returns relating to the Humber-Gros Morne By-Election were found to be in compliance with the expenditure limit of \$45,649.

### CANDIDATE SUBSIDIES

A candidate who receives at least 15 per cent of the popular vote in their electoral district is entitled to a reimbursement of one-third of their eligible election expenses. In addition to the election expense subsidy, each candidate receives a subsidy of up to \$500 for auditor services.

For the October 6, 2021 Humber-Gros Morne By-Election, the total election expense subsidy payments (including auditor services) was \$23,868. Two of the candidates in the by-election received at least 15 per cent of the popular vote thereby qualifying for subsidy payments. The subsidies paid to candidates are detailed in the following chart.

<b>Downey-Sutton, Graham</b>	New Democratic Party	0	\$500	\$500
