FINANCIAL STATEMENTS – MARCH 31, 2008

AUDITORS' REPORT

To: The Board of Commissioners of Public Utilities

We have audited the statement of financial position of the Board of Commissioners of Public Utilities as at March 31, 2008 and the statements of operations, accumulated surplus and cash flows for the year then ended. These financial statements are the responsibility of the Board's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Board as at March 31, 2008 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

BOARD OF COMMISSIONERS OF PUBLIC UTILITIES

Notes to Financial Statements

March 31, 2008

1. General

The Board of Commissioners of Public Utilities is an independent, quasi-judicial regulatory tribunal constituted in 1949 by the Lieutenant-Governor in Council pursuant to the *Public Utilities Act*. The Board regulates the electric utilities in the Province of Newfoundland and Labrador and is responsible for ensuring that the rates charged are reasonable and that the service provided is safe and reliable. Other responsibilities include: (a) the regulation of automobile insurance rates; (b) the regulation of, from June 8, 2004, fuel prices pursuant to the Petroleum Products Act; (c) limited regulation of the motor carrier industry as it relates to certain passenger and ambulance operations; and (d) to establish compensation for matters referred to the Board pursuant to the *Expropriation Act*. The Board was incorporated on May 12, 2000 pursuant to an amendment to the *Public Utilities Act* and as a Crown entity of the Province is not subject to provincial or federal income taxes.

2. Summary of significant accounting policies

These financial statements have, in all material respects, been prepared in accordance with Canadian generally accepted accounting principles, the more significant of which are set out below:

a) Operating revenues and expenses

Operating revenues and expenses are accounted for on the accrual basis.

b) Recoverable costs

Recoverable costs relating to regulatory hearings and specific enquiries held by the Board are accrued until the Board orders payment. The costs and subsequent recoveries for these enquiries are not included in the operating revenues and expenses of the Board.

c) Capital assets

Capital assets are recorded on the Statement of Financial Position at their historical cost and are amortized as follows:

• Furniture and equipment	-	20% declining balance method
• Computer hardware	-	35% declining balance method
• Computer software	-	50% declining balance method
• Leasehold improvements	-	the lesser of five year straight-line and remaining term of the lease

d) Severance pay

Severance pay is accounted for on the accrual basis and is based upon years of service and current salary levels. The entitlement to severance pay vests with employees after nine years of continual service and accordingly no provision has been made in the accounts for employees with less than nine years of continual service. The amount is payable when the employee ceases employment with the Board.

BOARD OF COMMISSIONERS OF PUBLIC UTILITIES

Notes to Financial Statements

2. Significant accounting policies (cont'd)

e) Use of estimates

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires the Board's management to make estimates and assumptions that affect the amounts reported in the financial statements and the notes related thereto. Actual results may differ from those estimates.

3. Financial instruments

The Board's financial instruments consist of cash, receivables, recoverable costs and payables and accruals. Unless otherwise noted, it is management's opinion that the Board is not exposed to significant interest, currency or credit risks arising from these financial instruments. The fair value of these financial instruments approximate their carrying values, unless otherwise noted.

4. Recoverable costs

	2008	2007
Recoverable costs, beginning of year	\$ 626,004	\$ 240,045
Add – specific enquiry costs incurred during the year:		
Consulting fees	328,198	385,363
Consumer Advocate	570,240	328,901

	942,203	766,757
Less – costs recovered during the year	1,568,207	1,006,802
Recoverable costs, end of year	\$ 210,532	\$ 626,004

5. Deferred costs – insurance review

The Board incurred costs in the 2005, 2006 and 2007 fiscal years relating to the insurance industry review. These costs are deferred until all costs pertaining to a specific review have been accumulated and a special assessment issued. Assessment revenue and the related costs are included in the operating revenues and expenses of the Board.

BOARD OF COMMISSIONERS OF PUBLIC UTILITIES

Notes to Financial Statements

March 31, 2008

6. Designated pension funds and pension obligations

Designated pension funds are disclosed in the Statement of Financial Position as net of the related pension obligation.

The Board maintains a defined benefit pension plan for two former commissioners. Designated pension funds have been established and consist of investments maintained in trust with RBC Dexia Investor Services Trust on behalf of these pensioners and are recorded at market value.

	2008	2007
Balance on deposit, beginning of year	\$ 319,575	\$374,605
Add – earnings net of expenses	9,592	10,415

Related pension obligation	(335,400)	(350,600)
	\$ (71,678)	\$ (31,025)

Pension obligations represent the present value of accrued pension benefits as calculated in an actuarial report dated May 2, 2008. A pension obligations estimation adjustment of \$50,245 (2007 - \$53,945) is included in expenses in the fiscal year.

The Board also made pension payments to a former Commissioner in the amount of \$22,477. These payments are paid directly by the Board out of operating expenses and are included in salaries and associated costs.

7. Capital assets

8. Bank credit agreement

The Board has established a \$1,000,000 line-of-credit subject to a general security agreement over all accounts and book debts, equipment, tangible capital assets and certain other assets. Any outstanding balance bears interest at the bank prime rate plus 0.5%.

9. Internally restricted surplus

The Board has adopted a formal policy to accumulate and restrict estimated amounts required to meet expected future obligations. The amounts restricted as at March 31, 2008 are as follows:

	2008	2007
Lease commitments	\$ 232,580	\$ 180,963
Payroll contingency	73,514	52,483
Redundancy pay contingency	463,165	474,407
Working capital	373,501	343,536
	<u>\$1,142,760</u>	<u>\$1,051,389</u>

10. Assessment reductions and subsequent event

Pursuant to Section 13(7) of the Public Utilities Act, the Board approved reductions in assessments to the electrical utilities, the insurance industry and the petroleum products industry in the amounts of \$328,608, \$43,786 and \$139,571, respectively (total \$511,965).

11. Lease commitments

The Board has the following lease commitments for the rental of office space in St. John's and Grand Falls-Windsor:

St. John's

- lease agreement in the amount of \$12,256 per month concluding May 31, 2008.
- lease agreement in the amount of \$17,417 per month commencing June 1, 2008 and concluding May 31, 2013.

Grand Falls-Windsor

- lease agreement in the amount of \$2,825 per month (\$33,900 per annum), concluding February 28, 2010.

AUDITOR'S REPORT

To the Board of Directors
Bull Arm Site Corporation
St. John's, Newfoundland and Labrador

I have audited the balance sheet of the Bull Arm Site Corporation as at 31 March 2008 and the statements of revenues and expenses, and cash flows for the year then ended. These financial statements are the responsibility of the Corporation's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Corporation as at 31 March 2008 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

BULL ARM SITE CORPORATION
NOTES TO FINANCIAL STATEMENTS
31 March 2008

Authority

The Bull Arm Site Corporation was incorporated by the Province of Newfoundland and Labrador on 15 September 1995 under the *Corporations Act*. All shares of the Corporation are held by Ministers of the Crown on behalf of the Province. Its affairs are governed by a Board of Directors appointed by the Lieutenant-Governor in Council.

An agreement between the Province and the parties involved in the Hibernia project provided for the transfer of assets, known as investment property, at the Bull Arm Site to the Province. Investment property is defined in the agreement to include buildings, fixed equipment, living and recreational facilities, drydock, wharves, vehicles and other assets. In addition, the Corporation may accept investment property from other lessors of the Site upon termination of the lease agreements. The purpose of the Corporation is to receive and administer these assets at the Site. Investment property that is surplus to the future needs of the Corporation is either transferred for nil proceeds to the Province for its use or, if not required by the Province, disposed of to third parties.

1. Significant accounting policies

These financial statements have been prepared by the Corporation's management in accordance with Canadian generally accepted accounting principles. Outlined below are the significant accounting policies followed.

(a) Investment property

Management of the Corporation has concluded that it is not practical to determine the value of the investment property with sufficient reliability and thus investment property is recorded at a nominal value of \$1. Any costs associated with obtaining the investment property are expensed as incurred.

(b) Capital assets

Capital assets are capitalized at cost at the time of acquisition. Contributions toward the acquisition of capital assets are deducted from the related capital asset cost with any amortization calculated on the net amount. Amortization is calculated using the methods described below based on the expected future life of the asset as follows:

Topsides module hall door	20% declining balance
Security building	4% declining balance
Computer equipment	30% declining balance
Office equipment	20% declining balance
Vehicle	30% declining balance

8. Contingent liability

The Corporation has agreed to store used tires at the Site on behalf of the Multi-Materials Stewardship Board until the recycling phase of the used tire recycling program begins. The Corporation does not receive any lease or rental income for providing this storage. Based upon legal advice obtained by the Corporation, it is the legal guardian of the tires and any possible liabilities arising in relation to the storage of the tires is the responsibility of the Corporation. The Corporation has directed legal counsel to seek an indemnification from any liabilities associated with the storage of used tires at the Site from the Multi-Materials Stewardship Board.

9. Related party transactions

The Province of Newfoundland and Labrador has provided office space, office equipment and furnishings, and legal services at no cost to the Corporation. These contributions are not reflected in these financial statements. Salaries and benefits for certain employees of the Corporation are paid directly by the Province of Newfoundland and Labrador and the Province is reimbursed by the Corporation.

10. Financial instruments

The Corporation's financial instruments recognized in the balance sheet consist of cash, investments, accounts receivable, and accounts payable and accrued liabilities, the carrying values of which approximate fair value due to the short-term maturity associated with these instruments.

11. Acquisition of Corporation by Energy Corporation of Newfoundland and Labrador

In March 2008, the Province authorized the Energy Corporation of Newfoundland and Labrador to acquire the outstanding shares of the Corporation for \$1 and to maintain it as a subsidiary of the Energy Corporation of Newfoundland and Labrador. The acquisition process is presently ongoing.

12. Income taxes

The Corporation is a Crown entity of the Province of Newfoundland and Labrador and as such is not subject to Federal or Provincial income taxes.

13. Comparative figures

Certain figures from the 2007 financial statements have been reclassified to conform with the basis of presentation used in 2008.

OFFICE OF THE AUDITOR GENERAL
St. John's, Newfoundland and Labrador

AUDITOR'S REPORT

To the Board of Directors
Business Investment Corporation
St. John's, Newfoundland and Labrador

I have audited the balance sheet of the Business Investment Corporation as at 31 March 2008 and the statements of equity, revenues and expenses, and cash flows for the year then ended. These financial statements are the responsibility of the Corporation's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Corporation as at 31 March 2008 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

BUSINESS INVESTMENT CORPORATION
NOTES TO FINANCIAL STATEMENTS
31 March 2008

Authority

The Business Investment Corporation (the Corporation) was established under the authority of the *Business Investment Corporation Act*. The Corporation is funded by the Province of Newfoundland and Labrador (the Province) and is responsible for making available and managing investments in small to medium sized private businesses, co-operatives, community development corporations and other enterprises for the purpose of creating employment opportunities for the people of the Province. The affairs of the Corporation are managed by a Board of Directors appointed by the Lieutenant-Governor in Council.

The *Business Investment Corporation Act* came into force effective 1 April 2002. Under this *Act*, the Business Investment Corporation was incorporated and became the successor to Enterprise Newfoundland and Labrador Corporation, the Fisheries Loan Board and the Farm Development Loan Board. Also under this *Act*, the *Fisheries Loan Act*, the *Farm Development Loan Act*, the *Economic Recovery Commission Act* and the *Enterprise Newfoundland and Labrador Corporation Act* were repealed.

1. Significant accounting policies

These financial statements have been prepared by the Corporation's management in accordance with Canadian generally accepted accounting principles. Outlined below are the significant accounting policies followed.

(a) Loans receivable

The Corporation records loans receivable at cost. When loans are identified as impaired, the Corporation records an allowance to reduce their carrying values to their estimated realizable amounts. Estimated realizable amounts are measured at discounted cash flows when the cash flows can be estimated with reasonable reliability, or alternatively, at the estimated net realizable value of the underlying security.

(b) Equity investments

The Corporation records equity investments at cost. In certain circumstances, the Corporation may have acquired the right to appoint representatives to an equity investee's board of directors or it may have a significant influence on the strategic operating, investing and financing policies of the investee. However, because of the nature of the Corporation's investment process and the manner in which these positions were acquired, such control or significant influence may not in fact be exercised or the Corporation may not intend to maintain such positions. Accordingly the Corporation's equity investments for all companies in which the Corporation holds voting rights are accounted for on the cost basis.

Provision is made by the Corporation for any decline in the value of investee companies which is considered to be other than temporary.

BUSINESS INVESTMENT CORPORATION
NOTES TO FINANCIAL STATEMENTS
31 March 2008

1. Significant accounting policies (cont.)

(c) Revenue recognition

Contributions from the Province are recorded as revenue to the Corporation. This is a change from previous years when contributions were recorded as capital contributions as described in Note 8.

Interest income is accounted for on the accrual basis for all loans other than the impaired portion of loans. Recognition of interest in accordance with the terms of the original loan agreement ceases when a loan becomes impaired. A loan is classified as impaired when, in the opinion of management, there is reasonable doubt as to the ultimate collectability of a portion of principal or interest, or when payment is contractually past due 90 days. The impaired portion of loans may revert to accrual status only when principal and interest payments have become fully current again, at which time any interest will be recognized in that fiscal year.

Dividends are recorded as income when received.

2. Aquaculture Working Capital Fund

On 30 March 2001, Enterprise Newfoundland and Labrador Corporation, a predecessor of the Corporation, entered into an agreement with the Federal and Provincial Governments to set up the Aquaculture Working Capital Fund (AWCF). The AWCF assists individuals and companies in the shell fish industry throughout the Province through repayable loans. The AWCF is a revolving fund in which the Corporation retains the loan repayments for future aquaculture loans until the conclusion of the agreement. The agreement is scheduled to conclude on 31 March 2011, extendable for 3 years, at which time the Corporation will reimburse all monies to the Federal and Provincial governments based on the proportions of their contribution.

To date the Corporation has received funding totalling \$1.5 million based on contributions of \$1.3 million in Federal funding from the Canada/Newfoundland Strategic Regional Diversification Agreement, and \$160,000 Federal and \$40,000 Provincial funding from the Canada/Newfoundland Agreement on Economic Renewal.

As at 31 March 2008, the AWCF had 17 loans outstanding totalling \$1,186,323 (2007 - 18 loans totalling \$1,392,563). During 2003-04 the Corporation established a separate loan portfolio and bank account to administer the AWCF and assist in identifying payments that are received and held for future loans. As at 31 March 2008, the AWCF had a balance of \$350,885 (2007 - \$174,107) which is included in these financial statements as cash.

3. Loans and equity investments

The determination of whether a loan is impaired and the appropriate carrying value of equity investments, involves significant judgement. The estimation of an appropriate allowance for decline in value of loans receivable and equity investments necessarily involves the use of estimates. These financial statements represent management's best estimates based on available information.

BUSINESS INVESTMENT CORPORATION
NOTES TO FINANCIAL STATEMENTS
31 March 2008

3. Loans and equity investments (cont.)

Loans and equity investments consist of the following:

	<u>2008</u>	<u>2007</u>
Loans receivable		
Principal due and unpaid	\$ 17,436,244	\$ 19,383,227
Principal not yet due	14,307,536	14,917,978
<u>Interest due and unpaid</u>	<u>2,435,448</u>	<u>2,645,675</u>
	34,179,228	36,946,880
<u>Less: allowance for decline in value</u>	<u>(26,121,540)</u>	<u>(28,412,414)</u>
	<u>8,057,688</u>	<u>8,534,466</u>
Equity investments		
Equity investments, at cost	19,728,458	20,160,320
<u>Less: allowance for decline in value</u>	<u>(18,838,675)</u>	<u>(19,381,750)</u>
	<u>889,783</u>	<u>778,570</u>
Loans and equity investments	\$ 8,947,471	\$ 9,313,036

The allowance for the decline in value of loans receivable and equity investments consists of the following:

	<u>2008</u>	<u>2007</u>
Balance, beginning of year	\$ 47,794,164	\$ 50,702,305
Principal written off, net of recoveries	(2,843,777)	(1,956,255)
Interest written off, net of recoveries	(414,675)	(538,818)
Provision for decline (recovery) in value of loans receivable and equity investments	424,503	(413,068)
Balance, end of year	\$ 44,960,215	\$ 47,794,164

The allowance for decline in value represents the Corporation's best estimate of future probable losses with respect to the loans receivable and equity investments. The Corporation recognizes that future economic and industry conditions are not predictable and therefore, their impact on the future cash flows anticipated is uncertain. Consequently, adjustments to the allowance are possible depending on the impact of these future events and management's best estimate of them.

BUSINESS INVESTMENT CORPORATION
NOTES TO FINANCIAL STATEMENTS
31 March 2008

4. Long-term investments

Long-term investments consist of 673 shares of Sun Life Financial Services of Canada Incorporated which were given to the Corporation as a result of the demutualization of Sun Life Assurance Company of Canada. The carrying value of the shares is recognized at the fair market value of \$9,422 as determined by the share price at the time of the transfer of shares to the Corporation. The fair market value of these shares as at 31 March 2008 was \$32,297 (2007 - \$35,346).

5. Contingent liabilities

- (a) A client of the Corporation has taken legal action as a result of certain alleged technical problems that the client claims to have experienced with a vessel that was financed through the Fisheries Loan Board Program. The amount of this potential claim is in the \$900,000 to \$1,100,000 range. In a matter related to this legal action, another party has been awarded a claim of \$1,800,000. The Province will not appeal this decision.
- (b) A statement of claim has been served on the Corporation by a company claiming a breach of contract. The company is claiming special damages of \$811,040, other general and unspecified damages, interest and costs associated with the action. The likelihood of loss as a result of this claim is not determinable.

6. Commitments

The Corporation has outstanding commitments in respect of approved but not yet disbursed loans, equity investments and/or grants in the amount of \$3,849,300 (2007 - \$4,505,631).

7. Contributed capital

Contributed capital represents accumulated capital contributions from the Province and the Government of Canada. These contributions are used for the purpose of making loans, equity investments, and providing business and market development grants. The Corporation depends on these capital contributions to carry out its mandate.

BUSINESS INVESTMENT CORPORATION
NOTES TO FINANCIAL STATEMENTS
31 March 2008

8. Accounting changes

During the year, the Corporation made the following two accounting changes:

(a) Costs of operations

The Corporation is administered as a division of the Department of Innovation, Trade and Rural Development, and expenses related to salaries, accommodations and administration are paid directly by the Department. In previous years, no provision was made in the Corporation's financial statements to reflect these costs, as an estimate was not practicably determinable. While an amount was provided in the related party transactions note in the Corporation's statements for the year ended 31 March 2007, the amount was considered an approximation only. During the year ended 31 March 2008, the Corporation was able to obtain a reasonable estimate of these costs. Accordingly, related expenses have been recorded in these financial statements along with an offsetting revenue amount from the Province.

(b) Contributions received from the Province

During the year ended 31 March 2007, the Province adjusted how it records advances issued to the Corporation, to reflect what it considers the true substance of the advances. The Province no longer records these amounts as receivable from the Corporation: they are now recorded as a grant expense. Therefore, the Corporation can no longer record these advances as capital contributions: they are now recorded as part of its operating revenue.

The Corporation has accounted for these changes retrospectively, with comparative information presented being restated. As a result, the Corporation's previously reported revenues for the year ended 31 March 2007 increased by \$1,587,062, and previously reported expenses increased by \$1,139,988, for a net increase in revenues over expenses of \$447,074. Also, the amount previously reported as contributed capital on the Statement of Equity decreased by \$10,953,110, with a corresponding decrease in the amount previously reported as accumulated deficit, resulting in no net change in recorded equity.

9. Financial instruments

The Corporation's financial instruments recognized on the balance sheet, in addition to the long-term investments described in Note 4, consist of cash, loans and equity investments, and borrowers' deposits. The carrying values of cash and borrowers' deposits approximate current fair value due to their nature and the short-term maturity or current market rate associated with these instruments.

The Corporation's loans and equity investments are recognized on the balance sheet at cost with provision being made for any decline in their value. Any estimated impairment of these loans and equity investments has been provided for through an allowance for decline in value and no further credit risk exists for these items. The carrying value of loans and equity investments approximates discounted value of expected receipts. Therefore, their carrying values approximate their current fair value and these instruments are not subject to any material interest rate risk.

BUSINESS INVESTMENT CORPORATION
NOTES TO FINANCIAL STATEMENTS
31 March 2008

10. Related party transactions

The Corporation is administered as a division of the Department of Innovation, Trade and Rural Development. Expenses related to salaries, accommodations and administration totaling \$870,557 (2007 -\$587,062) are paid directly by the Department and are reflected in these financial statements as expenses of the Corporation and as revenue from the Province.

11. Economic dependence

As a result of the Corporation's reliance on Provincial funding, the Corporation's ability to continue viable operations is dependent upon the decisions of the Province.

12. Income taxes

The Corporation is a Crown entity of the Province of Newfoundland and Labrador and as such is not subject to Provincial or Federal income taxes.

13. Comparative figures

Certain figures in the 2007 financial statements have been reclassified to conform with the basis of presentation used in 2008.

OFFICE OF THE AUDITOR GENERAL
St. John's, Newfoundland and Labrador

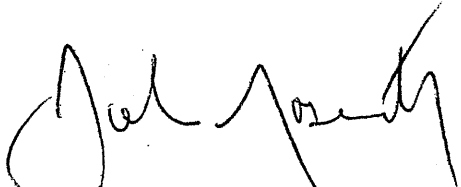

AUDITOR'S REPORT

To the Board of Commissioners
C.A. Pippy Park Commission
St. John's, Newfoundland and Labrador

I have audited the consolidated balance sheet of the C.A. Pippy Park Commission as at 31 March 2006 and the consolidated statements of revenues, expenses and surplus, and cash flows for the year then ended. These financial statements are the responsibility of the Commission's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these consolidated financial statements present fairly, in all material respects, the financial position of the Commission as at 31 March 2006 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

C.A. PIPPY PARK COMMISSION
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
31 March 2006

Authority

The C.A. Pippy Park Commission (the Commission) was incorporated in 1968 and operates under authority of the *Pippy Park Commission Act*. The purpose of the Commission is to provide a park-like setting to house the headquarters of the Provincial Government, as well as various government, cultural, educational facilities and Memorial University of Newfoundland. Its affairs are managed by a Board of Commissioners, the majority of whom are appointed by the Lieutenant-Governor in Council.

The C.A. Pippy Park Golf Course Limited (the Golf Course) was incorporated on 6 January 2006 under Section 15 of the *Corporations Act*. It is a wholly owned subsidiary of the Commission, incorporated in accordance with Section 25(b)(i) of the *Pippy Park Commission Act*. Its purpose is to manage the Pippy Park Golf Course.

1. Significant accounting policies

These consolidated financial statements have been prepared by the Commission's management in accordance with Canadian generally accepted accounting principles. The budget disclosed in these consolidated financial statements is presented on a cash basis. Outlined below are the significant accounting policies followed.

(a) Principles of consolidation

The consolidated financial statements include the assets, liabilities and equity of the C.A. Pippy Park Commission and its subsidiary corporation, C.A. Pippy Park Golf Course Limited. Inter-entity transactions and balances have been eliminated in these consolidated financial statements.

(b) Capital assets

(i) All capital assets are capitalized at cost at the time of acquisition. Government assistance towards the acquisition of capital assets is deducted from the related capital asset cost with any amortization calculated on the net amount. Amortization is calculated using the declining balance method based on the expected future life of all assets as follows:

Furniture, equipment and vehicles	30%
Recreation centres	10%
Buildings	10%
Park improvements	10%
Golf course improvements	10%
Equipment under capital lease	30%

(ii) Many capital assets have been financed through capital grants from the Province of Newfoundland and Labrador. The expended portion of these grants is deducted from capital assets on the consolidated balance sheet. The unexpended portion is reported in the equity section on the consolidated balance sheet.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
31 March 2006

1. Significant accounting policies (cont.)

(iii) The cost of building acquisitions is included with land where the primary reason for purchasing the properties is to acquire the land. Where the Commission intends to maintain the buildings for Park use, cost is allocated between land and buildings.

(c) Severance pay

Severance pay is calculated based on years of service and current salary levels for management employees and those employees covered by the General Service Collective Agreement. The entitlement to severance pay vests after nine years of continual service, and accordingly no provision has been made in the accounts for employees with less than nine years of continual service. The amount is payable when the employee ceases employment in the public service. If the employee transfers to another entity included in the public service, then the liability is transferred with the employee to the other entity except for management employees of the Golf Course and those Golf Course employees covered by the General Service Collective Agreement. Other Golf Course employees do not qualify for severance pay.

(d) Deferred revenue

Deferred revenue represents revenue related to future operating periods. The revenue will be reported in the applicable future period to which it relates.

(e) Inventory

Inventory is valued at the lower of cost and net realizable value. Cost is determined on a first-in, first-out basis.

C.A. PIPPY PARK COMMISSION
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
31 March 2006

3. Capital assets (cont.)

(a) Capital assets not included in consolidated financial statements

Land purchased directly by the Provincial Government and forming part of C.A. Pippy Park is not recorded in these consolidated financial statements. The land recorded in these consolidated financial statements represents land purchased directly by the Commission.

Capital improvements made by third parties are not recorded in these consolidated financial statements.

(b) Title to Commission property

Under Section 10(4) of the *Pippy Park Commission Act*, title to property of the Commission is vested in the name of the Minister of Finance, for the Crown.

4. Demand loans

As a result of the cancellation of the Management Agreement (see Note 9) with Thomas Development (1989) Corporation, the Commission assumed responsibility for the outstanding debt of Thomas Development (1989) Corporation. At 31 March 2006, this outstanding debt consisted of the following:

<u>Description</u>	<u>Rate</u>	
Demand Loan	Prime + 1.5%	\$ 150,000
Demand Loan	Prime + 1.5%	75,117
Demand Loan	Prime + 1.5%	<u>74,667</u>
		<u>\$ 299,784</u>

The Commission paid off the outstanding debt in full on 6 July 2006.

2009	9,154
2010	<u>4,699</u>
	224,712
Less: interest portion of payments	<u>26,066</u>
	<u>\$ 198,646</u>

The capital leases are secured by equipment having a net book value of \$169,250.

6. Advance from Province of Newfoundland and Labrador

On 30 March 2001, the Commission received a repayable advance in the amount of \$250,000 from the Province of Newfoundland and Labrador. There are no set terms of repayment. The advance payable remained outstanding at year end.

7. Unexpended capital funds

The amounts recorded as unexpended capital funds were provided by the Province of Newfoundland and Labrador in the past to assist the Commission with the acquisition of capital assets. Transactions occurring in the unexpended capital funds account during the year were:

	<u>2006</u>	<u>2005</u>
Balance, beginning of year	\$ 65,886	\$ 69,842

8. Related party transactions

- (a) During the year, the Commission received \$350,000 (2005 - \$400,000) from the Province.
- (b) Services and rental revenue includes revenues from the Province in the amount of \$151,707 (2005 - \$140,718) as a result of ongoing contracts.

9. Golf course

In August 1989, the Province of Newfoundland and Labrador (the Province) and the Commission entered into a lease agreement with Thomas Development (1989) Corporation (TDC) wherein the Province provided land, previously purchased by the Commission and included within the boundaries of C.A. Pippy Park, and TDC agreed to construct an 18-hole golf course along with an access road. The lease had an initial term of ten (10) years and provided for a maximum of three (3) five-year extensions for a total of twenty-five (25) years.

TDC surrendered the lease on 20 November 1997 and entered into a Management Agreement with the Commission for the management and operation of both the 9-hole and the 18-hole golf courses which had a term from 20 November 1997 to 31 December 2004. This Agreement was extended for an additional year.

Under the terms of the Management Agreement, TDC was required to pay management fees of \$250,000 to the Commission for each of the years 2002 through 2006. Management fees of \$250,000 for 2002 were subsequently waived by the Commission, while management fees for 2003 through 2005, totalling \$750,000, remained outstanding and were considered doubtful of collection.

In December 2005, the Commission notified TDC of its intent to cancel the Management Agreement. On 31 January 2006, the Commission cancelled the Management Agreement, took possession of the golf courses and related assets, and assumed certain liabilities of TDC in full satisfaction of the management fees owing for 2002 through 2005 (totalling \$1,000,000, which had either been waived or were considered doubtful of collection), management fees of \$250,000 for 2006, and any outstanding trade receivables due to the Commission from TDC.

On 6 January 2006, the Commission incorporated a wholly owned subsidiary, C. A. Pippy Park Golf Course Limited, for the purpose of managing the Golf Course.

	<u>\$ 946,240</u>	<u>\$ 355,000</u>	<u>\$ 378,945</u>

12. Pensions

Commission staff participate in two separate pension plans. Management staff and staff represented by the Newfoundland and Labrador Association of Public and Private Employees are subject to the *Public Service Pensions Act*. Employee contributions are matched by the Commission and then remitted to the Province of Newfoundland and Labrador Pooled Pension Fund from which pensions will be paid to employees when they retire. The Commission's share of pension contributions for 2006 was \$35,999 (2005 - \$42,717).

Commission staff represented by the United Food and Commercial Workers' Union participate in the Canadian Commercial Workers' Industry Plan from which pensions will be paid to employees when they retire. Employee contributions are matched by the Commission and then remitted to the Canadian Commercial Workers' Industry Plan. The Commission's share of pension contributions for 2006 was \$0.

13. Operating lease obligation

A vehicle has been leased for a three-year term commencing 1 July 2005. Minimum lease payments for the next three years are as follows:

2007	\$ 4,666
2008	4,666
2009	1,167

14. Contingent liability

On 18 August 2006, a Statement of Claim was served on the Commission by Dr. Anne Williams. This Statement of Claim relates to a claim against the assets assumed from Thomas Development (1989) Corporation by the C.A. Pippy Park Commission under the terms of the Management Agreement for the operation of the Golf Course. The likelihood of loss as a result of this Statement of Claim is not determinable and the amount of loss is not reasonably estimable at this time.

15. Financial instruments

The Commission's financial instruments recognized on the consolidated balance sheet consist of cash, accounts receivable, accounts payable and accrued liabilities, demand loans, and obligations under capital lease. The carrying values of these instruments approximate current fair value due to their nature and the short-term maturity associated with them. Any estimated impairment of accounts receivable has been provided for through an allowance for doubtful accounts and no further credit risk exists in relation to these receivables.

16. Economic dependence

As a result of its reliance on future transfers from the Province of Newfoundland and Labrador to fund its operations, the Commission's ability to continue operations is dependent on the decisions of the Province.

17. Measurement uncertainty

The preparation of these consolidated financial statements in accordance with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses for the year.

18. Income taxes

The Commission is a Crown entity of the Province of Newfoundland and Labrador and as such is not subject to Provincial or Federal income taxes.

19. Comparative figures

Certain figures in the 2005 financial statements have been reclassified to conform with the basis of presentation used in 2006.

FINANCIAL STATEMENTS

31 MARCH 2007

OFFICE OF THE AUDITOR GENERAL
St. John's, Newfoundland and Labrador

AUDITOR'S REPORT

To the Chairperson and Members
C.A. Pippy Park Golf Course Limited
St. John's, Newfoundland and Labrador

I have audited the balance sheet of the C.A. Pippy Park Golf Course Limited as at 31 March 2007 and the statements of revenues, expenses and surplus, and cash flows for the year then ended. These financial statements are the responsibility of the Corporation's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Corporation as at 31 March 2007 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

Authority

The C.A. Pippy Park Golf Course Limited (the Corporation) was incorporated on 6 January 2006 under Section 15 of the *Corporations Act*. It is a wholly owned subsidiary of the C.A. Pippy Park Commission (the Commission), incorporated in accordance with Section 25(b)(i) of the *Pippy Park Commission Act*. The purpose of the Corporation is to manage the Pippy Park Golf Course on behalf of Commission. The Pippy Park Golf Course is comprised of the 9 hole Captain's Hill Course, the 18 hole Admiral's Green Course and the Admiral's Green Clubhouse.

1. Significant accounting policies

These financial statements have been prepared by the Corporation's management in accordance with Canadian generally accepted accounting principles. The budget disclosed in these financial statements is presented on a cash basis. Outlined below are the significant accounting policies followed.

(a) Capital assets

All capital assets are capitalized at cost at the time of acquisition. Amortization is calculated using the declining balance method based on the expected future life of all assets as follows:

Course maintenance equipment	30%
Golf carts	30%
Equipment	30%
Office equipment	30%
Proshop rental equipment	30%
Golf carts under capital lease	30%
Course maintenance equipment under capital lease	30%
Office equipment under capital lease	30%

(b) Severance pay

Severance pay is calculated based on the years of service and current salary levels. The entitlement to severance pay vests with management employees and those employees covered by the General Service Collective Agreement between the Corporation and the Newfoundland and Labrador Association of Public and Private Employees. The entitlement to severance pay vests after nine years of continual service, and accordingly no provision has been made in the accounts for employees with less than nine years of continual service. The amount is payable when the employee ceases employment with the Corporation.

(c) Deferred revenue

Deferred revenue represents revenue related to future operating periods. The revenue will be reported in the applicable future period to which it relates.

11. Pensions

Corporation staff participate in two separate pension plans.

The Corporation's management, and staff represented by the Newfoundland and Labrador Association of Public and Private Employees, are subject to the *Public Service Pensions Act*. Employee contributions are matched by the Corporation and then remitted to the Province of Newfoundland and Labrador Pooled Pension Fund from which pensions will be paid to employees when they retire. The Corporation's share of pension contributions for 2007 was \$5,117 (2006 - \$19).

Corporation staff represented by the United Food and Commercial Workers Union participate in the Canadian Commercial Workers' Industry Pension Plan from which pensions will be paid to employees when they retire. Employee contributions are matched by the Corporation and then remitted to the Canadian Commercial Workers' Industry Pension Plan. The Corporation's share of pension contributions for 2007 was \$7,145 (2006 - \$0).

12. Financial instruments

The Corporation's financial instruments recognized on the balance sheet consist of cash, accounts receivable, accounts payable and accrued liabilities, and obligations under capital lease. The carrying values of these instruments approximate current fair value due to their nature and the short term maturity associated with them.

13. Measurement uncertainty

The preparation of these financial statements in accordance with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses for the year.

14. Economic dependence

The Corporation manages the Pippy Park Golf Course on behalf of the Commission. As a result, its ability to continue operations is dependent upon the decisions of the Commission.

15. Income taxes

The Corporation is a wholly owned subsidiary of a Crown entity of the Province of Newfoundland and Labrador and as such, is not subject to Provincial or Federal income taxes.

OFFICE OF THE AUDITOR GENERAL
St. John's, Newfoundland and Labrador

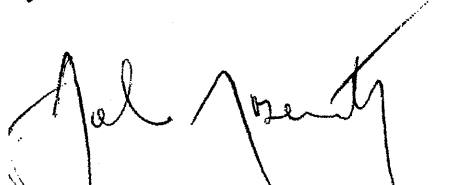

AUDITOR'S REPORT

To the Board of Commissioners
C.A. Pippy Park Commission
St. John's, Newfoundland and Labrador

I have audited the consolidated balance sheet of the C.A. Pippy Park Commission as at 31 March 2008 and the consolidated statements of revenues, expenses and surplus, and cash flows for the year then ended. These financial statements are the responsibility of the Commission's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these consolidated financial statements present fairly, in all material respects, the financial position of the Commission as at 31 March 2008 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

C.A. PIPPY PARK COMMISSION
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
31 March 2008

Authority

The C.A. Pippy Park Commission (the Commission) was incorporated in 1968 and operates under authority of the *Pippy Park Commission Act*. The purpose of the Commission is to provide a park-like setting to house the headquarters of the Provincial Government, as well as various government, cultural, educational facilities and Memorial University of Newfoundland. Its affairs are managed by a Board of Commissioners, the majority of whom are appointed by the Lieutenant-Governor in Council.

The C.A. Pippy Park Golf Course Limited (the Golf Course) was incorporated on 6 January 2006 under Section 15 of the *Corporations Act*. It is a wholly owned subsidiary of the Commission, incorporated in accordance with Section 25(b)(i) of the *Pippy Park Commission Act*. Its purpose is to manage the Pippy Park Golf Course.

1. Significant accounting policies

These consolidated financial statements have been prepared by the Commission's management in accordance with Canadian generally accepted accounting principles. The budget disclosed in these consolidated financial statements is presented on a cash basis. Outlined below are the significant accounting policies followed.

(a) Principles of consolidation

The consolidated financial statements include the assets, liabilities and equity of the C.A. Pippy Park Commission and its subsidiary corporation, C.A. Pippy Park Golf Course Limited. Inter-entity transactions and balances have been eliminated in these consolidated financial statements.

(b) Capital assets

(i) All capital assets are capitalized at cost at the time of acquisition. Government assistance towards the acquisition of capital assets is deducted from the related capital asset cost with any amortization calculated on the net amount. Amortization is calculated using the declining balance method based on the expected future life of all assets as follows:

Furniture and equipment	30%
Vehicles	30%
Equipment under capital lease	30%
Buildings	10%
Park improvements	10%
Golf course improvements	10%

(ii) Many capital assets have been financed through capital grants from the Province of Newfoundland and Labrador. The expended portion of these grants has been deducted from the applicable capital assets on the consolidated balance sheet and amortization has been calculated on the net amount.

C.A. PIPPY PARK COMMISSION
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
31 March 2008

1. Significant accounting policies (cont.)

(iii) The cost of building acquisitions is included with land where the primary reason for purchasing the properties is to acquire the land. Where the Commission intends to maintain the buildings for Park use, cost is allocated between land and buildings.

(c) Severance pay

Severance pay is calculated based on years of service and current salary levels for management employees of the Commission and those employees represented by the Newfoundland and Labrador Association of Public and Private Employees. The entitlement to severance pay vests after nine years of continual service, and accordingly no provision has been made in the accounts for employees with less than nine years of continual service. For employees of the Commission, the amount is payable when the employee ceases employment in the public service. If an employee of the Commission transfers to another entity included in the public service, then the liability is transferred with the employee to the other entity. For Golf Course employees represented by the Newfoundland and Labrador Association of Public and Private Employees the amount is payable when the employee ceases employment with the Corporation. Other Golf Course employees do not qualify for severance pay.

(d) Deferred revenue

Deferred revenue represents revenue related to future operating periods. The revenue will be reported in the applicable future period to which it relates.

(e) Inventory

Inventory is valued at the lower of cost and net realizable value. Cost is determined on a first-in, first-out basis.

(a) Capital assets not included in consolidated financial statements

Land purchased directly by the Provincial Government and forming part of C.A. Pippy Park is not recorded in these consolidated financial statements. The land recorded in these consolidated financial statements represents land purchased directly by the Commission.

Capital improvements made by third parties are not recorded in these consolidated financial statements.

(b) Title to Commission property and value of land

Under Section 10(4) of the *Pippy Park Commission Act*, title to property of the Commission is vested in the name of the Minister of Finance, for the Crown. Therefore, capital grants received from the Province for the purchase of land have been deducted from the total cost of the land purchased.

6. Advance from Province of Newfoundland and Labrador

On 30 March 2001, the Commission received a repayable advance in the amount of \$250,000 from the Province of Newfoundland and Labrador. There are no set terms of repayment. The advance payable remained outstanding at year end.

7. Unexpended capital funds

The amounts recorded in previous years as unexpended capital funds were provided by the Province of Newfoundland and Labrador in the past to assist the Commission with the acquisition of capital assets. These funds were exhausted during 2007 as follows:

	<u>2008</u>	<u>2007</u>
Balance, beginning of year	\$ -	\$ 65,886
Less: purchases of capital assets	-	65,886
<u>Balance, end of year</u>	<u>\$ -</u>	<u>\$ -</u>

8. Contingent liabilities

(a) On 18 August 2006, a Statement of Claim was served on the Commission by Dr. Anne Williams. This Statement of Claim relates to a claim against the assets assumed from Thomas Development (1989) Corporation by the C.A. Pippy Park Commission under the terms of the Management Agreement for the operation of the Golf Course. This matter is expected to be formally discontinued during the 2008 calendar year.

(b) In 1997, a Statement of Claim was served on the Commission in dispute of conveyance of property situated at Nagle's Place. The property, within the boundary of Pippy Park, was purchased in 1997 by the Department of Works, Services and Transportation (now the Department of Transportation and Works). After the owners passed away, there was a dispute over share of the estate between the remaining children. The status of the issue between the parties is unclear, even though this issue was dropped from the trial list by consent of the parties some time ago. This matter has not been formally closed and action has been initiated to formally discontinue this matter during the 2008 calendar year.

9. Related party transactions

(a) During the year, the Commission received an operating grant of \$350,000 (2007 - \$350,000) from the Province.

(b) Services and rental revenue includes revenues from the Province in the amount of \$160,146 (2007 - \$152,438) as a result of ongoing contracts.

14. Pensions

Management staff and staff represented by the Newfoundland and Labrador Association of Public and Private Employees are subject to the *Public Service Pensions Act*. Employee contributions are matched by the Commission and then remitted to the Province of Newfoundland and Labrador Pooled Pension Fund from which pensions will be paid to employees when they retire. The Commission's share of these pension contributions for 2008 was \$45,809 (2007 - \$35,203).

Commission staff represented by the United Food and Commercial Workers' Union participate in the Canadian Commercial Workers' Industry Plan from which pensions will be paid to employees when they retire. Employee contributions are matched by the Commission and then remitted to the Canadian Commercial Workers' Industry Plan. The Commission's share of these pension contributions for 2008 was \$7,424 (2007 - \$7,145).

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
31 March 2008

15. Operating lease obligation

A vehicle has been leased for a three-year term commencing 1 July 2005. Minimum lease payments for the next year is as follows:

2009	\$ 1,167
------	----------

16. Financial instruments

The Commission's financial instruments recognized on the consolidated balance sheet consist of cash, accounts receivable, accounts payable and accrued liabilities, and obligations under capital lease. The carrying values of these instruments approximate current fair value due to their nature and the short-term maturity associated with them. Any estimated impairment of accounts receivable has been provided for through an allowance for doubtful accounts and no further credit risk exists in relation to these receivables.

17. Economic dependence

As a result of its reliance on future transfers from the Province of Newfoundland and Labrador to fund its operations, the Commission's ability to continue operations is dependent on the decisions of the Province.

18. Measurement uncertainty

The preparation of these consolidated financial statements in accordance with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses for the year.

19. Income taxes

The Commission is a Crown entity of the Province of Newfoundland and Labrador and as such is not subject to Provincial or Federal income taxes.

20. Comparative figures

Certain figures in the 2007 financial statements have been reclassified to conform with the basis of presentation used in 2008.

CENTRAL REGIONAL HEALTH AUTHORITY
AUDITORS' REPORT
FINANCIAL STATEMENTS - MARCH 31, 2008

AUDITORS' REPORT

To the Board of Trustees of the **Central Regional Health Authority**

We have audited the consolidated balance sheet of the **Central Regional Health Authority** as at March 31, 2008 and the statements of changes in net assets, operations and cash flow for the year then ended. These financial statements are the responsibility of the Authority's management. Our responsibility is to express an opinion on these consolidated financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Authority as at March 31, 2008 and the results of its operations and the changes in its cash flow for the year then ended in accordance with Canadian generally accepted accounting principles.

CENTRAL REGIONAL HEALTH AUTHORITY

Notes to the Financial Statements

March 31, 2008

1. Nature of operations:

These financial statements reflect the operating assets, liabilities, revenue and expenditure of the following facilities and clinics operated by the Central Regional Health Authority.

Facilities

A. M. Guy Memorial Health Centre	Green Bay Community Health Centre
Baie Verte Peninsula Health Centre	James Paton Memorial Regional Health Centre
Bonnews Lodge Apartment Complex	Lakeside Homes
Brookfield Bonnews Health Care Centre	North Haven Manor Senior Citizens Home
Carmelite House Senior Citizens Home	North Haven Manor Cottages
Central Newfoundland Regional Health Centre	Notre Dame Bay Memorial Health Care
Central Northeast Health Foundation Inc.	South and Central Health Foundation
Connaigre Peninsula Community Health Centre	Valley Vista Senior Citizens Home
Dr. Hugh Twomey Health Care Centre	Valley Vista Cottages
Fogo Island Health Care	

Clinics

Carmanville	LaScie
Centreville	Lewisporte
Eastport	Mose Ambrose
Gambo	Musgrave Harbour
Gander Bay	New World Island
Glovertown	St. Alban's
Hare Bay	St. Brendan's
Hermitage	

The operations of the above entities were primarily funded by the Government of Newfoundland and Labrador (the Government) to provide health care services on the Government's behalf, causing all entities to be effectively under common control. As a result, these financial statements have been prepared using the pooling of interest method of accounting. Under this method, the book values of assets, liabilities and net assets of each of the entities being combined, are added together to form the combined value of assets, liabilities and net assets of the Authority.

2. Summary of significant accounting policies:

These financial statements have been prepared in accordance with generally accepted accounting principles. Outlined below are those policies considered particularly significant by the Authority.

Investments

Investments restricted for general endowment fund are recorded at cost.

CENTRAL REGIONAL HEALTH AUTHORITY

Notes to the Financial Statements

March 31, 2008

2. Summary of significant accounting policies (continued):

Inventories

Inventories are valued determined on the first in first out basis, as follows:

General stores, at average cost
Drugs, at cost

Property, plant and equipment

The Authority has control over certain lands, buildings and equipment, with the title resting with the Government and consequently these assets are not recorded under property, plant and equipment.

Purchased property, plant and equipment are recorded at cost. Contributed property, plant and equipment are recorded at fair value at the date of contribution. Property, plant and equipment are being amortized on a declining balance basis over their useful lives, at the following rates:

Land improvements	5%
Buildings and service equipment	5%
Information systems equipment	33.3%
Equipment	12.5%
Motor vehicles	20.0%

In addition, the North Haven Manor Cottage Units Phase I, II, III, North Haven Manor Cottage Units Phase IV, Valley Vista Cottages, Bonnews Lodge Apartment Complex buildings and equipment are being amortized at a rate equal to the annual principal reduction of the mortgages related to the properties. This is in accordance with an operating agreement with Newfoundland and Labrador Housing Corporation.

Replacement reserves

Newfoundland and Labrador Housing Corporation (NLHC) requires that Not-for-Profit Housing groups maintain a Replacement Reserve Fund which is to be used to fund major maintenance and the purchase of property, plant and equipment. These funds may only be used as approved by NLHC. Withdrawals are charged to interest first and then principal.

Transactions in the reserves are shown in Note 14.

Revenue recognition

Central Regional Health Authority follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Contributions related to property, plant and equipment are deferred and amortized to revenue at the same rates which the related property, plant and equipment are amortized.

Interest subsidy:

The Authority has received federal assistance through Canada Mortgage and Housing Corporation pursuant to Section 56.1 of the National Housing Act to reduce operating costs. The amount of assistance received from Newfoundland and Labrador Housing Corporation in 2008 was \$107,256 (2007 - \$108,452) for operating facilities and \$360,833 (2007 - \$345,032) for the Authority's Cottage operations.

12. Obligations under capital lease:

The Authority has entered into a number of agreements whereby it leases certain equipment for a term of five years. These leases are accounted for as capital leases with the Authority treating the equipment as an acquisition of an asset and the assumption of an obligation. The effective interest rates range from 5.37% to 7.534%.

The following is a schedule of future minimum lease payments under the capital leases:

16. Commitments (continued):

Energy performance contract

The Authority entered into Energy Performance Contracts during 2001 and 2000 with Enerplan Consultants Ltd. for the design and implementation of measures to improve energy efficiency, wherein Enerplan guaranteed the energy savings component.

The contracts were crystallized at \$4,450,214 and \$1,247,329 and are being repaid from operating and energy savings over a ten year period having commenced in August, 2002 and January, 2000, respectively.

These contracts were financed through the Canadian Imperial Bank of Commerce for Central West and Associates Capital Limited.

As support for this financing, Enerplan Consultants Ltd., has assigned to the financiers any funds due to them by the Authority for the energy savings component of the contract.

In the opinion of management of the Authority, the guaranteed energy savings component of Enerplan Consultants Ltd. is an offset to the obligations of the Authority to the Canadian Imperial Bank of Commerce and Associates Capital Limited and as a consequence neither the capital expenditures or the financing obligations are reflected in these financial statements of the Authority at March 31, 2008.

17. Contingency

As of March 31, 2008 there were a number of legal claims against the Authority in varying amounts for which no provision has been made. It is not possible to determine the amounts, if any, that may ultimately be assessed against the Authority with respect to these claims, but management and the insurers believe any claims, if successful, will be covered by liability insurance.

COLLEGE OF THE NORTH ATLANTIC
AUDITORS' REPORT
FINANCIAL STATEMENTS - MARCH 31, 2008

AUDITORS' REPORT

To the Board of Governors of the **College of the North Atlantic**

We have audited the statement of financial position of the **College of the North Atlantic** as at March 31, 2008 and the statements of operations, changes in net assets and cash flow for the year then ended. These financial statements are the responsibility of the Board's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the College as at March 31, 2008, and the results of its operations and the changes in net assets and cash flows for the year then ended, in accordance with Canadian generally accepted accounting principles.

Notes to Financial Statements
For the twelve months ending March 31, 2008

Authority and Purpose

The College of the North Atlantic (the College) operates under the authority of the College Act, 1996, Province of Newfoundland and Labrador. In accordance with Section 6 of the College Act, 1996, the College is a statutory crown corporation and as such is not subject to either Federal or Provincial income taxes and is exempt from Municipal taxes. The College is Newfoundland and Labrador's public college. The College is committed to providing accessible, responsive, quality learning opportunities which prepare people to become self-sufficient contributors to social and economic development both in a provincial and global context.

1 Significant accounting policies:

The financial statements of the College have been prepared within the framework of Canadian generally accepted accounting principles which requires the use of estimates and assumptions that affect the amounts reported and disclosed in these statements and related notes. Any variations between these estimates and actual amounts are not expected to materially affect reported results. The more significant accounting policies of the College are as follows:

(a) *Revenue recognition*

The College follows the deferral method of accounting for contributions which includes donations and government grants. Grants for expenditures of future periods are deferred and recognized as revenue in the year in which the related expenditures were incurred. Grants for capital assets are deferred and recognized as revenue on the same basis as the acquired capital assets are amortized.

Revenue from contractual services is recognized as the service is delivered.

(b) *Basis of accounting*

The College follows the accrual basis of accounting.

(c) *Inventory*

Inventory which consists mainly of books and food supplies is recorded at the lower of cost or net realizable value.

College of the North Atlantic
Notes to Financial Statements
For the twelve months ending March 31, 2008

(d) *Property, Plant & Equipment*

Property, plant & equipment recorded prior to the April 1, 1997 amalgamation of the former Colleges are recorded at either cost, nominal, or approximate fair value. Property, plant & equipment acquired after April 1, 1997 are recorded at cost. Amortization is recorded on a straight line basis using the following estimated useful lives:

Artwork	No amortization
Capital improvements	10 and 5 years
ERP - Peoplesoft	10 years
Computer and peripherals	3 years
Furnishings	5 years
Instructional equipment	5 years
Other electronic equipment	5 years
Software	3 years
Vehicles	5 years

One half year's amortization is taken in the year of acquisition.

No amortization is recorded for assets under development.

The value of donated artwork has not been recorded in these financial statements.
An accurate valuation of donated artwork has not been obtained at March 31, 2008.

On disposal, property, plant & equipment are removed from the accounts at their net book value.
Proceeds from disposals are recorded and any resulting gain or loss on disposal is realized.

(e) *Severance and vacation pay*

The College is liable for severance pay to employees who have nine or more years of continuous public service. An amount has been recorded in the financial statements to reflect this liability. No provision for severance has been made for employees with less than the required years of service.

(f) *Foreign Currencies*

Transactions in foreign currencies are recorded in Canadian dollars at the date of the transaction.
Monetary assets and liabilities denominated in foreign currencies are translated at the Statement of Financial Position date. Exchange gains or losses arising from the translations are included in the Statement of Operations.

9 Commitments

Deloitte Inc. Commitment

The College has entered into a contract with Deloitte Inc. to develop and maintain a PeopleSoft integrated computerized information system. Committed payments over the next three years are as follows:

2008-2009	1,315,430
2009-2010	1,476,310
2010-2011	379,172

Lease Commitment

The College leases some equipment and facilities under long-term operating leases. Lease payments for the next five years, committed under operating leases extending beyond one year, are as follows:

2008-2009	1,154,954
2009-2010	1,099,279
2010-2011	1,060,095
2011-2012	1,013,598
2012-2013	1,013,598

10 Comprehensive Agreement with the State of Qatar

The College has a comprehensive agreement with the State of Qatar to establish, operate and administer a College of Applied Arts and Technology in Doha, Qatar for a period, September 30, 2001 to August 31, 2012. The agreement is funded by the State of Qatar. For its services, the College is paid an annual Management Fee of 10% of base salaries. The College receives quarterly advances to cover cash flow requirements.

11 Contingent liability

Court actions have been initiated in Qatar by former employees to claim end-of-service gratuities equaling three (3) weeks salary for each year employed. Based on legal advice, management feels that the College is not liable. At this time, the amount, if any, of such potential claims is undeterminable.

12 Rental accrual

As a result of a new lease between the Roman Catholic Episcopal Corporation for Labrador and the Government of Newfoundland and Labrador, entered into on September 1, 2007, the College has recovered \$2,734,561 in unpaid lease payments and related interest for the rental of the former Notre Dame Academy, the Labrador West campus. The new lease provides the College with total relief of its liability owing to the corporation.

13 Financial instruments

The carrying values of cash and cash equivalents, accounts receivable, accounts payable and accrued liabilities, approximate their fair values due to the relatively short periods to maturity of these instruments.

14 Comparative figures

Certain of the 2007 comparative figures have been reclassified to conform to the financial presentation adopted in 2008.

AUDITORS' REPORT

To Conseil Scolaire Francophone Provincial de Terre-Neuve-et-Labrador

We have audited the statement of financial position of the Conseil scolaire francophone provincial de Terre-Neuve-et-Labrador as at June 30, 2007 and the related statements of current revenues, expenditures and Board equity, statement of cash flows and statement of changes in capital fund position for the year then ended. These financial statements are the responsibility of the Board's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Board as at June 30, 2007 and the results of its operations and changes in its financial position for the year then ended in accordance with Canadian generally accepted accounting principles and as explained in Note 1 to the financial statements, and are in compliance with reporting requirements established for School Boards in the Province of Newfoundland and Labrador by the Department of Education.

**Notes to the Financial Statements
Year Ended June 30, 2007**

1. Significant Accounting Policies:

The accompanying financial statement have been prepared on a fund accounting basis which is generally accepted for School Districts. Fund accounting can be defined as "accounting procedures in which a self balancing group of accounts is provided for each fund". It is customary for School Districts to account separately for the current and capital funds.

A summary of significant accounting policies adopted by the District, relating to their use of fund accounting, is as follows:

- a) Grants received by the District are recorded in either the current or capital funds depending on their source. Grants from the Department of Education are treated as current revenues while those from the province in regard to capital projects are recorded as capital revenues.
- b) Capital asset additions are recorded at full cost in the capital fund and are amortized over their useful lives.
- c) Capital assets are amortized using the straight line method based on the following number of years:
 - School buildings - 40 years
 - Furniture - 10 years
 - Equipment - 10 years
 - Computers - 4 years
- d) Funding relating to capital assets is deferred and amortized according to the same method used for the assets to which it relates.
- e) The School board has acquired, in certain cases, land for its buildings without cost. In other cases, the board obtained authorization to use the land without ownership, as long as the properties are used for educational purposes. In the case where the land is board property, value determinations were not possible, meaning that the fair market value was not recorded.
- f) The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Such estimates include providing for amortization of capital assets. Actual results could differ from these estimates.

5. Accrued Severance Leave

The amount of \$57,777 for teachers' severance costs and the amount of \$2,540 for non-teaching staff severance costs are included in expenses. The amount of \$164,873 for teachers' severance costs and the amount of \$28,128 for non-teaching staff severance costs for a total of \$193,001 are included in the liabilities.

The adjustment for teachers' severance pay is required by the Department of Education of the Government of Newfoundland and Labrador and has no impact on the operation of the School Board. No account receivable is included in the accounts to offset this liability.

The accrued severance leave for non-teaching personnel is funded out of the board's regular operating grants.

6. Reserve

In accordance with leases with the tenants of the Centre scolaire et communautaire des Grand-Vents in St. John's, this reserve constitutes funds that management has designated as restricted funds to allow for the future purchase of computer equipment and major renovations of the building.

FINANCIAL STATEMENTS

31 MARCH 2007

OFFICE OF THE AUDITOR GENERAL
St. John's, Newfoundland and Labrador

AUDITOR'S REPORT

To the Minister of Government Services
St. John's, Newfoundland and Labrador

I have audited the balance sheet of the Consumer Protection Fund for Prepaid Funeral Services as at 31 March 2007 and the statements of revenues, expenses and deficit, and cash flows for the year then ended. These financial statements are the responsibility of the Fund's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Consumer Protection Fund for Prepaid Funeral Services as at 31 March 2007 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

CONSUMER PROTECTION FUND FOR PREPAID FUNERAL SERVICES
NOTES TO FINANCIAL STATEMENTS
31 March 2007

Authority

The Consumer Protection Fund for Prepaid Funeral Services (the Fund) was established under the *Prepaid Funeral Services Act* for the purpose of paying in whole or in part, claims arising out of a prepaid funeral contract against a person who holds or held a licence under the *Act*.

1. Significant accounting policies

These financial statements have been prepared by the Fund's management in accordance with Canadian generally accepted accounting principles. Significant accounting policies adopted by management are as follows:

(a) Cash and cash equivalents

Cash and cash equivalents consists of cash on hand, balances with banks, net of any overdrafts, and a revolving demand credit facility.

(b) Revenue recognition

Assessment revenue is recognized as cash is received as this is the point that measurability is determined.

2. Bank indebtedness

The Fund has a \$200,000 revolving demand credit facility guaranteed by the Government of Newfoundland and Labrador. Interest is charged at the bank's prime rate. As at 31 March 2007, \$121,688 (2006 - \$158,580) had been drawn down on this line of credit.

3. Liability for claims arising from prepaid funeral services contracts

The liability for claims arising from prepaid funeral services contracts resulted from the failure of a funeral home in Port aux Basques in November 2000 where 88 customers had purchased prepaid funerals totalling \$492,790. An additional claim has also been recognized for a customer who was not included in the original liability. During the year 2 claims (2006 - 4) relating to these prepaid funeral services contracts were paid by the Fund. As at 31 March 2007, 31 individuals had outstanding contracts. Details of the change in the liability are as follows:

	<u>2007</u>	<u>2006</u>
Liability, beginning of year	\$ 206,804	\$ 229,324
Payment of claims during the year	(13,047)	(22,520)
Liability, end of year	\$ 193,757	\$ 206,804

CONSUMER PROTECTION FUND FOR PREPAID FUNERAL SERVICES
NOTES TO FINANCIAL STATEMENTS
31 March 2007

3. Liability for claims arising from prepaid funeral services contracts (cont.)

The liability includes the Harmonized Sales Tax (HST) portion of contracts which have been paid by the Fund totalling \$21,461 as at 31 March 2007 (2006 - \$20,809). It has been determined that the Fund should not withhold paying the HST included on these contracts. This amount has been paid subsequent to year end.

4. Restitution Order

A Restitution Order in the amount of \$500,029 is in place against the owner of the failed funeral home in Port aux Basques. This Restitution Order has been registered in the province where the owner now resides. The Assurance Fund has also initiated garnishee proceedings in that province. The Fund has not collected anything under the garnishment order and is unable to determine at this time what amount, if any, will be collected.

5. Assessments

A seller of prepaid funeral services is required to pay to the Fund between 1% and 5% of the cost of each prepaid funeral contract depending on the amount held in trust. During the year, \$61,759 (2006 - \$37,933) was paid to the Fund.

6. Financial instruments

The Fund's financial instruments recognized on the balance sheet consist of cash, accounts receivable, bank indebtedness, and accounts payable and accrued liabilities. The carrying values of these instruments approximate current fair value due to their nature and the short-term maturity associated with them.

7. Related party transactions

The Fund is administered by employees of the Department of Government Services. The costs of administration are paid directly by the Department and are not reflected in these financial statements. The costs of administration are offset by licence fees collected by the Department.

8. Income taxes

The Fund is a Crown entity of the Province of Newfoundland and Labrador and as such is not subject to Provincial or Federal income taxes.

The liability for claims arising from prepaid funeral services contracts resulted from the failure of a funeral home in Port aux Basques in November 2000 where 88 customers had purchased prepaid funerals totalling \$492,790. An additional claim has also been recognized for a customer who was not included in the original liability. During the year 5 claims (2007 - 2) relating to these prepaid funeral services contracts were paid by the Fund. On 28 June 2007, it was determined that the Fund should not withhold the HST included on these contracts. The amount of \$21,461 was paid out during the year relating to HST on all claim payments made to date by the Fund. Details of the change in the liability are as follows:

	<u>2008</u>	<u>2007</u>
Liability, beginning of year	\$ 193,757	\$ 206,804

4. Restitution Order

A Restitution Order in the amount of \$500,029 is in place against the former owner of the failed funeral home in Port aux Basques. This Restitution Order has been registered in the Province where the owner now resides. The Fund has also initiated garnishee proceedings in that Province. The Fund has not collected anything under the garnishment order and is unable to determine at this time what amount, if any, will be collected.

5. Assessments

A seller of prepaid funeral services is required to pay to the Fund an amount that is 1% of the cost of each prepaid funeral contract. During the year, \$56,205 (2007 - \$61,759) was paid to the Fund.

6. Financial instruments

The Fund's financial instruments recognized on the balance sheet consist of cash, bank indebtedness, and accounts payable and accrued liabilities. The carrying values of these instruments approximate current fair value due to their nature and the short-term maturity associated with them.

7. Related party transactions

The Fund is administered by employees of the Department of Government Services. The costs of administration are paid directly by the Department and are not reflected in these financial statements. The costs of administration are offset by licence fees collected by the Department.

8. Income taxes

The Fund is a Crown entity of the Province of Newfoundland and Labrador and as such is not subject to Provincial or Federal income taxes.

AUDITOR'S REPORT

To the Directors of Credit Union Deposit Guarantee Corporation

I have audited the balance sheet of Credit Union Deposit Guarantee Corporation as at December 31, 2007, and the statements of income and fund balance and cash flow for the year then ended. These financial statements are the responsibility of the Corporation's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Corporation as at December 31, 2007 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

The financial statements for the previous years were reported on by another firm of chartered accountants who issued an unqualified opinion.

CREDIT UNION DEPOSIT GUARANTEE CORPORATION

Notes to Financial Statements

Year Ended December 31, 2007

1. DESCRIPTION OF BUSINESS

The Credit Union Deposit Guarantee Corporation (the "Corporation") is established as a corporation without share capital under the provisions of Section 176 of the Credit Union Act.

The Corporation guarantees the deposits of members of credit unions in the Province of Newfoundland and Labrador. This guarantee is supported by investments held by the Corporation.

2. CHANGES IN ACCOUNTING POLICIES

Effective January 1, 2007, the Corporation adopted the following new accounting standards that were issued by the Canadian Institute of Chartered Accountants (the "CICA"): Handbook Section 1530, Comprehensive Income, Section 3855, Financial Instruments – Recognition and Measurement, Section 3251, Equity and Section 3861, Financial Instruments – Disclosure and Presentation.

Impact upon adoption of these standards

These standards were applied retroactively as of January 1, 2007 without restatement of prior year's figures. There were no transition adjustments attributable to the remeasurement of financial assets and financial liabilities at fair value which would have been recognized in opening fund balance or opening accumulated other comprehensive income ("OCI") as of January 1, 2007 as the adjustments were not considered significant to these financial statements. Financial asset and financial liability classifications made by the Corporation as of January 1, 2007 have been disclosed in Note 3.

Comprehensive income

Section 1530 introduces comprehensive income, which consists of net income and other comprehensive income. OCI represents changes in equity during a period and includes unrealized gains and losses on financial assets classified as available for sale.

Financial instruments – recognition and measurement

Section 3855 establishes standards for recognizing and measuring financial assets, financial liabilities and non-financial derivatives. It requires that financial assets and liabilities, including derivatives, be recognized on the balance sheet when the Corporation becomes a party to the contractual provisions of the financial instrument or non-financial derivative contract. Under this standard, all financial instruments are required to be measured at fair value on initial recognition except for certain related party transactions. Measurement in subsequent periods depends on whether the financial instrument has been classified as held for trading, available for sale, held to maturity, loans and receivables, or other financial liabilities. Transaction costs are capitalized on initial recognition, except financial instruments designated as held for trading where transaction costs are expensed.

Financial assets and financial liabilities held for trading are measured at fair value with changes in those fair values recognized in other income. Financial assets held to maturity, loans and receivables, and other financial liabilities are measured at amortized cost using the effective interest method of amortization. Available for sale financial assets are presented as investments and measured at fair value with unrealized gains and losses, being recognized in OCI. Investments in equity instruments classified as available for sale that do not have a quoted market price in an active market are measured at cost. Derivative instruments are recorded at fair value, including those derivatives that are embedded in financial or non-financial contracts that are not closely related to the host contracts. Changes in the fair values of derivative instruments are recognized in other income with the exception of derivatives designated in effective cash flow hedges.

2. CHANGES IN ACCOUNTING POLICIES *(continued)*

Financial instruments - disclosure and presentation

Section 3861 establishes standards for presentation of financial instruments and non-financial derivatives, and identifies the relevant information to be disclosed.

Equity

Section 3251 establishes standards for the presentation of equity and changes in equity during the reporting period.

3. OTHER SIGNIFICANT ACCOUNTING POLICIES

Financial instruments

Financial assets and liabilities are initially recorded at fair value and their subsequent measurement is dependent on their classification as described below. The classification depends upon the purpose for which the financial assets were acquired or issued, their characteristics and the Corporations' designation of these financial instruments. Settlement date accounting is used.

Classification

Held for Trading

Held for trading financial assets are typically acquired for resale prior to maturity or designated as held for trading. They are measured at fair value on the balance sheet. Fair value fluctuations including interest earned, interest accrued, gains and losses realized on disposal and unrealized gains and losses are included in investment income.

Financial liabilities designated as held for trading are those non-derivative financial liabilities that the Corporation elects to designate on initial recognition as instruments that it will measure at fair value through other interest expense. These are accounted for in the same manner as held for trading assets. The Corporation has not designated any non-derivative financial liabilities as held for trading.

Held to Maturity

Held to maturity assets are non-derivative financial assets with fixed or determinable payments and a fixed maturity, other than loans and receivables, that an entity has the positive intention and ability to hold to maturity. These assets are measured at amortized cost using the effective interest method. As of December 31, 2007, the Corporation has not classified any of its financial assets as held to maturity.

Available for Sale

Available for sale financial assets are those non-derivative financial assets that are designated as available for sale, or that are not classified as loans and receivables, held for trading, or held to maturity. Except as mentioned below, available for sale financial assets are carried at fair value with unrealized gains and losses included in accumulated other comprehensive income until realized when the cumulative gain or loss is transferred to other income.

Available for sale financial assets that do not have quoted market prices in an active market are recorded at cost.

Interest on interest bearing available for sale financial assets is calculated using the effective interest method.

3. OTHER SIGNIFICANT ACCOUNTING POLICIES (continued)

Loans and receivables

Loans and receivables are recorded at amortized cost using the effective interest method.

Other Liabilities

Other liabilities are recorded at amortized cost using the effective interest method and include all financial liabilities other than derivative instruments.

The Corporation has classified its current financial instruments as follows:

Cash	Held for trading
Investments	Loans and receivables
Receivables	Loans and receivables
Bank indebtedness	Other liabilities
Accounts payable and accrued liabilities	Other liabilities

Cash

Cash consists of balances with banks.

Capital assets

Capital assets are stated at cost less accumulated amortization. Capital assets are amortized over their estimated useful lives at the following rates and methods:

Motor vehicles	30%	declining balance method
Computer equipment	30%	declining balance method
Furniture and fixtures	20%	declining balance method

The Corporation regularly reviews its capital assets to eliminate obsolete items.

Severance pay

Severance pay, which is included with accounts payable and accrued liabilities, is accrued for all employees for whom the right to such compensation is vested.

Revenue recognition

The Corporation recognizes assessment revenue based on a percentage of insured deposits of individual credit unions operating within the Province of Newfoundland & Labrador. Interest revenue is recognized based on the investment interest collected and accrued during the year, and bonding revenue is recognized based on a percentage of individual credit unions' assets plus a \$60,000 fee that is allocated to the Newfoundland and Labrador credit unions based on a pre-determined formula.

3. OTHER SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Assistance to credit unions

Assistance to credit unions is recorded only when it can be reasonably determined by the Corporation that such a payment will be required and when the Board of Directors has assessed the reasonableness of such a charge and authorized the assistance as a commitment of the Fund. The determination of the assistance requires the exercise of judgement because the precise amount, method and timing of such assistance is dependent on future events. The amount of actual assistance paid and possible future assistance is disclosed in the financial statements.

Pension costs

Employees of the Corporation other than the Executive Director are included in the Public Service Pension Plan of the Government of Newfoundland and Labrador. Contributions to the plans are required from both the employees and the Corporation. The annual contributions for pension are recognized in the accounts on a current basis. Contributions to this plan totalled \$18,942 (2006- \$18,062).

The Corporation also contributed to a private registered retirement savings plan for the Executive Director based on a percentage of his annual salary. Contributions to this plan totalled \$11,226 (2006- \$10,898.)

Future income taxes

The liability method of tax allocation is used in accounting for income taxes. Under this method, future tax assets and liabilities are determined based on differences between the financial reporting and tax basis of assets and liabilities, and measured using the substantially enacted tax rates and laws that will be in effect when the differences are expected to reverse.

Use of estimates

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as at the date of the financial statements and the reported amounts of revenue and expenses during the period. Actual results could differ from those estimates.

7. CONTINGENT LIABILITY

The Corporation has provided a deficiency guarantee to Eagle River Credit Union Limited in respect to certain loans outstanding in its accounts which arose from the acquisition of the net assets of Labrador Savings Credit Union Limited. There are 10 remaining loans guaranteed by the Corporation to Eagle River Credit Union Limited as a result of the amalgamation with Labrador Savings Credit Union Limited. At December 31, 2007, the balance of the guarantee is \$702,670 (2006 - \$926,758). Net payouts paid or payable by the Corporation under the guarantee for the year ended December 31, 2007 totalled \$152,539 (2006-\$202,694).

8. COMMITMENTS

The Corporation has entered into a lease agreement for office space which expires June 30, 2011. The amount of the annual rent payable is \$30,895.

AUDITOR'S REPORT

To the Director of Support Enforcement
Corner Brook, Newfoundland and Labrador

I have audited the balance sheet of the Director of Support Enforcement as at 31 March 2008 and the statement of receipts and disbursements for the year then ended. These financial statements have been prepared to meet the information needs of the Director of Support Enforcement and the Government of Newfoundland and Labrador under Section 9 of the *Support Orders Enforcement Act*. These financial statements are the responsibility of the Director. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Director of Support Enforcement as at 31 March 2008 and the receipts and disbursements for the year then ended in accordance with the basis of accounting described in Note 1 to the financial statements.

These financial statements, which have not been, and were not intended to be, prepared in accordance with Canadian generally accepted accounting principles, are solely for the information of the Director of Support Enforcement and the Government of Newfoundland and Labrador to meet their information needs under Section 9 of the *Support Orders Enforcement Act*. DIRECTOR OF SUPPORT ENFORCEMENT
NOTES TO FINANCIAL STATEMENTS
31 March 2008

Authority

The Director of Support Enforcement operates under the authority of the *Support Orders Enforcement Act*. Under this *Act*, the Director is responsible for enforcing court ordered support payments and for acting on behalf of the Attorney General in matters arising pursuant to the *Reciprocal Enforcement of Support Orders Act*.

1. Basis of accounting

These financial statements have been prepared by the Director in accordance with the significant accounting policies set out below to meet the information needs of the Director of Support Enforcement and the Government of Newfoundland and Labrador under Section 9 of the *Support Orders Enforcement Act*. The basis of accounting used in these financial statements materially differs from Canadian generally accepted accounting principles because all receipts and disbursements are being recognized on a cash basis and not all expenditures related to the operations of the Director are reflected in these statements.

Significant accounting policies

These financial statements are prepared on the cash basis of accounting. Outlined below are the significant accounting policies followed.

(a) Administrative expenditures

The Director of Support Enforcement, for administrative purposes, operates as a division of the Department of Justice. Therefore, expenditures related to salaries, accommodations and administration are absorbed by the Department of Justice and no provision has been made in these financial statements for the cost of these items.

(b) Assets and liabilities

Assets are comprised of amounts received or receivable from debtors while liabilities represent the corresponding amount due to creditors.

(c) Receipts and disbursements

Receipts are recorded when amounts are received from debtors and disbursements are recorded when amounts are paid to creditors. Amounts paid directly to creditors by debtors are recorded as out-of-system support while amounts received by the Director of Support Enforcement are recorded as regular support. Amounts refunded to debtors or remitted to the Province are recorded as other payments.

DIRECTOR OF SUPPORT ENFORCEMENT
NOTES TO FINANCIAL STATEMENTS
31 March 2008

2. Accounts receivable

Accounts receivable is comprised of amounts owing from debtors on registered support orders. The receivables are classified as follows:

	2008	2007
Unenforceable support orders		
Debtor out of Province – reciprocal enforcement support orders	\$ 9,038,582	\$ 8,327,430
Debtor in receipt of social assistance	2,020,578	3,610,661

	\$ 19,920,996	\$ 20,756,177

3. Other receivables

Other receivables \$3,915 (2007 - \$4,232) represent payments made to creditors when the corresponding debtor cheque was not negotiable or the payment was made in error.

4. Accounts payable

Accounts payable is comprised of amounts owing to creditors in accordance with registered support orders. The payables are classified as follows:

	2008	2007
Unenforceable support orders		
Debtor out of Province – reciprocal enforcement support orders	\$ 9,038,582	\$ 8,327,430
Debtor in receipt of social assistance	2,020,578	3,610,661

	\$ 20,539,021	\$ 21,306,421

DIRECTOR OF SUPPORT ENFORCEMENT
NOTES TO FINANCIAL STATEMENTS
31 March 2008

5. Other payables

Other payables of \$21,144 (2007 - \$21,900) represent funds which have not been assigned to any debtor account. These amounts may eventually be paid to the Newfoundland Exchequer Account.

6. Related party transactions

The Director of Support Enforcement operates as a division of the Department of Justice. Expenses related to salaries, accommodations and administration are paid directly to the Department and no provision is made in these financial statements to reflect these expenditures.

During the year the Director paid approximately \$2.4 million (2007 - \$2.5 million) to the Department of Human Resources, Labour and Employment related to support payments collected on behalf of individuals receiving social assistance.

7. Financial instruments

The Director's financial instruments recognized on the balance sheet consist of cash, accounts receivable, other receivables, accounts payable and other payables. The carrying values of these instruments approximate current fair value due to their nature and the short-term maturity associated with them.

8. Income taxes

The Director of Support Enforcement operates as a division of the Department of Justice and as such is not subject to Provincial or Federal income taxes.

We have audited the statement of financial position of the Discovery Health Care Foundation Inc. as at March 31, 2008 and the statements of operations and changes in net assets and cash flows for the year then ended. These financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audit.

Except as explained in the following paragraph, we conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In common with many charitable organizations, the Foundation derives its revenues from donations and other fundraising activities, the completeness of which is not susceptible to conclusive audit verification. Accordingly, our verification of these revenues was limited to the amount recorded in the records of the Foundation and we were not able to determine whether any adjustments might be necessary to revenue, excess of expenditures over revenue, assets and net assets.

In our opinion, except for the effect of adjustments, if any, we might have determined to be necessary had we been able to satisfy ourselves concerning the completeness of the revenues referred to in the preceding paragraph, these financial statements present fairly, in all material respects, the financial position of the Foundation as at March 31, 2008 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

The comparative figures for the year ended March 31, 2007 were audited by another firm of chartered accountants.

Notes to the Financial Statements

March 31, 2008

1. Nature of operations

The Foundation is a registered charitable organization created to raise funds for the Eastern Regional Integrated Health Authority and is incorporated under the Corporations Act of Newfoundland and Labrador.

2. Significant accounting policies

Use of estimates

In preparing the Foundation's financial statements in conformity with Canadian generally accepted accounting principles, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and reported amounts of revenue and expenses during the year. Actual results could differ from these estimates.

Cash and cash equivalents

Cash and cash equivalents include cash on hand, balance with banks, and temporary investments consisting of guaranteed investment certificates. Temporary investments are classified as held for trading financial instruments and are recorded at fair market value.

Revenue recognition

Revenue from donations is recognized in the accounts of the Foundation in the year in which it is received.

Capital assets

Capital assets are recorded at cost and amortized on a straight-line basis over five years.

Severance pay

Severance pay is accounted for on an accrual basis and is calculated based upon years of service and current salary levels. Severance pay is only recorded in the accounts for employees who have a vested right to receive such a payment. No provision for the ultimate severance pay liability is made in the accounts for any employee who does not have a vested right to the payment. The amount is payable when the employee ceases employment with the Foundation.

Pension costs

Employees of the Foundation are included in the Public Services Pension Plan and the Government Money Purchase Plan (the "Plans") administered by the Government of Newfoundland and Labrador. Contributions to the Plans are required from both the employees and the Foundation. The annual contributions for pensions are recognized as an expense in the accounts on a current basis.

Discovery Health Care Foundation Inc.

Notes to the Financial Statements

2. Significant accounting policies (cont'd.)

Impairment of long-lived assets

Long-lived assets are reviewed for impairment upon the occurrence of events or changes in circumstances indicating that the value of the assets may not be recoverable, as measured by comparing their net book value to the estimated undiscounted cash flows generated by their use. Impaired assets are recorded at fair value, determined principally using discounted future cash flows expected from their use and eventual disposition.

Accounting standards and policies adopted during the year

(i) Accounting changes

In July 2006, the Canadian Institute of Chartered Accountants ("CICA") issued section 1506 of the CICA Handbook, "Accounting Changes", which describes the criteria for changing accounting policies, along with the accounting and disclosure for changes in accounting policies, changes in accounting estimates and correction of errors. These changes came into effect as of January 1, 2007 and are applicable for the Foundation's year ended March 31, 2008.

(ii) Financial instruments

On April 1, 2007, the Foundation implemented the CICA Handbook Sections 3855, "Financial Instruments - Recognition and Measurement", and 3861, "Financial Instruments - Disclosure and Presentation".

CICA Section 3855, "Financial Instruments - Recognition and Measurement", requires the Foundation to revalue all of its financial assets and liabilities, at fair value on the initial date of implementation and at each subsequent financial reporting date.

This standard also requires the Foundation to classify financial assets and liabilities according to their characteristics and management's choices and intentions related thereto for the purposes of ongoing measurements. Classification choices for financial assets include: a) held for trading - measured at fair value with changes in fair value recorded in net earnings; b) held to maturity - recorded at amortized cost with gains and losses recognized in net earnings in the year that the asset is no longer recognized or impaired; c) available for sale - measured at fair value with changes in fair value recognized in net assets for the current year until realized through disposal or impairment; and d) loans and receivables - recorded at amortized cost with gains and losses recognized in net earnings in the year that the asset is no longer recognized or impaired.

Classification choices for financial liabilities include: a) held for trading - measured at fair value with changes in fair value recorded in net earnings and b) other - measured at amortized cost with gains and losses recognized in net earnings in the year that the liability is no longer recognized. Subsequent measurement for these assets and liabilities are based on either fair value or amortized cost using the effective interest method, depending upon their classification. Any financial asset or liability can be classified as held for trading as long as its fair value is reliably determinable.

Discovery Health Care Foundation Inc.

Notes to the Financial Statements

March 31, 2008

2. Significant accounting policies (cont'd.)

In accordance with the new standard, the Foundation's financial assets and liabilities are generally classified and measured as follows:

<u>Asset/Liability</u>	<u>Classification</u>	<u>Measurement</u>
Cash and cash equivalents	Held for trading	Fair value
Receivables	Receivables	Amortized cost
Payables and accruals	Other liabilities	Amortized cost

Other balance sheet accounts, such as capital assets, are not within the scope of the new accounting standards as they are not financial instruments.

The fair value of a financial instrument is the estimated amount that the Foundation would receive or pay to terminate the instrument agreement at the reporting date. To estimate the fair value of each type of financial instrument, various market value data was used as appropriate. The fair values of cash approximated its carrying value.

Section 3861, "Financial Instruments - Disclosure and Presentation", which replaces 3860, of the same title, establishes standards for the presentation of financial instruments and non-financial derivatives, and identifies the information that should be disclosed about them.

Based on managerial review and valuation of the Foundation's financial instruments, no significant differences between carrying value and fair value were identified. Therefore, no transitional adjustments were required.

Future changes in accounting policies

(i) Financial Instruments - Disclosure and Presentation

CICA Section 3862, "Financial Instruments - Disclosure" and Section 3863, "Financial Instruments - Presentation" replaces CICA Section 3861, "Financial Instruments - Disclosure and Presentation". CICA Section 3862 requires increased disclosures regarding the risks associated with financial instruments such as credit risk, liquidity risk and market risks and the techniques used to identify, monitor and manage these risks. Section 3863 carries forward standards for presentation of financial instruments and non-financial derivatives and provides additional guidance for the classification of financial instruments, from the perspective of the issuer, between liabilities and equity. These standards are effective for financial statements relating to fiscal years beginning on or after October 1, 2007.

The Foundation does not expect the adoption of these standards to have a significant impact on its financial disclosure and results of operations.

Auditors' Report

To the Directors of
Dr. H. Bliss Murphy Cancer Care Foundation

We have audited the statement of financial position of Dr. H. Bliss Murphy Cancer Care Foundation as at March 31, 2007 and the statements of operations, changes in net assets and cash flows for the year then ended. These financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audit.

Except as explained in the following paragraph, we conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In common with many charitable organizations, the Foundation derives certain of its revenue from the general public in the form of donations and other fundraising activities, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amount recorded in the records of the Foundation and we were not able to determine whether any adjustments might be necessary to revenue, excess of revenue over expenditure, assets and net assets.

In our opinion, except for the effect of adjustments, if any, which we might have determined to be necessary had we been able to satisfy ourselves concerning the completeness of revenues referred to in the preceding paragraph, these financial statements present fairly, in all material respects, the financial position of the Foundation as at March 31, 2007 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

Notes to Financial Statements

March 31, 2007

1. NATURE OF OPERATIONS

The Foundation was incorporated under the laws of the Province of Newfoundland and Labrador on October 12, 2004. The Dr. H. Bliss Murphy Cancer Care Foundation develops, stewards, and distributes charitable resources to enhance treatment and supportive care programs for cancer patients; funds local cancer research initiatives and provides continuing education opportunities for staff of the Dr. H. Bliss Murphy Cancer Care Foundation and affiliated regional cancer programs in Newfoundland and Labrador.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements have been prepared in accordance with Canadian generally accepted accounting principles, the more significant of which are as follows:

Fund accounting

The Foundation follows the restricted fund method of accounting for contributions.

The unrestricted net assets reports unrestricted resources and operating expenses.

The restricted net assets presented in these financial statements report resources on which stipulations are imposed as to how the funds must be used. Externally restricted net assets are governed by the contributors of the funds. The Endowment Fund principal is externally restricted and disbursement of interest revenue earned is governed by the Board.

Revenue recognition

The Foundation follows the restricted fund method of accounting for contributions. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Contributions externally restricted for purposes other than endowment are recognized as revenue of the appropriate restricted fund. Endowment contributions and interest are recognized as revenue of the endowment fund in the year.

In-kind contributions are recorded at fair value when determinable.

Cash and cash equivalents

Cash and cash equivalents include cash on hand and balances with banks.

Temporary investments

Temporary investments are recorded at cost unless there is a loss in value other than a temporary decline.

DR. H. BLISS MURPHY CANCER CARE FOUNDATION

Notes to Financial Statements

March 31, 2007

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Capital assets

Donated artwork is recorded at estimated fair market value at the date of acquisition and is not amortized.

Severance pay

Severance pay is accounted for on the accrual basis and is calculated based upon years of service and current salary levels. Severance pay is only recorded in the accounts for employees who have a vested right to receive such a payment. No provision for the ultimate severance pay liability is made in the accounts for any employee who does not have a vested right to the payment. The amount is payable when the employee ceases employment with the Foundation.

Pension costs

Employees of the Foundation are covered by the Public Service Pension Plan and the Government of Newfoundland and Labrador Money Purchase Plan. Contributions to the plans are required from both the employees and the Foundation. The annual contributions for pensions are recognized in the accounts on a current basis.

Use of estimates

In preparing the Foundation's financial statements in conformity with Canadian generally accepted accounting principles, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and reported amounts of revenue and expenditures during the year. Actual results could differ from these estimates.

To the Board of Trustees of Eastern Regional Health Authority

We have audited the statement of financial position of Eastern Regional Health Authority - Operating Fund at March 31, 2008 and the statements of operations, changes in net deficiency and cash flows for the year then ended. These financial statements are the responsibility of the Authority's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Authority as at March 31, 2008, and the results of its operations and cash flows for the year then ended in accordance with Canadian generally accepting accounting principles.

The comparative figures for the year ended March 31, 2007 were audited by another firm of chartered accountants.

Eastern Regional Health Authority - Operating Fund

Notes to the Financial Statements

March 31, 2008

(in thousands of dollars)

1. Nature of operations

The Eastern Regional Health Authority ("Eastern Health" or "the Authority") was created on April 1, 2005 to assume the responsibility of governance for health services in Eastern Region of Newfoundland and Labrador.

The mandate of Eastern Health spans the full health continuum including primary and secondary level health and community services for the Eastern Region (Avalon, Bonavista and Burin Peninsulas, west to Port Blandford) as well as tertiary and other provincial programs/services for the whole Province. The organization also has a mandate to work to improve the overall health of the population through its focus on public health as well as on health promotion and prevention initiatives. Services are both community and institutional based. In addition to the provision of comprehensive health care services, Eastern Health also provided education and research in partnership with all stakeholders.

Eastern Health is a registered charity and, while registered, is exempt from income tax.

2. Summary of significant accounting policies

Basis of presentation

These financial statements include the assets, liabilities, revenues, and expenditures of the operating fund.

Fund accounting

The Authority applies fund accounting principles in recording its financial transactions in the operating fund or net investment in capital assets.

The operating fund contains all the operating assets, liabilities, revenue and expenditures of the Authority related to the provision of health care services. The assets of the operating fund are available for the satisfaction of debts, contingent liabilities and commitments of the Authority.

The net investment in capital assets represents assets purchased for the use of the operating fund.

2. Summary of significant accounting policies (cont'd.)

Use of estimates

In preparing the Authority's financial statements in conformity with Canadian generally accepted accounting principles, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and reported amounts of revenue and expenditures during the year. Actual results could differ from these estimates.

Cash and cash equivalents

Cash and cash equivalents include cash on hand and balances with banks, net of any overdrafts. Bank borrowings are considered to be financing activities.

Inventory

Inventory is valued at average cost, determined on a first-in first-out basis.

Deferred charges

Deferred charges include costs incurred relating to an energy performance contract as disclosed in Note 14. The deferred charges are being amortized over the 9.75 year life of the energy performance contract.

Capital assets

Capital assets are recorded at cost, although title to certain of these assets rests with the Government of Newfoundland and Labrador (the "Government"). Contributed capital assets are recorded at their estimated fair value at the date of contribution. Minor equipment purchases are charged to operations in the year of acquisition. Depreciation is calculated on a straight-line basis and declining balance basis at the rates set out below.

Land improvements	10% -20%
Buildings and renovations	2% - 5%
Equipment	15% -20%
Equipment under capital leases	14.3% -25%
Leasehold improvements	10% -20%

Construction in progress is not depreciated until the project is substantially complete, at which time the project costs are transferred to buildings and renovations and depreciated accordingly.

2. Summary of significant accounting policies (cont'd.)

Impairment of long lived assets

Long-lived assets are reviewed for impairment upon the occurrence of events or changes in circumstances indicating that the value of the assets may not be recoverable, as measured by comparing their net book value to the estimated undiscounted cash flows generated by their use. Impaired assets are recorded at fair value, determined principally using discounted future cash flows expected from their use and eventual disposition.

Capital and operating leases

A lease that transfers substantially all of the benefits and risks associated with ownership of property is accounted for as a capital lease. At the inception of a capital lease, an asset and an obligation are recorded at an amount equal to the lesser of the present value of the minimum lease payments and the property's fair value. Assets acquired under capital leases are depreciated on the same basis as other similar capital assets. All other leases are accounted for as operating leases and the payments are expensed as incurred.

Capital contributions

Capital contributions are recorded as deferred contributions and amortized to income on the same basis and using the same rates as the depreciation expense related to the capital assets purchased. Capital contributions for capital assets that are not depreciated are recorded as direct increases in net assets.

Accrued vacation pay

Vacation pay is accrued for all employees as entitlement to these payments is earned.

Accrued severance pay

Severance pay is accounted for on an accrual basis and is calculated based upon years of service and current salary levels. Severance pay is only recorded in the accounts for employees who have a vested right to receive such a payment. No provision for severance pay is recorded in the accounts for any employee who has less than nine years of service. Severance is payable when the employee ceases employment with the Authority.

Eastern Regional Health Authority - Operating Fund

Notes to the Financial Statements

(in thousands of dollars)

2. Summary of significant accounting policies (cont'd.)

Revenue recognition

Provincial plan revenues are recognized in the period in which entitlement arises. MCP, inpatient, outpatient and residential revenues are recognized in the period services are provided. Revenue received for a future period is deferred until that future period and is reflected as deferred revenue.

Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

The Authority is reimbursed by the Department for the total of its operating costs, after deduction of specified revenue and expenditures, to the extent of the approved budget.

Pension costs

Employees of the Authority are included in the Public Service Pension Plan and Government Money Purchase Plan administered by the Government. Contributions to the plans are required from both the employees and the Authority. The annual contributions for pensions are recognized as an expense in the accounts on a current basis.

Debenture discount and commission

The debenture discount and financing fees are amortized on a straight-line basis over the term of the debenture.

Sinking funds

Sinking funds established for the retirement of debentures are held and administered in trust by the Government.

(in thousands of dollars)

2. Summary of significant accounting policies (cont'd.)

Contributed services

A substantial number of volunteers contribute a significant amount of their time each year to assist Eastern Health in carrying out its service delivery activities. Because of the difficulty in determining fair value, contributed services are not recognized in the financial statements.

Accounting standards and policies adopted during the year

(i) Accounting changes

In July 2006, the Canadian Institute of Chartered Accountants ("CICA") issued Section 1506 of the CICA Handbook, "Accounting Changes", which describes the criteria for changing accounting policies, along with the accounting and disclosure for changes in accounting policies, changes in accounting estimates and correction of errors. These changes came into effect as of January 1, 2007 and are applicable for the Authority's year ended March 31, 2008.

(ii) Financial instruments

On April 1, 2007, the Authority implemented the CICA Handbook Sections 3855, "Financial Instruments - Recognition and Measurement" and 3861, "Financial Instruments - Disclosure and Presentation".

This new standard, Section 3855, "Financial Instruments - Recognition and Measurement", requires the Authority to revalue all of its financial assets and liabilities, including any derivatives and embedded derivatives in certain contracts, at fair value on the initial date of implementation and at each subsequent financial reporting date.

This standard also requires the Authority to classify financial assets and liabilities according to their characteristics and management's choices and intentions related thereto for the purposes of ongoing measurements. Classification choices for financial assets include: a) held for trading - measured at fair value with changes in fair value recorded in net earnings; b) held to maturity - recorded at amortized cost with gains and losses recognized in net earnings in the period that the asset is no longer recognized or impaired; c) available-for-sale - measured at fair value with changes in fair value recognized in net assets for the current period until realized through disposal or impairment; and d) loans and receivables - recorded at amortized cost with gains and losses recognized in net earnings in the period that the asset is no longer recognized or impaired.

Classification choices for financial liabilities include: a) held for trading - measured at fair value with changes in fair value recorded in net earnings and b) other - measured at amortized cost with gains and losses recognized in net earnings in the period that the liability is no longer recognized. Subsequent measurement for these assets and liabilities are based on either fair value or amortized cost using the effective interest method, depending upon their classification. Any financial asset or liability can be classified as held for trading as long as its fair value is reliably determinable.

Eastern Regional Health Authority - Operating Fund

Notes to the Financial Statements

March 31, 2008

(in thousands of dollars)

2. Summary of significant accounting policies (cont'd.)

In accordance with the new standard, the Authority's financial assets and liabilities are generally classified and measured as follows:

<u>Asset/Liability</u>	<u>Classification</u>	<u>Measurement</u>
Cash and cash equivalents	Held for trading	Fair value
Receivables	Loans and receivables	Amortized cost
Payables and accruals	Other liabilities	Amortized cost
Long term debt and obligations under capital leases	Other liabilities	Amortized cost

Other balance sheet accounts, such as supplies inventory, prepaids, deferred charges, capital assets, deferred revenue – operating, deferred capital grants, and deferred capital contributions are not within the scope of the new accounting standards as they are not financial instruments.

Embedded derivatives are required to be separated and measured at fair values if certain criteria are met. Under an election permitted by the new standard, management reviewed contracts issued, acquired, or modified on or after April 1, 2003, and determined that the Authority does not currently have any significant embedded derivatives in its contracts that require separate accounting treatment.

The fair value of a financial instrument is the estimated amount that the Authority would receive or pay to terminate the instrument agreement at the reporting date. To estimate the fair value of each type of financial instrument, various market value data and other valuation techniques were used as appropriate. The fair values of cash approximated its carrying value.

Financial instruments - disclosure and presentation

Section 3861, "Financial Instruments - Disclosure and Presentation", which replaces 3860, of the same title, establishes standards for the presentation of financial instruments and non-financial derivatives, and identifies the information that should be disclosed about them.

Based on managerial review and valuation of the Authority's financial instruments, no significant differences between carrying value and fair value were identified. Therefore, no transitional adjustments were required.

Eastern Regional Health Authority - Operating Fund

Notes to the Financial Statements

March 31, 2008

(in thousands of dollars)

2. Summary of significant accounting policies (cont'd.)

Future changes in accounting policies

(i) Inventories

In March 2007, the CICA issued Section 3031 "Inventories", which has replaced existing Section 3030 with the same title. The new Section established that inventories should be measured at the lower of cost and net realizable value, with guidance on the determination of cost. This standard is effective for financial statements relating to fiscal years beginning on or after January 1, 2008.

(ii) Financial Instruments – Disclosure and Financial Instruments - Presentation

Section 3862 "Financial Instruments – Disclosure" and Section 3863 "Financial Instruments – Presentation" replaces Section 3861, "Financial Instruments – Disclosure and Presentation". Section 3862 requires increased disclosures regarding the risks associated with financial instruments such as credit risk, liquidity risk and market risks and the techniques used to identify, monitor and manage these risks. Section 3863 carries forward standards for presentation of financial instruments and non-financial derivatives and provides additional guidance for the classification of financial instruments, from the perspective of the issuer, between liabilities and equity. These standards are effective for financial statements relating to fiscal years beginning on or after October 1, 2007.

The Authority does not expect the adoption of these standards to have a significant impact on its financial disclosure and results of operations.

3. Control of not-for-profit entities

The Authority controls the Health Care Foundation - St. John's Inc., Janeway Children's Hospital Foundation, Ever Green Environmental Corporation, Trinity-Conception-Placentia Health Foundation Inc., The Burin Peninsula Health Care Foundation Inc., Discovery Health Care Foundation Inc. and the Dr. H. Bliss Murphy Cancer Care Foundation. These Foundations raise funds from the community for the capital equipment needs of the Authority. The Foundations are incorporated under the Corporations Act of Newfoundland and Labrador and are registered charities under the Income Tax Act.

The Authority also controls the General Hospital Hostel Association, Northwest Rotary-Janeway Hostel Corporation, Lions Manor Inc., TCRHB Housing Complex Inc., Blue Crest Cottages and Golden Heights Manor Cottages. These entities were established to provide accommodations for family members of patients and housing to senior citizens.

Eastern Regional Health Authority - Operating Fund

Notes to the Financial Statements

(in thousands of dollars)

3. Control of not-for-profit entities (cont'd.)

Eastern Health has memoranda of understanding/governance agreements with the following nursing home owner/operators ("homes") in the region:

- Masonic Park – Nursing Home
- Saint Luke's Home (A Division of Anglican Homes Inc.)
- St. Patrick's Mercy Home
- The Agnes Pratt Home
- The Salvation Army Glenbrook Lodge
- The Pentecostal Assemblies Benevolent Association of Newfoundland and Labrador - Clarke's Beach Senior Citizens' Home

Eastern Health is responsible for policy direction, distribution of operating funds and capital grants, and providing certain services to homes, which are individually controlled entities.

The above not-for-profit entities have not been consolidated in the Authority's financial statements, however separate financial statements are available on request. Financial summaries of these non-consolidated entities as at March 31, 2008 and 2007 and for the years then ended are as follows (in thousands of dollars):

9. Long term debt (cont'd.)

During the year costs of \$1,809,918 were incurred relating to an extension to the Veterans Pavilion. The total project cost is estimated to be approximately \$3,000,000 and will be reimbursed to Eastern Health by the Department of Veteran's Affairs. The costs incurred during the year of \$1,808,918 were funded by operations and this amount has been classified as long term debt at year end as terms and conditions relating to long term financing arrangements for this project were under negotiation at year end, but not finalized. Subsequent to year end, in April 2008, proceeds of \$3,000,000 in the form of a five year term loan with the Royal Bank of Canada were received to fund this capital project.

A sinking fund was established for the retirement of the debenture and is to be held in trust by the Government. The annual principal payment to the sinking fund is \$747,500.

The interest and mandatory sinking fund payments of the debenture are guaranteed by the Government.

Annual principal repayments on long term debt in each of the next five years are as follows: 2009 - \$2,265; 2010 - \$2,416; 2011 - \$2,312; 2012 - \$2,349; and 2013 - \$2,463.

10. Obligations under capital leases

The Authority has acquired medical and surgical equipment under the terms of capital leases. Payments under the leases, scheduled to expire at various dates to March 31, 2009, are as follows:

11. Deferred capital contributions

Deferred capital contributions represent the unamortized portion of restricted contributions related to capital assets, which will be reported in revenue in future accounting periods. Deferred capital contributions are amortized on a basis and at a rate consistent with the amortization for the related capital asset purchased.

The changes in deferred capital contributions balance for the year are as follows:

13. Contingencies

Guarantees

The Authority has guaranteed a first mortgage of the General Hospital Hostel Association ("the Association") held by the Newfoundland and Labrador Housing Corporation. The balance of the mortgage outstanding at March 31, 2008 was \$1,423,931 (2007 - \$1,523,541).

The Authority has guaranteed an additional term loan of the Association held by the Royal Bank of Canada. The balance of the loan outstanding at March 31, 2008 was \$862,566 (2007 - \$901,994).

Management believes the Authority will not be called upon to honour these guarantees.

Legal claims

Over the years a number of claims have been filed against the Authority, including a class action suit that was certified by the courts against the Authority in 2007. An estimate of loss, if any, relative to these matters, is not determinable at this time and no provision has been recorded in the accounts for these matters. In the view of management, the Authority's insurance program adequately addresses the issue of risk of loss in these matters.

14. Commitments

Operating Leases

Under the terms of several long term operating leases related to hospital and office equipment, the Authority is committed to make approximate annual lease payments to March 31, 2013 as follows:

2009 - \$7,243; 2010 - \$6,403; 2011 - \$5,090; 2012 - \$3,447; and 2013 - \$2,856.

Energy Performance Contract

- The Authority entered into an Energy Performance contract on August 11, 1998 with The Enerplan/Rose Group for the design, implementation and monitoring of energy efficiency improvements. The cost of the contract was \$5,605,094. Lump sum amounts aggregating \$1,008,555 have been paid and recorded as deferred charges with the remaining balance of \$4,596,439 being financed by The Enerplan/Rose Group through CitiCapital Technology Finance Limited. The deferred charge amount is being amortized at \$103,442 annually for 9.75 years while the payments to The Enerplan/Rose Group are \$56,833 per month over a period of 9.75 years.

14. Commitments (cont'd.)

The Enerplan/Rose Group has assigned its payments under the contract to CitiCapital Technology Finance Limited. As at March 31, 2008 the outstanding balance of the financing through The Enerplan/Rose Group was \$1,952,803. The Authority's obligation for payment is limited to actual cost savings as The Enerplan/Rose Group has guaranteed the reduction in operating costs would equal or exceed the costs incurred under the contract.

Funding for the contract is from operating savings and has been approved in this manner by the Province of Newfoundland and Labrador. As a result, the monthly payments and the amortization of the deferred charges relating to lump sum amounts under the contract are being reported in the Authority's operating statements as a normal operating cost.

16. Correction of prior period error

During 2008, an error was identified in the amount of accrued severance pay reported in the 2007 audited financial statements resulting in an overstatement of the accrual for 2007 in the amount of \$9,031,782. This also resulted in an overstatement of the related expenditure and opening net assets (deficiency) by the same amount.

The Authority has corrected the error by decreasing the 2008 opening net deficiency of the operating fund by \$9,031,782. As a result of this change the 2007 accrued severance pay on the statement of financial position and the excess of expenditure over revenue on the statement of operations decreased by \$9,031,782.

17. Comparative figures

Certain of the 2007 comparative figures have been reclassified to conform with the financial statement presentation adopted for the current year.

Auditors' Report

To the Board of Trustees of
Eastern Regional Health Authority

We have audited the combined statement of financial position of Eastern Regional Health Authority – Cottages and Hostels as at March 31, 2007 and the combined statements of operations, changes in fund balances and cash flows and supplementary schedules for the year then ended. These financial statements have been prepared to comply with the mortgage agreements with Newfoundland and Labrador Housing Corporation. These financial statements are the responsibility of management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Eastern Regional Health Authority – Hostels and Cottages as at March 31, 2007 and the results of its operations and its cash flows for year then ended in accordance with the basis of accounting disclosed in Note 2 to the financial statements.

These financial statements, which have not been and were not intended to be, prepared in accordance with Canadian generally accepted accounting principles, are solely for the information and use of the Board of Trustees of Eastern Regional Health Authority – Cottages and Hostels and Newfoundland and Labrador Housing Corporation to comply with the mortgage agreements with Newfoundland and Labrador Housing Corporation. The financial statements are not intended to be and should not be used by anyone other than the specified users or for any other purpose.

EASTERN REGIONAL HEALTH AUTHORITY - COTTAGES AND HOSTELS

Notes to Combined Financial Statements

March 31, 2007

1. NATURE OF OPERATIONS

The cottage and hostel operation of Eastern Regional Health Authority (the "Organization") consists of two hostels and four cottage operations.

The prior year figures, presented for comparative purposes, reflect the financial position and operations of the following entities as if they had been combined since their inception in accordance with the continuity of interest method of accounting:

- General Hospital Hostel Association
- Northwest Rotary – Janeway Hostel Corporation
- Lions Manor Inc.
- TCRHB Housing Complex Inc.
- Golden Heights Manor Cottages
- Blue Crest Cottages

Certain of the prior year figures as reported by the above noted entities have been reclassified to conform with the current year presentation.

Hostels

The General Hospital Hostel Association was established to provide affordable, on-site accommodations to outpatients undergoing treatment and family members of inpatients.

On June 28, 2002 the extension to the Agnes Cowan Hostel was completed. At that time the Hostel assumed the services of the Northwest Rotary - Janeway Hostel Corporation.

The Hostels are incorporated under the Corporations Act of Newfoundland and are registered charities under the Income Tax Act.

Cottages

Lions Manor Inc.

Lions Manor Inc. was established to provide housing accommodations to senior citizens in Placentia and the surrounding area.

1. NATURE OF OPERATIONS (Continued)

TCRHB Housing Complex Inc.

TCRHB Housing Complex Inc. was established to provide housing accommodations for senior citizens in Old Perlican and the surrounding area.

Golden Heights Manor Cottages

Golden Heights Manor Cottages was established to provide housing accommodations for senior citizens in Bonavista and the surrounding area.

Blue Crest Cottages

The Blue Crest Cottages was established to provide housing accommodations for senior citizens in Grand Bank and the surrounding area.

Each of the above noted housing corporations is exempt from federal and provincial income tax in accordance with the Income Tax Act.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements have been prepared in accordance with significant accounting policies set out below to comply with the mortgage agreements with Newfoundland and Labrador Housing Corporation (NLHC). The basis of accounting used in these financial statements materially differs from Canadian generally accepted accounting principles because amortization is not provided on the buildings over the estimated useful life of the assets but rather at a rate equal to the annual principal reduction of the mortgage.

Revenue recognition

Revenues are recognized as earned and when collection is reasonably assured.

Cash and cash equivalents

Cash and cash equivalents include cash on hand and balances with banks. Bank borrowings are considered to be financing activities.

Capital assets

Capital assets are recorded at cost. Amortization on the buildings is recorded in an amount equal to the reduction in the related mortgage principal in the fiscal year. Amortization is recorded on equipment on a declining balance basis using a rate of 20%.

Capital contributions

Capital contributions are recorded as deferred capital contributions and amortized to income on the same basis as the capital assets to which the funding related.

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Accrued severance pay

Severance pay is accounted for on an accrual basis and is calculated based upon years of service and current salary levels. Severance pay is only recorded in the accounts for employees who have a vested right to receive such a payment. Severance is payable when the employee ceases employment with the Organization.

Pension costs

Employees of the organization are covered by the Public Service Pension Plan and the Government Money Purchase Plan administered by the Government of Newfoundland and Labrador (the "Government"). Contributions to the plans are required from both the employees and the Organization. The annual contributions for pensions are recognized in the accounts on a current basis.

Use of estimates

In preparing the Organization's financial statements in conformity with Canadian generally accepted accounting principles; management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities. The disclosure of contingent assets and liabilities at the date of the financial statements, and reported amounts of revenue and expenses during the year. Actual results could differ from these estimates.

To the Board of Trustees of Eastern Regional Health Authority

We have audited the combined statement of financial position of Eastern Regional Health Authority - Cottages and Hostels at March 31, 2008 and the combined statements of operations, changes in net deficiency and cash flows for the year then ended. These financial statements have been prepared to comply with the mortgage agreements with Newfoundland and Labrador Housing Corporation. These financial statements are the responsibility of the Cottages' and Hostels' management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Cottages and Hostels as at March 31, 2008 and the results of its operations and cash flows for the year then ended in accordance with the basis of accounting disclosed in Note 2 to the financial statements.

These financial statements, which have not been and were not intended to be, prepared in accordance with Canadian generally accepted accounting principles, are solely for the information and use of the Board of Trustees of Eastern Regional Health Authority and Newfoundland and Labrador Housing Corporation to comply with the mortgage agreements with Newfoundland and Labrador Housing Corporation. The financial statements are not intended to be and should not be used by anyone other than the specified users or for any other purpose.

The comparative figures for the year ended March 31, 2007 were audited by another firm of chartered accountants.

Eastern Regional Health Authority - Cottages and Hostels

Notes to the Combined Financial Statements

March 31, 2008

1. Nature of operations

The cottage and hostel operations of Eastern Regional Health Authority (the "Authority") consists of two hostels and four cottage operations as follows:

General Hospital Hostel Association - Agnes Cowan Hostel
Northwest Rotary - Janeway Hostel Corporation
Lions Manor Inc.
TCRHB Housing Complex Inc.
Golden Heights Manor Cottages
Blue Crest Cottages

Hostels

The General Hospital Hostel Association was established to provide affordable, on-site accommodations to outpatients undergoing treatment and family members of inpatients in St. John's and the surrounding area. On June 28, 2002 the Hostel assumed the services of the Northwest Rotary - Janeway Hostel Corporation.

The Hostels are incorporated under the Corporations Act of Newfoundland and Labrador and are registered charities under the Income Tax Act.

Cottages

Lions Manor Inc.

Lions Manor Inc. was established to provide housing accommodations to senior citizens in Placentia and the surrounding area.

TCRHB Housing Complex Inc.

2. Summary of significant accounting policies

Basis of accounting

The financial statements have been prepared in accordance with significant accounting policies set out below to comply with the mortgage agreements with Newfoundland and Labrador Housing Corporation (NLHC). The basis of accounting used in these financial statements materially differs from Canadian generally accepted accounting principles because amortization is not provided on the buildings over the estimated useful life of the buildings but rather at a rate equal to the annual principal reduction of the related mortgages.

Use of estimates

In preparing the Cottages' and Hostels' financial statements in conformity with Canadian generally accepted accounting principles, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and reported amounts of revenue and expenditures during the year. Actual results could differ from these estimates.

Cash and cash equivalents

Cash and cash equivalents include cash on hand and balances with banks.

Capital assets

Capital assets are recorded at cost. Contributed capital assets are recorded at their estimated fair value at the date of contribution. Depreciation on the buildings and renovations, land improvements, furniture and equipment, and fencing is recorded in an amount equal to the reduction in the related mortgage principal during the year. Depreciation on computer equipment is recorded on a declining balance basis using a rate of 20%.

Impairment of long-lived assets

Long-lived assets are reviewed for impairment upon the occurrence of events or changes in circumstances indicating that the value of the assets may not be recoverable, as measured by comparing their net book value to the estimated undiscounted cash flows generated by their use. Impaired assets are recorded at fair value, determined principally using discounted future cash flows expected from their use and eventual disposition.

Capital contributions

Capital contributions are recorded as deferred capital contributions and amortized to income on the same basis as the related capital assets are depreciated. Capital contributions on non-depreciable capital assets are recorded as direct increases in net assets.

Eastern Regional Health Authority - Cottages and Hostels

Notes to the Combined Financial Statements

March 31, 2008

2. Summary of significant accounting policies (cont'd.)

Accrued severance pay

Severance pay is accounted for on an accrual basis and is calculated based upon years of service and current salary levels. Severance pay is only recorded in the accounts for employees who have a vested right to receive such a payment. No provision for severance pay is recorded in the accounts for any employee who has less than nine years of service. Severance is payable when the employee ceases employment with the Cottages and Hostels.

Revenue recognition

Revenue is recognized as earned and when collection is reasonably assured.

Pension costs

Employees of the Cottages and Hostels are covered by the Public Service Pension Plan and the Government Money Purchase Plan administered by the Government of Newfoundland and Labrador (the "Government"). Contributions to the plans are required from both the employees and the Cottages and Hostels. The annual contributions for pensions are recognized as an expenditure in the accounts on a current basis.

Accounting standards and policies adopted during the year

(i) Accounting changes

In July 2006, the Canadian Institute of Chartered Accountants ("CICA") issued Section 1506 of the CICA Handbook, "Accounting Changes", which describes the criteria for changing accounting policies, along with the accounting and disclosure for changes in accounting policies, changes in accounting estimates and correction of errors. These changes came into effect as of January 1, 2007 and are applicable for the Cottages' and Hostels' year ended March 31, 2008.

(ii) Financial instruments

On April 1, 2007, the Cottages and Hostels implemented the CICA Handbook Sections 3855, "Financial Instruments - Recognition and Measurement" and 3861, "Financial Instruments - Disclosure and Presentation."

This new standard, Section 3855, "Financial Instruments - Recognition and Measurement", requires the Cottages and Hostels to revalue all of its financial assets and liabilities, including any derivatives and embedded derivatives in certain contracts, at fair value on the initial date of implementation and at each subsequent financial reporting date.

Eastern Regional Health Authority - Cottages and Hostels

Notes to the Combined Financial Statements

March 31, 2008

2. Summary of significant accounting policies (cont'd.)

This standard also requires the Cottages and Hostels to classify financial assets and liabilities according to their characteristics and management's choices and intentions related thereto for the purposes of ongoing measurements. Classification choices for financial assets include: a) held for trading - measured at fair value with changes in fair value recorded in net earnings; b) held to maturity - recorded at amortized cost with gains and losses recognized in net earnings in the period that the asset is no longer recognized or impaired; c) available-for-sale - measured at fair value with changes in fair value recognized in net assets for the current period until realized through disposal or impairment; and d) loans and receivables - recorded at amortized cost with gains and losses recognized in net earnings in the period that the asset is no longer recognized or impaired.

Classification choices for financial liabilities include: a) held for trading - measured at fair value with changes in fair value recorded in net earnings and b) other - measured at amortized cost with gains and losses recognized in net earnings in the period that the liability is no longer recognized. Subsequent measurement for these assets and liabilities are based on either fair value or amortized cost using the effective interest method, depending upon their classification. Any financial asset or liability can be classified as held for trading as long as its fair value is reliably determinable.

In accordance with the new standard, the Cottages' and Hostels' financial assets and liabilities are generally classified and measured as follows:

<u>Asset/Liability</u>	<u>Classification</u>	<u>Measurement</u>
Cash and cash equivalents	Held for trading	Fair value
Receivables	Loans and receivables	Amortized cost
Payables and accruals	Other liabilities	Amortized cost
Long term debt	Other liabilities	Amortized cost

Other balance sheet accounts, such as prepaids, capital assets, and deferred capital contributions are not within the scope of the new accounting standards as they are not financial instruments.

The fair value of a financial instrument is the estimated amount that the Cottages and Hostels would receive or pay to terminate the instrument agreement at the reporting date. To estimate the fair value of each type of financial instrument various market value data and other valuation techniques were used as appropriate. The fair value of cash approximated its carrying value.

Eastern Regional Health Authority -
Cottages and Hostels
Notes to the Combined Financial Statements
March 31, 2008

2. Summary of significant accounting policies (cont'd.)

Financial instruments - disclosure and presentation

Section 3861, "Financial Instruments - Disclosure and Presentation", which replaces 3860, of the same title, establishes standards for the presentation of financial instruments and non-financial derivatives, and identifies the information that should be disclosed about them.

Based on managerial review and valuation of the Cottages' and Hostels' financial instruments, no significant differences between carrying value and fair value were identified. Therefore, no transitional adjustments were required.

Future changes in accounting policies

(i) Financial Instruments - disclosure and financial instruments - presentation

Section 3862 "Financial Instruments – Disclosure" and Section 3863 "Financial Instruments – Presentation" replaces Section 3861, "Financial Instruments – Disclosure and Presentation". Section 3862 requires increased disclosures regarding the risks associated with financial instruments such as credit risk, liquidity risk and market risks and the techniques used to identify, monitor and manage these risks. Section 3863 carries forward standards for presentation of financial instruments and non-financial derivatives and provides additional guidance for the classification of financial instruments, from the perspective of the issuer, between liabilities and equity. These standards are effective for financial statements relating to fiscal years beginning on or after October 1, 2007.

The Cottages and Hostels does not expect the adoption of these standards to have a significant impact on its financial disclosure and results of operations.

AUDITOR'S REPORT

To the Board Members of:
Eastern School District

I have audited the balance sheet of the current and capital funds of the Eastern School District as at June 30, 2007 and the related statements of current revenues, expenditures and District deficiency, cash flows and changes in capital fund for the year then ended. These financial statements are the responsibility of the District's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

The accounting policy with respect to Teachers' Severance Pay and Teachers' Vacation Pay are described in Note 3 and Note 6 respectively. Canadian generally accepted accounting principles require that all accounts receivable should be recorded and disclosed on the financial statements. The liability for Teachers' Severance Pay has been recorded but no offsetting receivable has been recorded. In this respect, these financial statements are not in accordance with Canadian generally accepted accounting principles. If the accounts receivable were recorded in accordance with Canadian generally accepted accounting principles, changes to the amounts reported for accounts receivable, revenue, and excess of expenditures over revenue would be necessary.

In my opinion, except for the effects of the failure to record accounts receivable as described in the preceding paragraph, these financial statements present fairly, in all material respects, the financial position of the Board as at June 30, 2007 and the results of its operations and changes in its capital financial position for the year then ended in accordance with Canadian generally accepted accounting principles and as explained in note 1 to the financial statements and are in compliance with reporting requirements established for School Boards in the Province of Newfoundland and Labrador by the Department of Education.

Nature of Operations

The Eastern School District is responsible for the operations and maintenance of all schools in the Eastern portion of the Province of Newfoundland and Labrador. The District was formed August 31, 2004 after the Government of Newfoundland and Labrador dissolved four previous boards known as Vista School District, Burin School District, Avalon West School District, and Avalon East School District.

1. Significant Accounting Policies

These financial statements have, in management's opinion, been properly prepared within reasonable limits of materiality and within the framework of accounting policies summarized below:

Fund Accounting

The accompanying financial statements have been prepared on a fund accounting basis which is generally accepted for School Boards. Fund accounting can be defined as "accounting procedures in which a self balancing group of accounts is provided for each fund." It is customary for School Boards to account separately for the current and capital funds. These financial statements include both the current and capital funds on a combined basis.

Revenue

The District's main source of funding is derived from the Government of Newfoundland and Labrador, Department of Education ("the Department"). The Department provides funding for operations, transportation, capital expenditures and teacher salaries and severance pay. Funding designated for specific purposes is deferred and included in revenue when the related expenditures have been incurred.

Capital Assets

Capital assets assumed by the District on August 31, 2004, as a result of legislation passed pursuant to the Schools Act and the Education Act, are recorded based on the Net Book Values shown on the audited financial statements of the predecessor entities. Deferred costs for the energy retrofit project are amortized on the straight-line basis over a period of seven years.

Beginning July 1, 2006 tangible capital assets will be amortized using the straightline basis over their estimated useful lives, using the following rates:

Buildings	50 years
Furniture and equipment	10 years
Service vehicles	5 years
Buses	12 years
Miscellaneous	5 years

Teachers' and Student Assistants' Payroll

The Government of Newfoundland and Labrador processes the payrolls and remits the source deductions directly to the appropriate agencies. The amounts recorded in the financial statements represent gross salaries for the year.

For the Year Ended June 30, 2007

1. Significant Accounting Policies (Cont'd)

Pension Costs

All permanent employees of the District are covered by pension plans administered by the Government of Newfoundland and Labrador. Contributions to these plans are required from both the employee and the District. Post retirement obligations to employees are the responsibility of the Government of Newfoundland and Labrador and, as such, the employer contributions for pensions and other retirement benefits are recognized in the accounts on a current basis.

Other Severance Pay Accrual

The District records severance pay liability for employees other than teachers. Employees are entitled to one week of severance pay for each year of service to a maximum of twenty weeks once they reach 9 years of service with the District.

Use of Accounting Estimates

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenditures during the reporting periods. Actual results could differ from those estimates.

2. Change in Accounting Policy

Capital Assets

During the year the District adopted an accounting policy to record amortization of its tangible capital assets in accordance with Public Sector Accounting Board standards. Prior to the current year, no amortization of tangible capital assets was recorded. Note 1 describes in detail the accounting policy adopted.

Beginning July 1, 2006 tangible capital assets will be amortized using the straightline basis over the estimated useful lives of those assets. Opening accumulated amortization has been recorded to reflect the period of useful life that has expired on those assets. The useful life and residual values of each individual category of tangible capital assets has been estimated based on managements best judgement. Opening accumulated amortization and a reduction to investment in capital assets in the amount of \$148,440,416 has been recorded.

3. Teachers' Severance Pay Benefits

Pursuant to a directive issued by the Department during fiscal 1998, the District recorded severance pay for teachers in the District. The Schools Act specifies that salaries and other compensation for teachers are the responsibility of the Department. The District received written approval from the Minister of Education for the deficit arising from the Department's requirement for the teachers' severance.

The net change in the liability for the year ended is as follows:

	<u>2007</u>	<u>2006</u>
Balance, beginning of the year	\$ 49,100,384	\$ 49,100,268
Net increase, (decrease) for the period	<u>937,583</u>	<u>116</u>
Balance, end of the year	<u>\$ 50,037,967</u>	<u>\$ 49,100,384</u>

4. Bond Coverage

At balance sheet date, the Insurance Division of Treasury Board carried fidelity bond coverage covering District employees as follows:

Assistant Director of Finance and Administration and District employees	\$	100,000
Principals, Vice Principals and Staff	\$	100,000

6. Teachers' Vacation Pay

Pursuant to a directive issued by the Department during the fiscal year 2006, the District recorded the vacation pay liability for teachers in the District. The liability relates to teachers' salaries earned during the school year but not fully paid to teachers until subsequent to June 30. Although the directive requested that a receivable from the Department for the liability not be recorded, the Schools Act specifies that salaries and other compensation for teachers are the responsibility of the Department. Accordingly, the District has recorded teachers' vacation pay receivable of \$ 28,809,763 at June 30, 2007, (2006 - \$ 28,279,293).

7. Bank Indebtedness

The District had an authorized operating demand loan of \$4,000,000, bearing interest at Royal Bank prime less 0.65% which was unused as at June 30, 2007 and June 30, 2006. In accordance with the Schools Act 1997, the operating demand loan was supported by a letter of approval to borrow provided by the Minister of Education.

11. Obligation Under Capital Leases

The District has entered into a capital lease with Royal Bank of Canada to finance its Energy Performance capital expenditures (EPC). The lease is for \$ 5,000,000 for 5 years including a purchase option of \$2,750,000 at the end of the term, May 2008. It is management's intention to finance this amount over five years.

During the year the District also entered into capital leases with the Royal Bank of Canada for various equipment. The leases total \$ 509,057 for 5 years with a purchase option of \$10 at the end of the term.

Future minimum payments under these capital leases is as follows for the year ending in:

	<u>Risographs</u>	<u>EPC</u>	<u>Copiers & Laptops</u>	<u>Total</u>
2008	\$ 93,204	\$ 565,510	\$ 267,343	\$ 926,057

	<u>\$ 226,234</u>	<u>\$ 2,750,000</u>	<u>\$ 441,627</u>	<u>\$ 3,417,861</u>

Interest has been imputed at a rate of 4.20% for the EPC.

Interest has been imputed at a various rates for the other leases.

12. Deferred Costs

A predecessor School Board entered into a sale lease contract with the Royal Bank of Canada for their Energy Performance contract. A gain of \$1,868,737 was recorded upon sale of these assets. This gain is amortized over sixty months. During the year \$ 373,747 (2006 - \$373,747) was recorded as amortization expense in the financial statements.

13. Lease Commitments

The District is committed under the terms of various operating leases to make payments in the next four years approximately as follows:

2008	\$	305,948
2009	\$	140,934
2010	\$	121,246
2011	\$	49,464

14. Financial Instruments

The carrying value of the Districts financial instruments, with the exception of long-term receivables, approximate fair values due to the short-term maturity and normal credit terms of those instruments. The long-term receivables balance does not approximate fair value as it is non-interest bearing.

Eastern School District
Notes to Financial Statements

For the Year Ended June 30, 2007

15. Insurance Subsidy

The cost of insuring school properties is borne by the Provincial Government and no amount has been recorded in these accounts to reflect this cost.

16. Unrealized Gain on Sale of Investments

This represents an unrecognized gain on investments held by a predecessor District. This amount is now being recognized as an asset.

17. Contingent Liabilities

Site restoration and remediation costs associated with school properties under the District are charged to operations as incurred. Estimated future site restoration and remediation costs have not been accrued in these financial statements since the obligation, if any, is presently not determinable. Such costs are normally funded by the Province.

The Board has a potential liability for accumulated sick leave to its employees in the amount of \$11,449,000. This amount has not been included in the financial statements. The amount is calculated based on Board policy and on an interpretation of the agreement with unionized employees. Any payments to employees for sick leave is expensed in the period such payments are incurred.

18. Comparative Figures

Certain of the 2006 amounts have been reclassified to conform with the financial statement presentation adopted for 2007.

AUDITOR'S REPORT

To the Board of Directors of:

The Embalmers and Funeral Directors Board of Newfoundland and Labrador

I have audited the balance sheet of The Embalmers and Funeral Directors Board of Newfoundland and Labrador as at December 31, 2007 and the statements of revenue, expenses and surplus, and cash flows for the year then ended. These financial statements are the responsibility of the Board of Managers. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statements presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Board as at December 31, 2007, and the results of its operations and cash flows for the year then ended, in accordance with Canadian generally accepted accounting principles.

NOTES TO FINANCIAL STATEMENTS
December 31, 2007**

1. Summary of significant accounting policies

The financial statements have been prepared within the framework of Canadian generally accepted accounting principles, the more significant of which are as follows:

Use of estimates

In preparing the Board's financial statements in conformity with Canadian generally accepted accounting principles, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements, and reported amounts of revenue and expenditures during the year. Actual results could differ from these estimates.

Cash and cash equivalents

Cash and cash equivalents include cash on hand, balance with banks and short term deposits with original maturities of three months or less. Bank borrowings are considered to be financing activities.

Balances at December 31,	<u>2007</u>	<u>2006</u>
Cash	\$ 73,603	\$ 86,113
GIC Investment	105,901	66,624
	<u>\$ 179,504</u>	<u>\$ 152,737</u>

2. Financial instruments

Fair values of financial instruments are disclosed in the notes to the financial statements when they differ from the carrying amounts. Where amounts receivable and payable are subject to normal credit terms, their carrying amount is used as an approximation of their fair values.

3. Deferred revenue

Deferred revenue is calculated as the revenue recorded in October-December of the current year which relates to fees that are collected in and are for the following year.

Auditors' Report

To the Members of the Board of Directors of
the Health Care Foundation

We have audited the statement of financial position of the Ever Green Environmental Corporation as at March 31, 2008 and the statements of operations and changes in net assets and cash flows for the year then ended. These financial statements are the responsibility of the Corporation's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In common with many charitable organizations, the Corporation derives certain of its revenue from the general public in the form of donations and other fundraising activities, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amount recorded in the records of the Corporation and we were not able to determine whether any adjustments might be necessary to revenue, excess of revenue over expenditures, assets and net assets.

In our opinion, except for the effect of adjustments, if any, which we might have determined to be necessary had we been able to satisfy ourselves concerning the completeness of the revenues referred to in the preceding paragraph, these financial statements present fairly, in all material respects, the financial position of the Corporation as at March 31, 2008 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

EVER GREEN ENVIRONMENTAL CORPORATION

Notes to the Financial Statements

March 31, 2008

1. DESCRIPTION OF BUSINESS

Ever Green Environmental Corporation (the "Corporation") is a registered charitable organization incorporated to raise funds for public awareness and provide programs and services for mental health clients in Newfoundland and Labrador. The Health Care Foundation governs the operations of the Corporation.

As a registered charity, the Corporation is exempt from income tax and may issue charitable donation receipts.

2. CHANGE IN ACCOUNTING POLICY

Effective April 1, 2007, the Corporation adopted the Canadian Institute of Chartered Accountants ("CICA") new accounting standards related to "Financial Instruments - Recognition and Measurement" (section 3855), "Financial Instruments - Presentation and Disclosure" (section 3861) and amendments to "Not-for-profit Organizations" (section 4400), which require that certain gains and losses be recorded initially as direct entries to the Statement of Changes in Net Assets for the period, rather than the Statement of Operations for the period.

The new standards lay out how financial instruments are to be recognized depending on their classification. Depending on financial instruments' classification, and whether the financial instruments are restricted, changes in subsequent measurements may be recognized in excess of revenue over expenditures (expenditures over revenue) or in the Statement of Changes in Net Assets.

The Corporation has implemented the following classifications:

Cash and cash equivalents are classified as "financial assets held for trading" and any adjustments to fair value are reflected in excess of revenue over expenses for each period.

Accounts receivable are classified as "loans and receivables" and subsequent to their initial fair value measurement, they are measured at amortized cost using the effective interest rate method which generally corresponds to cost, due to the short-term nature of the financial asset.

Accounts payable and accrued liabilities are classified as "other liabilities" and subsequent to their initial fair value measurement, they are measured at amortized cost using the effective interest rate method which generally corresponds to cost, due to the short-term nature of the financial liabilities.

EVER GREEN ENVIRONMENTAL CORPORATION

Notes to the Financial Statements

March 31, 2008

2. CHANGE IN ACCOUNTING POLICY (Continued)

These standards have been applied in accordance with transition provisions, and therefore, comparative amounts for prior periods have not been restated. Upon initial application, all adjustments to the carrying amount of financial assets and liabilities have been recognized as an adjustment to the opening balance of unrestricted or externally restricted net assets or accumulated other comprehensive income, depending on the classification of existing assets or liabilities. No adjustment was required at the time of adoption.

3. ACCOUNTING POLICIES

The financial statements have been prepared in accordance with Canadian generally accepted accounting principles and reflect the following significant accounting policies:

Revenue recognition

The following revenue recognition policies have been adopted:

- a) Service and product revenue is recognized when all significant contractual obligations are satisfied and collection is reasonably assured.
- b) Grant revenue is recognized when related expenditures have been incurred.
- c) Revenue from donations is recognized in the accounts of the Corporation in the year in which it is received.
- d) Rent revenue is recognized in accordance with the terms of the lease agreement and when collection is reasonably assured.

Cash and cash equivalents

Cash and cash equivalents include cash on hand, cash floats, deposits with banks, net of overdrafts.

Inventories

Inventories are valued at the lower of cost and net realizable value.

EVER GREEN ENVIRONMENTAL CORPORATION

Notes to the Financial Statements

March 31, 2008

3. ACCOUNTING POLICIES (Continued)

Capital assets

Capital assets are recorded at cost and are amortized over their estimated useful lives at the following rates per annum:

Leasehold improvements	3 years, straight line
Motor vehicles	30%, declining balance
Equipment	20%, declining balance
Computer equipment	30%, declining balance
IT system	10%, declining balance
Building	5%, declining balance

Intangible assets

Intangible assets are recorded at cost and amortized on a straight-line basis over a period of five years.

Capital contributions

Capital contributions are recorded as deferred contributions and amortized to income at the following rates per annum:

Computer equipment	30%, declining balance
--------------------	------------------------

Use of estimates

In preparing the Corporation's financial statements in conformity with Canadian generally accepted accounting principles, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and reporting amounts of revenue and expenses during the year. Actual results could differ from these estimates.

EVER GREEN ENVIRONMENTAL CORPORATION

3. ACCOUNTING POLICIES (Continued)

Future accounting pronouncements

Financial instruments

In December 2006, the CICA issued Section 3862, Financial Instruments – Disclosures; Section 3863, Financial Instruments – Presentation; and Section 1535, Capital Disclosures. All three Sections will be applicable to financial statements relating to fiscal years beginning on or after October 1, 2007. Accordingly, the Corporation will adopt the new standards for its fiscal year beginning April 1, 2008. Section 3862 on financial instruments disclosures, requires the disclosures of information about: a) the significance of financial instruments for the entity's financial position and performance and b) the nature and extent of risks arising from financial instruments to which the entity is exposed during the period and at the balance sheet date, and how the entity manages those risks. Section 3863 on the presentation of financial instruments establishes standards for presentation of financial instruments and non-financial derivatives. Section 1535 on capital disclosures requires the disclosure of information about an entity's objectives, policies and processes for managing capital.

The Corporation is currently evaluating the impact of the adoption of these new Sections on its financial statements. The Corporation does not expect that the adoption of these new Sections will have a material impact on its financial statements.

9. FINANCIAL INSTRUMENTS

The carrying value of the Corporation's financial instruments, with the exception of the amount due to Eastern Regional Health Authority, approximate fair value due to the short-term maturity and normal credit terms of the instruments. The amount due to Eastern Regional Health Authority is non-interest bearing and therefore, does not reflect fair value.

10. SUBSEQUENT EVENTS

On April 10, 2007, the Corporation received approval for a loan in the amount of \$230,000 from Atlantic Canada Opportunities Agency. An advance of \$45,000 was received against this loan in April, 2008. This loan is non-interest bearing and repayable in monthly installments of \$3,833 commencing January 1, 2009 and maturing on December 1, 2013.

The Company is currently in the process of finalizing a mortgage to finance costs associated with ongoing projects. In June 2008 an advance of \$262,000 was received against this mortgage, however final approval of the full facility has not yet been received.

AUDITORS REPORT

FINANCIAL STATEMENTS – MARCH 31, 2007

AUDITORS' REPORT

To the Board of Directors of **Grenfell Foundation Incorporated**

We have audited the balance sheet of **Grenfell Foundation Incorporated** as at March 31, 2007 and the statements of changes in net assets, operations and cash flow for the year then ended. These financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In common with many charitable organizations, the Foundation derives certain of its revenue from the general public in the form of donations and other fundraising activities, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amount recorded in the records of the Foundation and we were not able to determine whether any adjustments might be necessary to revenue, operations, assets and net assets.

In our opinion, except for the effect of any adjustments, if any, we might have determined to be necessary had we been able to satisfy ourselves concerning the completeness of the revenues referred to in the previous paragraph, these financial statements present fairly, in all material respects, the financial position of the Foundation as at March 31, 2007 and the results of its operations and the changes in its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

Independent Auditors' Report

To the Board of Directors of
Health Care Foundation of St. John's Inc.

We have audited the statement of financial position of the Health Care Foundation of St. John's Inc. as at March 31, 2007 and the statement of operations, changes in net assets and cash flows for the year then ended. These financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audit.

Except as explained in the following paragraph, we conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In common with many charitable organizations, the Foundation derives certain of its revenue from the general public in the form of donations and other fundraising activities, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amount recorded in the records of the Foundation and we were not able to determine whether any adjustments might be necessary to revenue, excess of revenue over expenditures (expenditures over revenue), assets and net assets.

In our opinion, except for the effect of adjustments, if any, which we might have determined to be necessary had we been able to satisfy ourselves concerning the completeness of revenues referred to in the preceding paragraph, these financial statements present fairly, in all material respects, the financial position of the Foundation as at March 31, 2007 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

7. RELATED PARTY TRANSACTIONS

The Foundation operates for the purpose of accumulating funds to help support the various sites of the Eastern Regional Health Authority. Transactions between these related parties are measured at their exchange value.

8. FINANCIAL INSTRUMENTS

The carrying value of the Foundation's financial instruments included in current assets and current liabilities approximates fair value due to the relatively short-term to maturity of these instruments.

3. CONTROL OF NOT-FOR-PROFIT ENTITY

The Foundation controls the Waterford Foundation Inc. The Waterford Foundation Inc. is a registered charitable organization incorporated to raise funds for public awareness and provide programs and services for mental health clients in Newfoundland and Labrador.

On November 1, 2002, the Health Care Foundation of St. John's Inc. assumed the operations of the General Hospital Health Foundation, the St. Clare's Mercy Hospital Foundation and the Capital Campaign Fund. The Waterford Foundation Inc. continues to operate as a separate entity, but reports to the Board of Directors of the Health Care Foundation of St. John's Inc.

Waterford Foundation Inc. has not been consolidated in the Foundation's financial statements; however, separate financial statements are available on request. A financial summary of this non-consolidated entity as at March 31, 2007 and for the year then ended is as follows:

	<u>2007</u>	<u>2006</u>

Certain of the above comparative figures have been reclassified to conform to the current year's presentation.

4. TRUST FUND

The Trust Fund represented an in-memoriam donation received for special purposes. This fund was invested and will be disbursed for special projects. During fiscal 2007, the Trust Fund balance was transferred to restricted funds along with the other restricted donations.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Capital assets

Capital assets are recorded at cost. Amortization is provided on a declining balance basis at a rate of 20%.

Donated property and equipment

The Foundation records donated property and equipment at fair value.

Pension costs

Employees of the Foundation are included in the Public Service Pension Plan and the Government Money Purchase Plan administered by the Government of Newfoundland and Labrador. Contributions to the plan are required from both the employees and the Foundation. The annual contributions for pensions are recognized in the accounts on a current basis.

Severance pay

Severance pay is accounted for on an accrual basis and is calculated based upon years of service and current salary levels. Severance pay is only recorded in the accounts for employees who have a vested right to receive such a payment. No provision for the ultimate severance pay liability is made in the accounts for an employee who does not have a vested right to the payment. The amount is payable when the employee ceases employment with the Foundation.

Use of estimates

In preparing the Foundation's financial statements in conformity with Canadian generally accepted accounting principles, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities and, the disclosure of contingent assets and liabilities at the date of the financial statements, and reported amounts of revenue and expenses during the period. Actual results could differ from these estimates.

Notes to Financial Statements

March 31, 2007

1. NATURE OF OPERATIONS

The Health Care Foundation of St. John's Inc. (the "Foundation") raises funds to meet the financial needs of the Eastern Regional Health Authority for capital projects, equipment, programs and research directly related to the health and welfare of the people of Newfoundland and Labrador, while promoting public awareness of these needs.

The Foundation is a registered charity and, while registered, is exempt from income tax and may issue tax-deductible receipts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements have been prepared in accordance with Canadian generally accepted accounting principles, the more significant of which are as follows:

Basis of presentation

The Operating Fund raises funds to help support the St. Clare's Mercy Hospital, General Hospital – Health Sciences Centre and the Dr. L.A Miller Centre.

The Capital Fund consists of donations received from corporations and individuals, as well as foundations and auxiliaries, with matching funds provided by the Government of Newfoundland and Labrador. This fund was established to assist with the purchase of equipment for various hospital sites of the Eastern Regional Health Authority.

Revenue recognition

The Foundation follows the restricted method of accounting for contributions whereby restricted contributions are recognized as revenue in the years in which the related expenses are incurred.

Unrestricted contributions, excluding donations, are recognized as revenue when received or receivable and when collectibility is reasonably assured.

Revenue from donations, including pledges, is recognized in the accounts of the Foundation in the year in which it is received.

Cash and cash equivalents

Cash and cash equivalents include cash on hand and balances with banks, net of any overdrafts.

Investments

Investments are recorded at cost plus accrued interest. Gains or losses on disposals of investments are reflected in the accounts in the year of disposal.

OFFICE OF THE AUDITOR GENERAL
St. John's, Newfoundland and Labrador

AUDITOR'S REPORT

To the Chairperson and Members
Heritage Foundation of
Newfoundland and Labrador
St. John's, Newfoundland and Labrador

I have audited the balance sheet of the Heritage Foundation of Newfoundland and Labrador as at 31 March 2007 and the statements of revenues, expenses and fund balance, and cash flows for the year then ended. These financial statements are the responsibility of the Foundation's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Foundation as at 31 March 2007 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

JOHN L. NOSEWORTHY, CA

HERITAGE FOUNDATION OF NEWFOUNDLAND AND LABRADOR

NOTES TO FINANCIAL STATEMENTS

31 March 2007

Authority

The Heritage Foundation of Newfoundland and Labrador (the Foundation) operates under the authority of the *Historic Resources Act*. Its affairs are managed by members of the Foundation appointed by the Lieutenant-Governor in Council.

The objectives of the Foundation are:

- (a) to stimulate an understanding of and appreciation for the architectural heritage of the Province;
- (b) to support and contribute to the preservation, maintenance and restoration of buildings and other structures of architectural or historical significance in the Province; and
- (c) to contribute to the increase and diffusion of knowledge about the architectural heritage of the Province.

1. **Significant accounting policies**

These financial statements have been prepared by the Foundation's management in accordance with Canadian generally accepted accounting principles. The budget disclosed in these financial statements is presented on a cash basis. Outlined below are the significant accounting policies followed.

(a) Capital assets

Capital assets consist of systems development and computer equipment which were capitalized at cost at the time of acquisition. Contributions toward the acquisition of capital assets are deducted from the related capital asset cost with any amortization calculated on the net amount over a period of five years from the date of acquisition.

Minor capital asset purchases are charged to operations in the year of acquisition.

(b) Investments

Investments are recorded at cost, which because of their short-term nature approximate market value.

(c) Severance pay

Severance pay is calculated based on years of service and current salary levels. Entitlement to severance pay vests with employees after nine years of continuous service. Accordingly no provision has been made for employees with less than nine years of continuous service. The amount is payable when the employee ceases employment with the Foundation unless the employee transfers to another entity in the public service, in which case the liability is transferred with the employee to the other entity.

(d) Investment income

Investment income is recorded as earned.

5. Deferred revenue

Deferred revenue as at 31 March 2007 consists of contributions received from the Province of Newfoundland and Labrador to be used for the payment of heritage grants and other heritage projects as directed by the Province. It also consists of contributions received from the Province to undertake a Fisheries Heritage Preservation Initiative focussing on the preservation and conservation of structures and buildings relating to the fisheries heritage of the Province. In addition, it consists of contributions from the Government of Canada to be used in administering the Historic Places Initiative in future periods, as the contributions received in 2007 exceeded eligible expenses. The revenue will be recognized in future periods as eligible expenses are incurred.

6. Fund balance

Section 25 of the *Historic Resources Act* requires the Foundation to maintain a Fund of monies voted to it by the Legislature and of other monies received by way of gift, bequest, donation or otherwise. Disbursements from the Fund may be made by the Foundation for the purposes set out in the Legislation.

As at 31 March 2007, \$170,760 (2006 - \$176,119) of this Fund has been committed in the form of grants approved but not yet disbursed or rescinded. The allocation of the Fund balance between committed and uncommitted funds is:

6. Fund balance (cont.)

The Foundation adopted a policy with respect to grant commitments requiring that all grants approved will be available for a period of two years from the date of grant approval. Clients not utilizing the grants within this timeframe will forfeit their right to these grants.

7. Government of Canada

On 4 April 2003, the Province entered into a Contribution Agreement with the Government of Canada to fund the Historic Places Initiative. The objectives of the Contribution Agreement are to develop an online Provincial Registry of Historic Places and to develop and implement programs related to promoting and integrating the Historic Places Initiative at the Provincial level in Newfoundland and Labrador.

The Province has appointed the Foundation to administer this Initiative on its behalf. During the year the Foundation recognized revenue relating to this Initiative in the amount of \$276,791 (2006 - \$284,550). In addition, the Foundation received capital contributions in the amount of \$12,337 (2006 - \$25,440) relating to this Initiative. This amount was applied towards the acquisition costs of systems development and computer equipment.

8. Operating lease obligation

Office equipment has been leased by the Foundation. Minimum lease payments for the next four years are as follows:

2008	\$ 4,197
2009	\$ 4,197
2010	\$ 4,197
2011	\$ 4,197

9. Related party transactions

The Foundation leases office space from the Province of Newfoundland and Labrador at an annual rate of \$1.

10. Financial instruments

The Foundation's financial instruments recognized on the balance sheet consist of cash, investments, accounts receivable, investment income receivable and accounts payable and accrued liabilities. The carrying values of these instruments approximate current fair value due to their nature and the short-term maturity associated with them. Accounts receivable is due primarily from the Government of Canada and Province of Newfoundland and Labrador and therefore there is no credit risk associated with this amount.

11. Economic dependence

As a result of its reliance on future transfers from the Province of Newfoundland and Labrador to fund its operations, the Foundation's ability to continue operations is dependent upon the decisions of Government.

12. Income taxes

The Foundation is a Crown entity of the Province of Newfoundland and Labrador and as such is not subject to Provincial or Federal income taxes.

13. Comparative figures

Certain comparative figures have been reclassified to conform to the current year's presentation.

14. Severance pay policy

During the year, the Foundation adopted a policy of accruing severance pay for its employees. This policy will result in accrued severance pay being recorded in fiscal years commencing with 2006-07. As the decision to adopt a policy of accruing severance pay represents a condition that did not occur previously, it is being applied prospectively.

AUDITOR'S REPORT

To the Chairperson and Members
Heritage Foundation of
Newfoundland and Labrador
St. John's, Newfoundland and Labrador

I have audited the balance sheet of the Heritage Foundation of Newfoundland and Labrador as at 31 March 2008 and the statements of revenues, expenses and fund balance, and cash flows for the year then ended. These financial statements are the responsibility of the Foundation's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Foundation as at 31 March 2008 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

HERITAGE FOUNDATION OF NEWFOUNDLAND AND LABRADOR
NOTES TO FINANCIAL STATEMENTS
31 March 2008

Authority

The Heritage Foundation of Newfoundland and Labrador (the Foundation) operates under the authority of the *Historic Resources Act*. Its affairs are managed by members of the Foundation appointed by the Lieutenant-Governor in Council.

The objectives of the Foundation are:

- (a) to stimulate an understanding of and appreciation for the architectural heritage of the Province;
- (b) to support and contribute to the preservation, maintenance and restoration of buildings and other structures of architectural or historical significance in the Province; and
- (c) to contribute to the increase and diffusion of knowledge about the architectural heritage of the Province.

1. Significant accounting policies

These financial statements have been prepared by the Foundation's management in accordance with Canadian generally accepted accounting principles. The budget disclosed in these financial statements is presented on a cash basis. Outlined below are the significant accounting policies followed.

(a) Capital assets

Capital assets consist of systems development and office and computer equipment which were capitalized at cost at the time of acquisition and now have a net book value of \$0. Contributions toward the acquisition of capital assets are deducted from the related capital asset cost with any amortization calculated on the net amount over a period of five years from the date of acquisition.

Minor capital asset purchases are charged to operations in the year of acquisition.

(b) Investments

Investments are recorded at cost, which because of their short-term nature approximates market value.

(c) Severance pay

Severance pay is calculated based on years of service and current salary levels. Entitlement to severance pay vests with employees after nine years of continuous service. Accordingly no provision has been made for employees with less than nine years of continuous service. The amount is payable when the employee ceases employment with the Foundation unless the employee transfers to another entity in the public service, in which case the liability is transferred with the employee to the other entity.

(d) Investment income

Investment income is recorded as earned.

FINANCIAL INFORMATION

31 MARCH 2008

OFFICE OF THE AUDITOR GENERAL
St. John's, Newfoundland and Labrador

AUDITOR'S REPORT

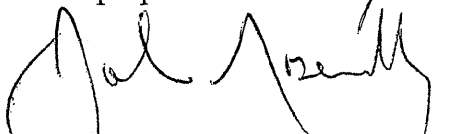

To the Members of the House of Assembly Management Commission
Province of Newfoundland and Labrador

I have audited the schedule of assets and liabilities of the House of Assembly and its statutory offices as at 31 March 2008 and the schedules of expenditure and related revenue, and gross expenditure and unexpended balances for the year then ended. This financial information has been prepared to comply with the requirements of the *House of Assembly Accountability, Integrity and Administration Act (the Act)*. The financial information is the responsibility of the House of Assembly's management. My responsibility is to express an opinion on this financial information based on my audit. I also audited, in accordance with section 43(6)(b) of the *Act*, the expenses incurred by the House of Assembly and its statutory offices to determine whether they were in accordance with the policies of the House of Assembly Management Commission and, where applicable, the policies of the Executive Branch of Government.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial information is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial information. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial information presentation.

In my opinion, this financial information presents fairly in all material respects, the assets and liabilities of the House of Assembly and its statutory offices as at 31 March 2008 and the results of its operations for the year then ended in accordance with the accounting policies disclosed in Note 1. Further, in my opinion, the expenses incurred by the House of Assembly and its statutory offices were in accordance with the policies of the House of Assembly Management Commission which were in place during the year and, where applicable, the policies of the Executive Branch of Government.

This financial information, which has not been, and was not intended to be, prepared in accordance with Canadian generally accepted accounting principles, is solely for the information and use of the House of Assembly Management Commission to comply with the *Act*. This information is not intended to be used for any other purpose.

Authority, nature of operations and basis of consolidation

The House of Assembly of Newfoundland and Labrador is comprised of 48 Members each of whom has been elected by the voters in the Provincial district which they represent. The House of Assembly in conjunction with the Lieutenant-Governor is known as the Legislature and its main role is to be the official law maker for all Provincial legislation. The Assembly debates draft legislation, estimates etc. and approves legislation or amendments for signature by the Lieutenant-Governor (Royal Assent).

The House of Assembly Service was established by the *House of Assembly Accountability, Integrity and Administration Act*. Its role is to support the House of Assembly, its committees, the House of Assembly Management Commission and the members of the House. It includes the Office of the Speaker, the Office of the Clerk, the Corporate and Member Services Division, and the Information Management Division. The Clerk is the chief administrative officer of the House of Assembly responsible for the operations of the House of Assembly Service and the administration of the statutory offices of the House.

This financial information reflects the financial operations of the House of Assembly Service (Administrative Support, House Operations, Caucus Operations and Members' Expenses, Hansard and the Broadcast Centre and the Legislative Library) as well the financial operations of the statutory offices (Office of the Chief Electoral Officer, Office of the Citizens' Representative, Office of the Child and Youth Advocate, and Office of the Information and Privacy Commissioner). For purposes of this financial information the consolidated entity is referred to as the House of Assembly and its Statutory Offices. This financial information does not include the financial information of the Office of the Auditor General, which is another statutory office of the House of Assembly. The financial information of the Office of the Auditor General is audited by an independent firm of public accountants and presented under separate cover.

1. Summary of significant accounting policies

This financial information has been prepared in accordance with the *House of Assembly Accountability, Integrity and Administration Act* and the accounting policies set out below.

(a) Basis of accounting

The Schedule of Assets and Liabilities has been prepared on the accrual basis of accounting. The Schedule of Expenditure and Related Revenue and the Schedule of Gross Expenditure and Unexpended Balances have been prepared on the modified cash basis of accounting. (This is the same basis of accounting used by the Office of the Comptroller General in preparing its Report on the Program Expenditures and Revenues of the Consolidated Revenue Fund and the same basis used in preparing the budgeted appropriations and revenues as per the Estimates presented in the House of Assembly.) In addition to the actual expenditure and related revenue for the year, for information purposes, the Schedule of Expenditure and Related Revenue includes the original and amended estimates for the House of Assembly and its Statutory Offices.

1. Summary of significant accounting policies (cont.)

(b) Assets

Assets and liabilities are recorded on a basis consistent with the policies used in preparing the Consolidated Revenue Fund financial statements of the Province of Newfoundland and Labrador. Direct liabilities and convertible assets such as amounts receivable are reported on the Schedule of Assets and Liabilities on an accrual basis.

(c) Capital assets

Capital asset acquisitions do not meet the Province's thresholds for capitalization. As such these assets are charged as budgetary expenditures and are expensed in the year of acquisition on the Schedule of Expenditure and Related Revenue. Capital assets are not reported on the Schedule of Assets and Liabilities.

(d) Revenue recognition

Revenue is reported on the modified cash basis on the Schedule of Expenditure and Related Revenue.

(e) Operating expenditures

Operating expenditures are reported on the modified cash basis on the Schedule of Expenditure and Related Revenue.

(f) Severance pay

The liability for severance pay is reported on the accrual basis of accounting on the Schedule of Assets and Liabilities and is calculated based on years of service and current salary levels.

Members of the House of Assembly are eligible for severance pay when they cease to be Members. Severance pay for Members is based on one month's current basic indemnity for each year of service and is prorated for part of the year's service. Minimum severance for Members is three months pay, while maximum is twelve months pay.

Severance pay for political support staff is based on the nature of the termination of employment. Entitlement to severance pay vests with one year or more of uninterrupted service, and accordingly, no provision has been made in this financial information for severance pay for political support staff with less than one year of uninterrupted service. Political support staff, who have their employment terminated, are entitled to severance pay equal to one month's salary for each year of service. Minimum severance is three months pay, while maximum is twelve months pay. Political support staff, who voluntarily resign their positions, are entitled to one week's pay for each year of service up to a maximum of twenty weeks.

 NOTES TO FINANCIAL INFORMATION
 31 March 2008**

1. Summary of significant accounting policies (cont.)

(f) Severance pay (cont.)

Severance pay vests with other employees after nine years of uninterrupted service, and accordingly no provision has been made in this financial information for employees who have less than nine years of uninterrupted service with the Province. Severance pay, at the rate of one week's pay for each year of service up to a maximum of twenty weeks pay, is payable when the employee ceases employment with the Province.

(g) Long-term lease

Information relating to the long-term lease of office equipment is presented in this financial information in Note 5 Commitments. No capital lease obligation has been recorded in this financial information because the related assets do not meet the Province's threshold for capitalization.

(h) Employee future benefits

Under Section 32 of the *House of Assembly Accountability, Integrity and Administration Act* employee benefits which apply to employees of the public service apply to employees of the House of Assembly and its Statutory Offices. No provision for pension or other post employment future benefit expenditures has been recorded in this financial information.

2. Cash

The \$2,071 in cash is comprised of the cash on hand in the ten petty cash funds held by employees of the House of Assembly and its Statutory Offices.

The \$11,183 in cash held in Trust is held by the Office of the Chief Electoral Officer. There is a corresponding liability for this amount. These monies were deposited by candidates in the 2007 Provincial General Election from funds provided to the candidates in support of their respective election campaigns. Excess funds that exceed the campaign limits per the *Elections Act* are held in trust until the next Provincial general election.

Candidates' nomination fees of \$200 per candidate are held until candidates file papers to have these fees reimbursed.

3. Accounts receivable

Accounts receivable include the following:

Accounts receivable from Members or former Members of the House of Assembly:

Accounts receivable - Excess Constituency Allowances	\$ 938,609
Less: allowance for doubtful accounts	661,640

March 31, 2007

Auditors' Report

To the Directors of
Janeway Children's Hospital Foundation

We have audited the statement of financial position of the Janeway Children's Hospital Foundation as at March 31, 2007 and the statements of operations, changes in net assets and cash flows for the year then ended. These financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audit.

Except as explained in the following paragraph, we conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In common with many charitable organizations, the Foundation derives certain of its revenue from the general public in the form of donations and other fundraising activities, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amount recorded in the records of the Foundation and we were not able to determine whether any adjustments might be necessary to revenue, excess of revenue over expenditure, assets and net assets.

In our opinion, except for the effect of adjustments, if any, which we might have determined to be necessary had we been able to satisfy ourselves concerning the completeness of revenues referred to in the preceding paragraph, these financial statements present fairly, in all material respects, the financial position of the Foundation as at March 31, 2007 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

JANEWAY CHILDREN'S HOSPITAL FOUNDATION

Notes to Financial Statements

March 31, 2007

1. NATURE OF OPERATIONS

The Janeway Children's Hospital Foundation is a registered charitable organization created to raise funds to meet the financial needs of the Janeway Children's Health and Rehabilitation Centre for capital projects, equipment, programs and research directly related to the health and welfare of Newfoundland and Labrador children, while promoting public awareness of these needs.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements have been prepared in accordance with Canadian generally accepted accounting principles, the more significant of which are as follows:

Basis of presentation

The Foundation applies the restricted fund method of accounting for contributions:

The General Fund contains all of the operating assets, liabilities, revenue and expenditure of the Foundation related to the organization's mandate to raise funds to meet the financial needs of the Janeway Children's Health and Rehabilitation Centre for capital projects, equipment, programs and research.

The In-Memoriam Fund represents donations received from donors for a designated purpose. These donations are held in bank accounts until disbursed for specific projects.

The Endowment Fund represents donations received from donors specifically for the Little Red Wagon Endowment Fund along with any bequests and in-memoriam donation that have not been designated for a specific purpose. These donations will be disbursed based on recommendations from the Board.

Revenue recognition

Revenue from donations is recognized in the accounts of the Foundation in the year in which it is received. Contributions received for expenditures of a future period are deferred and recognized as revenue when the expenditure is incurred. All other revenues are recognized as earned and when collectibility is reasonably assured.

In-kind contributions are recorded when fair value is determinable.

Cash and cash equivalents

Cash and cash equivalents include cash on hand, balances with banks, and short-term investments with maturities of three months or less.

Capital assets

Capital assets are recorded at cost. Amortization is provided on a straight-line basis over five years.

JANEWAY CHILDREN'S HOSPITAL FOUNDATION

Notes to Financial Statements

March 31, 2007

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Vacation pay and other benefits

Vacation pay and other benefits are recorded in the accounts of the Foundation on the accrual basis.

Severance pay

Severance pay is accounted for on an accrual basis and is calculated based upon years of service and current salary levels. Severance pay is only recorded in the accounts for employees who have a vested right to receive such a payment. No provision for the ultimate severance pay liability is made in the accounts for any employee who does not have a vested right to the payment. The amount is payable when the employee ceases employment with the Foundation.

Pension costs

Employees of the Foundation are included in the Public Service Pension Plan and the Government Money Purchase Plan (the "Plans") administered by the Government of Newfoundland and Labrador. Contributions to the Plans are required from both the employees and the Foundation. The annual contributions for pensions are recognized in the accounts on a current basis.

Use of estimates

In preparing the Foundation's financial statements in conformity with Canadian generally accepted accounting principles, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and reported amounts of revenue and expenditure during the year. Actual results could differ from these estimates.

8. RELATED PARTY TRANSACTIONS

The Foundation operates for the purpose of accumulating funds to assist the Janeway Children's Health and Rehabilitation Centre (Eastern Regional Health Authority) with the purchase of medical equipment used in the provision of patient care for children. Transactions between these related parties are measured at their exchange value.

9. COMMITMENTS

During the year the Foundation committed to disburse \$1,330,000 (2006 - \$2,006,305) to the Eastern Regional Health Authority to benefit the Janeway Children's Health and Rehabilitation Centre. During the year \$1,159,723 (2006 - \$1,015,118) of committed funds were disbursed. The outstanding commitments from the current and prior years of approximately \$2,982,142 relating to capital equipment and research will be disbursed in future fiscal years of the Foundation.

10. FINANCIAL INSTRUMENTS

The carrying value of the Foundation's financial instruments approximates fair value due to the short term to maturity and normal credit terms of those instruments.

To the Directors of the Janeway Children's Hospital Foundation

We have audited the statement of financial position of the Janeway Children's Hospital Foundation at March 31, 2008 and the statements of operations, changes in net assets and cash flows for the year then ended. These financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audit.

Except as explained in the following paragraph, we conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In common with many charitable organizations, the Foundation derives certain of its revenue from the general public in the form of donations and other fundraising activities, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amount recorded in the records of the Foundation as we were not able to determine whether any adjustments might be necessary to revenue, excess of revenue over expenditure, assets and net assets.

In our opinion, except for the effect of adjustments, if any, which we might have determined to be necessary had we been able to satisfy ourselves concerning the completeness of revenues referred to in the preceding paragraph, these financial statements present fairly, in all material respects, the financial position of the Foundation as at March 31, 2008 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

The comparative figures for the year ended March 31, 2007 were audited by another firm of chartered accountants.

Janeway Children's Hospital Foundation

Notes to the Financial Statements

March 31, 2008

1. Nature of operations

The Janeway Children's Hospital Foundation is a registered charitable organization created to raise funds to meet the financial needs of the Janeway Children's Health and Rehabilitation Centre for capital projects, equipment, programs and research directly related to the health and welfare of Newfoundland and Labrador children while promoting public awareness of these needs.

2. Significant accounting policies

Basis of presentation

The financial statements have been prepared in accordance with Canadian generally accepted accounting principles.

Fund accounting

The Foundation applies the restricted fund method of accounting for contributions.

The General Fund contains all of the operating assets, liabilities, revenue and expenditures of the Foundation related to the organization's mandate to raise funds to meet the financial needs of the Janeway Children's Health and Rehabilitation Centre for capital projects, equipment, programs and research.

The In-Memoriam Fund represents donations received from donors for a designated purpose. These donations are held in bank accounts until disbursed for specific projects.

The Endowment Fund represents donations received from donors specifically for the Little Red Wagon Endowment Fund along with any bequests and in-memoriam donations that have not been designed for a specific purpose. These donations will be disbursed based on recommendations from the Board.

Use of estimates

In preparing the Foundation's financial statements in conformity with Canadian generally accepted accounting principles, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and reported amounts of revenue and expenditures during the year. Actual results could differ from these estimates.

Janeway Children's Hospital Foundation

Notes to the Financial Statements

March 31, 2008

2. Summary of significant accounting policies (cont'd.)

Capital contributions

Capital contributions are recorded as deferred contributions and amortized to income on the same basis and using the same rates as the depreciation expense related to the capital assets purchased. Capital contributions for capital assets that are not depreciated are recorded as direct increases in net assets.

Revenue recognition

Revenue from donations is recognized in the accounts of the Foundation in the year in which it is received. Contributions received for expenditures of a future period are deferred and recognized as revenue when the expenditure is incurred. All other revenues are recognized as earned and collectibility is reasonably assured.

In-kind contributions are recorded when fair value is determinable.

Cash and cash equivalents

Cash and cash equivalents include cash on hand, balances with banks, and short-term investments with maturities of three months or less.

Capital assets

Capital assets are recorded at cost and amortized on a straight-line basis over five years.

Vacation pay and other benefits

Vacation pay and other benefits are recorded in the accounts of the Foundation on the accrual basis.

Severance pay

Severance pay is accounted for on an accrual basis and is calculated based upon years of service and current salary levels. Severance pay is only recorded in the accounts for employees who have a vested right to receive such a payment. No provision for the ultimate severance pay liability is made in the accounts for any employee who does not have a vested right to the payment. The amount is payable when the employee ceases employment with the Foundation.

Janeway Children's Hospital Foundation

Notes to the Financial Statements

March 31, 2008

2. Summary of significant accounting policies (cont'd.)

Pension costs

Employees of the Foundation are included in the Public Services Pension Plan and the Government Money Purchase Plan (the "Plans") administered by the Government of Newfoundland and Labrador. Contributions to the Plans are required from both the employees and the Foundation. The annual contributions for pensions are recognized in the accounts on a current basis.

Accounting standards and policies adopted during the year

(i) Accounting changes

In July 2006, the Canadian Institute of Chartered Accountants ("CICA") issued section 1506 of the CICA Handbook, "Accounting Changes", which describes the criteria for changing accounting policies, along with the accounting and disclosure for changes in accounting policies, changes in accounting estimates and correction of errors. These changes came into effect as of January 1, 2007 and are applicable for the Foundation's year ended March 31, 2008.

(ii) Financial instruments

On April 1, 2007, the Foundation implemented the CICA Handbook Sections 3855, "Financial Instruments - Recognition and Measurement" and 3861, "Financial Instruments - Disclosure and Presentation". These standards have been applied without restatement of prior years. The transitional adjustments resulting from these standards are recognized in the opening balances of retained earnings.

Section 3855, "Financial Instruments - Recognition and Measurement", requires the Foundation to revalue all of its financial assets and liabilities at fair value on the initial date of implementation and at each subsequent financial reporting date.

This standard also requires the Foundation to classify financial assets and liabilities according to their characteristics and management's choices and intentions related thereto for the purposes of ongoing measurements. Classification choices for financial assets include: a) held for trading - measured at fair value with changes in fair value recorded in the excess of revenue over expenses; b) held to maturity - recorded at amortized cost with gains and losses recognized in the excess of revenue over expenses in the year that the asset is no longer recognized or impaired; c) available for sale - measured at fair value with changes in fair value recognized in net assets; and d) receivables - recorded at amortized cost with gains and losses recognized in the excess of revenue over expenses in the year that the asset is no longer recognized or impaired.

Janeway Children's Hospital Foundation

Notes to the Financial Statements

March 31, 2008

2. Summary of significant accounting policies (cont'd.)

Classification choices for financial liabilities include: a) held for trading – measured at fair value with changes in fair value recorded in net earnings and b) other – measured at amortized cost with gains and losses recognized in net earnings in the period that the liability is no longer recognized. Subsequent measurement for these assets and liabilities are based on either fair value or amortized cost using the effective interest method, depending upon their classification. Any financial asset or liability can be classified as held for trading as long as its fair value is reliably determinable.

In accordance with the new standard, the Foundation's financial assets and liabilities are generally classified and measured as follows:

<u>Asset/Liability</u>	<u>Classification</u>	<u>Measurement</u>
Cash and cash equivalents	Held for trading	Fair value
Receivables	Receivables	Amortized cost
Investments	Held for trading	Fair value
Payables and accruals	Other liabilities	Amortized cost

(iii) Financial instruments - disclosure and presentation

Section 3861, "Financial Instruments - Disclosure and Presentation", which replaces 3860, of the same title, establishes standards for the presentation of financial instruments and non-financial derivatives, and identifies the information that should be disclosed about them.

Based on managerial review and valuation of the Foundation's financial instruments, no significant differences between carrying value and fair value were identified. Therefore, no transitional adjustments were required.

Future changes in accounting policies

(i) Financial Instruments – Disclosure and Presentation

Section 3862 "Financial Instruments – Disclosure" and Section 3863 "Financial Instruments – Presentation" replaces Section 3861, "Financial Instruments – Disclosure and Presentation". Section 3862 requires increased disclosures regarding the risks associated with financial instruments such as credit risk, liquidity risk and market risks and the techniques used to identify, monitor and manage these risks. Section 3863 carries forward standards for presentation of financial instruments and non-financial derivatives and provides additional guidance for the classification of financial instruments, from the perspective of the issuer, between liabilities and equity. These standards are effective for financial statements relating to fiscal years beginning on or after October 1, 2007.

The Foundation does not expect the adoption of these standards to have a significant impact on its financial disclosure and results of operations.

LABRADOR - GRENFELL REGIONAL HEALTH AUTHORITY

CONSOLIDATED

FINANCIAL STATEMENTS

MARCH 31, 2008

AUDITORS' REPORT

To the Trustees of **Labrador - Grenfell Regional Health Authority**

We have audited the consolidated balance sheet of **Labrador - Grenfell Regional Health Authority** as at March 31, 2008 and the consolidated statements of changes in net assets, operations and cash flow for the year then ended. These financial statements are the responsibility of the Authority's management. Our responsibility is to express an opinion on these consolidated financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these consolidated financial statements present fairly, in all material respects, the financial position of the Authority as at March 31, 2008 and the results of its operations and the changes in its cash flow for the year then ended in accordance with Canadian generally accepted accounting principles.

Notes to the Financial Statements

March 31, 2008

1. Nature of operations:

The Authority manages and operates all health facilities, services and programs in Northern Newfoundland and all of Labrador.

The Authority manages and controls the operations of the following facilities:

Labrador Health Centre, Happy Valley-Goose Bay
Harry L. Paddon Memorial Home, Happy Valley-Goose Bay
Captain William Jackman Memorial Hospital, Labrador City
Charles S. Curtis Memorial Hospital, St. Anthony
John M. Gray Centre, St. Anthony
St. Anthony Inter-Faith Home Apartment Complexes, St. Anthony

and all medical clinics, nursing stations, community health centres, facilities, programs and services in the geographic area.

The operations of the Authority are primarily funded by the Government of Newfoundland and Labrador (the Government).

The Authority is incorporated under the Hospitals Act of Newfoundland and Labrador.

2. Significant accounting policies:

These financial statements have been prepared in accordance with Canadian generally accepted accounting principles. Outlined below are those policies considered particularly significant by the Authority.

Fund accounting:

The combined funds are reported in the consolidated financial statements.

Assets, liabilities, revenue and expenditure related to the delivery and administration of health services are reported in the operating financial statements.

Revenue recognition:

The Authority follows the deferral method of accounting of contributions.

Restricted contributions are recognized as revenue in the year in which the related expenditures are incurred. Unrestricted contributions are recognized as revenue, when received or receivable, if the amount to be received can be reasonably estimated and collection is reasonably assured.

Contributions related to property, plant and equipment are deferred and amortized to revenue at the same rates which the related property, plant and equipment are amortized.

2. Significant accounting policies (Continued):

Inventories:

Inventories consist of medical, surgical, general supplies, fuel oil, aircraft parts, and pharmaceuticals.

Medical, surgical and general supplies are valued at the lower of cost, determined on an average cost basis, and net realizable value.

Fuel oil, aircraft parts and drugs are valued at the lower of cost, determined on a first-in, first-out basis, and net realizable value.

Property, plant and equipment:

The Authority has control over certain land, buildings and equipment, with the title resting with the Government and consequently these assets are not recorded under property, plant and equipment.

Purchased property, plant and equipment are recorded at cost. Contributed property, plant and equipment are recorded at fair value at the date of contribution.

Property, plant and equipment are being amortized on a declining balance basis over their estimated useful lives at the following rates:

Land improvements	20%
Buildings	5%
Leasehold improvements	5%
Equipment and vehicles	20%
Artwork	0%

In addition, the Harry L. Paddon Memorial Home and St. Anthony Interfaith Home Apartment Complexes buildings and equipment are amortized at a rate equal to the annual principal reduction of the mortgage related to these properties. This is in accordance with an operating agreement with Newfoundland and Labrador Housing Corporation.

Replacement reserve:

Newfoundland and Labrador Housing Corporation (NLHC) requires that not-for-profit housing groups maintain a Replacement Reserve Fund which is to be used to fund major maintenance and the purchase of property, plant and equipment. These funds may be used as approved by NLHC. Withdrawals are charged to interest first and then principal.

Transactions in the reserve are shown in Note 7.

Severance pay:

The liability for severance pay is recorded in the accounts for all employees who have a vested right to receive such a payment. No provision for the ultimate severance pay liability is made in the accounts for any employee who has less than nine years of continual service.

2. Significant accounting policies (Continued):

Pension and other post employment benefits:

Employees of the Authority are included in the Public Service Pension Plan and the Government Money Purchase Plan administered by the Government. The Government also provides for the continuation of certain dental and medical benefits for retirees. Contributions to the plans are required from both the employees and the Authority. The annual contributions for pensions and other post employment benefits are recognized in the accounts on a current basis.

Use of estimates:

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures during the reporting period. Actual results could differ from those estimates.

12. Commitments:

Energy performance contract:

The Authority entered into an Energy Performance Contract on February 15, 2000 with Johnson Controls Ltd. for the design and implementation of measures to improve energy efficiency, wherein Johnson Controls Ltd. guaranteed the energy savings component.

The cost of the contract was \$1,660,616 and is to be repaid from energy and operating savings at \$15,250 per month over a period of 8.2 years plus lump sum amounts aggregating an additional \$166,116.

As of March 31, 2008 the balance of the expenditures financed through the Bank of Nova Scotia amount to \$257,929 (2007 - \$415,235). As support for the financing, Johnson Controls Ltd. has assigned to the bank any funds due to them by the Authority for the energy savings component of the contract.

In the opinion of management of the Authority the guaranteed energy savings component by Johnson Controls Ltd. is an offset to any obligation of the Authority under the assignment to the bank, and as a consequence neither the capital expenditures nor the bank loan obligation is reflected in the financial statements of the Authority at March 31, 2008.

Funding for the contract is from operating savings and has been approved in this manner by the Province of Newfoundland and Labrador. As a result, the monthly payments under the contract are being reported in the Authority's operating statements as a normal operating cost.

13. Contingencies:

As of March 31, 2008, there were a number of legal claims against the Authority in varying amounts for which no provision has been made. It is not possible to determine the amounts, if any, that may ultimately be assessed against the Authority with respect to these claims, but management believes any claims, if successful, will be covered by liability insurance.

14. Comparative figures:

Certain of the comparative figures have been reclassified to conform to the current presentation.

MARCH 31, 2008

AUDITORS' REPORT

To the Trustees of **Labrador - Grenfell Regional Health Authority**

We have audited the operating balance sheet of **Labrador - Grenfell Regional Health Authority** as at March 31, 2008 and the operating statements of changes in net assets, operations and cash flow for the year then ended. These financial statements are the responsibility of the Authority's management. Our responsibility is to express an opinion on these operating financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these operating financial statements present fairly, in all material respects, the financial position of the Authority as at March 31, 2008 and the results of its operations and the changes in its cash flow for the year then ended in accordance with Canadian generally accepted accounting principles.

LABRADOR - GRENFELL REGIONAL HEALTH AUTHORITY

Operating

Notes to the Financial Statements

March 31, 2008

1. Nature of operations:

The Authority manages and operates all health facilities, services and programs in Northern Newfoundland and all of Labrador.

The Authority manages and controls the operations of the following facilities:

Labrador Health Centre, Happy Valley-Goose Bay
Harry L. Paddon Memorial Home, Happy Valley-Goose Bay
Captain William Jackman Memorial Hospital, Labrador City
Charles S. Curtis Memorial Hospital, St. Anthony
John M. Gray Centre, St. Anthony

and all medical clinics, nursing stations, community health centres, facilities, programs and services in the geographic area.

The operations of the Authority are primarily funded by the Government of Newfoundland and Labrador (the Government).

The Authority is incorporated under the Hospitals Act of Newfoundland and Labrador.

2. Significant accounting policies:

These financial statements have been prepared in accordance with Canadian generally accepted accounting principles. Outlined below are those policies considered particularly significant by the Authority.

Revenue recognition:

The Authority follows the deferral method of accounting for contributions.

Restricted contributions are recognized as revenue in the year in which the related expenditures are incurred. Unrestricted contributions are recognized as revenue, when received or receivable, if the amount to be received can be reasonably estimated and collection is reasonably assured.

Contributions related to property, plant and equipment are deferred and amortized to revenue at the same rates which the related property, plant and equipment are amortized.

Inventories:

Inventories consist of medical, surgical, general supplies, fuel oil, aircraft parts, and pharmaceuticals.

Medical, surgical and general supplies are valued at the lower of cost, determined on an average cost basis, and net realizable value.

Fuel oil, aircraft parts and drugs are valued at the lower of cost, determined on a first-in, first-out basis, and net realizable value.

2. Significant accounting policies (continued):

Property, plant and equipment:

The Authority has control over certain land, buildings and equipment, with the title resting with the Government and consequently these assets are not recorded under property, plant and equipment.

Purchased property, plant and equipment are recorded at cost. Contributed property, plant and equipment are recorded at fair value at the date of contribution.

Property, plant and equipment are being amortized on a declining balance basis over their estimated useful lives at the following rates:

Land improvements	20%
Buildings	5%
Leasehold improvements	5%
Equipment and vehicles	20%
Artwork	0%

In addition, the Harry L. Paddon Memorial Home and equipment are amortized at a rate equal to the annual principal reduction of the mortgage related to these properties. This is in accordance with an operating agreement with Newfoundland and Labrador Housing Corporation.

Severance pay:

The liability for severance pay is recorded in the accounts for all employees who have a vested right to receive such a payment. No provision for the ultimate severance pay liability is made in the accounts for any employee who has less than nine years of continual service.

Pension and other post employment benefits:

Employees of the Authority are included in the Public Service Pension Plan and the Government Money Purchase Plan administered by the Government. The Government also provides for the continuation of certain dental and medical benefits for retirees. Contributions to the plans are required from both the employees and the Authority. The annual contributions for pensions and other post employment benefits are recognized in the accounts on a current basis.

Use of estimates:

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures during the reporting period. Actual results could differ from those estimates.

6. Bank indebtedness:

The Authority has access to a \$24.0 million line of credit in the form of a revolving demand loan bearing interest at prime with the Royal Bank of Canada. The line of credit has been approved by the Minister of Health and Community Services. In addition, this line of credit carries a Province of Newfoundland and Labrador guarantee for \$9 million up to \$19 million with the first \$10 million being unsecured.

7. Long-term debt:

10%, Canada Mortgage and Housing Corporation first mortgage on land and building of Harry L. Paddon Memorial Home; repayable \$11,245 monthly, interest included; maturing November, 2029

The aggregate amount of principal payments estimated to be required in each of the next five years is as follows:

2009	\$ 16,949
2010	18,790
2011	20,570
2012	22,514
2013	24,790

Interest subsidy:

The Authority has received federal assistance through Canada Mortgage and Housing Corporation pursuant to Section 56.1 of the National Housing Act. The purpose of the assistance is to reduce operating costs in order to enable the Authority to provide housing to low and moderate income individuals. The amount of assistance received in 2007/08 was \$25,205 (2006/07 - \$25,205).

8. Unamortized deferred contributions related to property, plant and equipment:

Deferred contributions related to property, plant and equipment represent restricted contributions with which property, plant and equipment were originally purchased. The changes in the deferred contributions for the year are as follows:

11. Commitments:

Energy Performance Contract

The Authority entered into an Energy Performance Contract on February 15, 2000 with Johnson Controls Ltd. for the design and implementation of measures to improve energy efficiency, wherein Johnson Controls Ltd. guaranteed the energy savings component.

The cost of the contract was \$1,660,616 and is to be repaid from energy and operating savings at \$15,250 per month over a period of 8.2 years plus lump sum amounts aggregating an additional \$166,116.

As of March 31, 2008 the balance of the expenditures financed through the Bank of Nova Scotia amount to \$257,929 (2007 - \$415,235). As support for the financing, Johnson Controls Ltd. has assigned to the bank any funds due to them by the authority for the energy savings component of the contract.

In the opinion of management of the Authority the guaranteed energy savings component by Johnson Controls Ltd. is an offset to any obligation of the authority under the assignment to the bank, and as a consequence neither the capital expenditures nor the bank loan obligation is reflected in the financial statements of the Authority at March 31, 2008.

Funding for the contract is from operating savings and has been approved in this manner by the Province of Newfoundland and Labrador. As a result, the monthly payments under the contract are being reported in the Authority's operating statements as a normal operating cost.

12. Contingencies:

As of March 31, 2008, there were a number of legal claims against the Authority in varying amounts for which no provision has been made. It is not possible to determine the amounts, if any, that may ultimately be assessed against the Authority with respect to these claims, but management believes any claims, if successful, will be covered by liability insurance.

13. Comparative figures:

Certain of the comparative figures have been reclassified to conform to the current presentation.

FINANCIAL STATEMENTS

MARCH 31, 2008

AUDITORS' REPORT

To the Trustees of **Labrador - Grenfell Regional Health Authority - St. Anthony Interfaith Home 20 Unit Apartment Complex**

We have audited the balance sheet of **Labrador - Grenfell Regional Health Authority - St. Anthony Interfaith Home 20 Unit Apartment Complex** as at March 31, 2008 and the statements of changes in net assets, operations and cash flow for the year then ended. These financial statements are the responsibility of the St. Anthony Interfaith Home 20 Unit Apartment Complex's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the St. Anthony Interfaith Home 20 Unit Apartment Complex as at March 31, 2008 and the results of its operations and the changes in its cash flow for the year then ended in accordance with Canadian generally accepted accounting principles.

Notes to the Financial Statements

March 31, 2008

1. Nature of operations:

The St. Anthony Interfaith Home 20 Unit Apartment Complex is sponsored by the Labrador-Grenfell Regional Health Authority to provide housing to low and moderate income seniors.

2. Summary of significant accounting policies:

The accounting policies of the St. Anthony Interfaith Home 20 Unit Apartment Complex are in accordance with generally accepted accounting principles and guidelines set out by the Newfoundland and Labrador Housing Corporation (NLHC) in their operating agreements for not-for-profit housing projects. The following describes the more significant policies:

Property, plant and equipment

Purchased property, plant and equipment are recorded at cost.

Amortization is provided on land improvements and buildings at a rate equal to the annual principal reduction of the mortgages related to these properties. This is in accordance with the operating agreement with NLHC.

Replacement reserve

In accordance with the operating agreements with NLHC the Authority is required to fund a replacement reserve annually in the amount of \$10,350. This allocation of funds is expensed annually and transferred to a separate bank account and added to the liability "Replacement Reserve."

The funds in the replacement reserve account may only be used as approved by NLHC.

Transactions in the reserve are shown in Note 4.

AUDITORS' REPORT

To the Trustees of **Labrador - Grenfell Regional Health Authority - St. Anthony Interfaith Home 12 Unit Apartment Complex**

We have audited the balance sheet of **Labrador - Grenfell Regional Health Authority - St. Anthony Interfaith Home 12 Unit Apartment Complex** as at March 31, 2008 and the statements of changes in net assets, operations and cash flow for the year then ended. These financial statements are the responsibility of the St. Anthony Interfaith Home 12 Unit Apartment Complex's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the St. Anthony Interfaith Home 12 Unit Apartment Complex as at March 31, 2008 and the results of its operations and the changes in its cash flow for the year then ended in accordance with Canadian generally accepted accounting principles.

Notes to the Financial Statements

March 31, 2008

1. Nature of operations:

The St. Anthony Interfaith Home 12 Unit Apartment Complex is sponsored by the Labrador-Grenfell Regional Health Authority to provide housing to low and moderate income seniors.

2. Summary of significant accounting policies:

The accounting policies of the St. Anthony Interfaith Home 12 Unit Apartment Complex are in accordance with generally accepted accounting principles and guidelines set out by the Newfoundland and Labrador Housing Corporation (NLHC) in their operating agreements for not-for-profit housing projects. The following describes the more significant policies:

Property, plant and equipment

Purchased property, plant and equipment are recorded at cost.

Amortization is provided on buildings and equipment at a rate equal to the annual principal reduction of the mortgages related to these properties. This is in accordance with the operating agreement with NLHC.

Replacement reserve

NLHC maintains a consolidated Replacement Reserve Fund to maintain and account for replacement reserve funds for not-for-profit housing groups. NLHC provides the organization with an annual statement as of March 31, 2007 indicating its reserve balance.

The funds in the replacement reserve account may only be used as approved by NLHC.

Transactions in the reserve are shown in Note 5.

LABRADOR SCHOOL BOARD

Notes to the Financial Statements

June 30, 2007

1. Summary of significant accounting policies:

The accompanying financial statements have been prepared on a fund accounting basis which is generally accepted for School Boards. Fund accounting can be defined as "accounting procedures in which a self-balancing group of accounts is provided for each fund". It is customary for School Boards to account separately for the current and capital funds.

A summary of significant accounting policies adopted by the Board, relating to their use of fund accounting, is as follows:

- (a) Grants received by the Board are recorded in either the current or capital funds, depending on their source. Grants from the Department of Education are treated as current revenue while those from the Newfoundland and Labrador Education Investment Corporation are mostly recorded as capital revenues.
- (b) Land, buildings and equipment are recorded in the accounts based on the carrying values on the balance sheets of the former school Boards upon amalgamation at January 31, 1997.
- (c) The Board does not calculate or record amortization on any of its fixed assets.
- (d) As a result of the amalgamation of former school boards to form the Labrador School Board, described in Note 7 to these financial statements, historical cost information related to capital assets is not always available.

In instances where the historical cost of a capital asset is unknown, only the proceeds received on the disposition of the capital asset are credited to the capital asset account.

If the historical cost of a capital asset is known, the disposition of the capital asset is recorded by removing the full cost of the asset from the capital asset account.

- (e) All capital expenditures financed out of current revenue funds are recorded as an expenditure in the current account.
- (f) Principal repayment of Pupil Transportation Loans are recorded as current expenditures. All other principal repayment of bank loans are recorded as capital expenditures.

Severance Pay

The Board has in effect severance pay policies whereby employees are entitled to a severance payment upon leaving employment with the Board. Under these policies, a permanent employee who has nine (9) or more years of continuous service in the employ of the School Board is entitled to be paid on resignation, retirement, termination by reasons of disability, expiry of recall rights, or in the event of death, to the employee's estate, severance pay equal to the amount obtained by multiplying the number of completed years of continuous employment by his weekly salary to a maximum of twenty (20) weeks pay. This liability for severance pay has been accrued in the accounts for all employees who have a vested right to receive such payments.

Severance pay for teachers is paid through the Department of Education.

1. Summary of significant accounting policies (continued):

Other

Effective January 1, 1997, the Labrador School Board was formed through the amalgamation of the Labrador West Integrated School Board, the Labrador East Integrated School Board and the Roman Catholic School Board for Labrador. The amalgamation was accounted for using the pooling of interests method whereby the assets and liabilities of each School Board were combined to become the assets of the new Labrador School Board.

10. Contingent liabilities

The Lavers Inquiry is currently investigating allegations of abuse at schools formerly run by various churches in certain parts of Labrador. The possibility or magnitude of any resulting liability arising to the Board is not known.

There presently exists an undetermined contingently liability which has arisen concerning a dispute between the Roman Catholic Diocese of Labrador City/Schefferville and the Labrador School Board over ownership of rental monies derived from Notre Dame Academy.

There is an outstanding grievance between the Lab West support staff under the collective bargain agreement between the Newfoundland Association of Public Employees and the Board. The claim arises from the discontinuance by the Board of the payment of travel benefits under the existing agreement. This matter is in the process of being settled.

A supplier has made a claim against the Board for breach of contract with respect to the installation of oil tanks at the teachers' residences in coastal Labrador communities. The Board has commenced a counter claim against the supplier for shortfalls, stating that the supplier failed to perform the contract which required the Board to retain a third party to complete the work.

A former Board employee has grieved termination of employment as wrongful dismissal and the union is seeking reinstatement with full restitution. This case has not yet proceeded to arbitration.

LABRADOR SCHOOL BOARD TRUST FUND

AUDITORS REPORT

FINANCIAL STATEMENTS – DECEMBER 31, 2007

AUDITORS' REPORT

To the Board of Directors of

Labrador School Board Trust Fund

We have audited the statement of financial position of **Labrador School Board Trust Fund** as at December 31, 2007 and the statement of operations for the year then ended. These financial statements are the responsibility of the Trust Fund's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Trust fund as at December 31, 2007 and the results of its operations for the year then ended in accordance with Canadian generally accepted accounting principles.

OFFICE OF THE AUDITOR GENERAL
St. John's, Newfoundland and Labrador

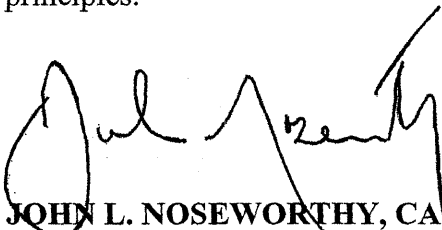

AUDITOR'S REPORT

To the Board of Directors
Livestock Owners Compensation Board
Corner Brook, Newfoundland and Labrador

I have audited the balance sheet of the Livestock Owners Compensation Board, Livestock Owners Compensation Fund as at 31 March 2008 and the statement of revenues, expenses and deficit for the year then ended. These financial statements are the responsibility of the Board's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Livestock Owners Compensation Board, Livestock Owners Compensation Fund as at 31 March 2008 and the results of its operations for the year then ended in accordance with Canadian generally accepted accounting principles.

NOTES TO FINANCIAL STATEMENTS
31 March 2008

Authority

The Livestock Owners Compensation Board (the Board) operates under the authority of the *Livestock Insurance Act*. The purpose of the Board is to operate the Livestock Owners Compensation Fund to provide insurance to farmers of the Province to restrict the amount of livestock loss. Its affairs are managed by a Board of Directors appointed by the Lieutenant-Governor in Council. These statements are a representation of the activities of the Livestock Owners Compensation Fund.

1. Significant accounting policies

These financial statements have been prepared by the Board's management in accordance with Canadian generally accepted accounting principles. The Board does not prepare a statement of cash flows since the changes in cash flows are readily apparent from the other statements.

2. Payments on behalf of the Board for administration

The Board is administered by employees of the Department of Natural Resources. Salary costs of \$5,722 (2007 - \$5,360) and other costs of \$1,200 (2007 - \$1,100) applicable to the operation of the Board have been paid by the Department and are reflected in these financial statements as expenses of the Board and as revenue from the Province.

3. Economic dependence

As a result of the Board's reliance on Provincial funding to meet its administrative costs, the Board's ability to continue viable operations is dependent upon continued funding from the Province.

4. Financial instruments

The Board's financial instruments recognized on the balance sheet consist of cash, accounts receivable, and accounts payable and accrued liabilities. The carrying values of these instruments approximate current fair value due to their nature and the short-term maturity associated with them.

5. Income taxes

The Board is a Crown entity of the Province of Newfoundland and Labrador and as such is not subject to Provincial or Federal income taxes.

AUDITORS' REPORT

To the Board of Regents of
Memorial University of Newfoundland

We have audited the consolidated statement of financial position of **Memorial University of Newfoundland** (the "University") as at March 31, 2008 and the consolidated statements of operations, changes in net assets and cash flows for the year then ended. These financial statements are the responsibility of the University's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the University as at March 31, 2008 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

The financial statements as at March 31, 2007 and for the year then ended were audited by other auditors who expressed an opinion without reservation on those statements in their report dated June 12, 2007.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

March 31, 2008
(thousands of dollars)

1. AUTHORITY AND PURPOSE

Memorial University of Newfoundland (the "University") is a corporation operating under the authority of the Memorial University Act. It is a comprehensive research university offering a full range of undergraduate, graduate and continuing studies programs. The academic governance of the University is vested in the Senate. The University is a not-for-profit entity, governed by a Board of Regents, the majority of whom are appointed by the Province of Newfoundland and Labrador. The University is a registered charity under the Income Tax Act and, accordingly, is exempt from income taxes, provided certain requirements of the Income Tax Act are met.

2. SIGNIFICANT ACCOUNTING POLICIES

General

These consolidated financial statements have been prepared in accordance with Canadian generally accepted accounting principles ("GAAP"). The significant accounting principles are summarized as follows:

Use of estimates

The preparation of financial statements in conformity with Canadian GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the year. Actual results could differ from those estimates. Estimates are reviewed periodically, and as adjustments become necessary, they are reported in earnings in the period in which they become known.

Consolidated statements

These financial statements have been prepared on a consolidated basis, reporting the operations and financial position of the University and the following related not-for-profit organizations:

C-CORE

The Canadian Centre for Marine Communications ("CCMC")

The Canadian Centre for Fisheries Innovation ("CCFI")

Genesis Group Inc.

The Memorial University of Newfoundland Botanical Garden Incorporated

Memorial University Recreation Complex ("MURC")

Western Sports and Entertainment Inc.

Campus Childcare Inc.

(thousands of dollars)

Newfoundland Quarterly Foundation
Edutech Services Inc.

Cash equivalents

Cash equivalents consist primarily of cash, treasury bills and bankers' acceptances. Investments with original maturities less than three months past year-end are classified as cash equivalents.

Revenue recognition

The University follows the deferral method of accounting for contributions, which include donations and government grants. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Contributions externally restricted for purposes other than endowment are deferred and recognized as revenue in the year in which related expenses are recognized. Contributions of capital assets are recorded at fair market value at the date of the contribution and deferred and amortized to operations on the same basis as the related asset. Endowment contributions are recognized as direct increases in the net assets in the year in which they are received. Revenues from contracts, sales and student fees are recognized when the goods or services are provided and collection is reasonably assured.

Contributed services

Volunteers, including volunteer efforts from the staff of the University, contribute an indeterminable number of hours per year to assist the University in carrying out its service delivery activities. The costs that would otherwise be associated with these contributed services are not recognized in these consolidated financial statements.

Capital assets

Purchased capital assets are recorded at cost. Donated capital assets are recorded at fair value at the date of acquisition. Repairs and maintenance expenditures are charged to expense. Betterments which extend the estimated life of an asset are capitalized.

The University's permanent art collection is expensed as incurred and the value of donated art is not recognized in these consolidated financial statements.

Memorial University of Newfoundland

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

March 31, 2008

Capital assets are amortized using the following rates. One-half year's amortization is taken in the year of acquisition and no amortization in the year of disposal.

Buildings	8% declining balance
Furniture and equipment	20% declining balance
Computers	30% declining balance
Banner finance	20% declining balance
Vehicles	30% declining balance
Library collection	10 years straight-line

Employee future benefits

Pension costs and obligations

The employees of the University participate in a defined benefit pension plan administered under the Memorial University Pensions Act with any deficiencies being funded by the Province of Newfoundland and Labrador. Payments to the pension plan consist of contributions from employees and contributions from the University as prescribed in the Pension Benefits Act (1997) ("PAB"). In addition, where the plan experiences a solvency deficiency, the employer is required to contribute an amount sufficient to liquidate the deficiency within 5 years of the solvency valuation date. The University's contributions to the Pension Plan are recorded as an expenditure in the consolidated statement of operations.

The most recent actuarial valuation prepared by Eckler Partners Ltd. disclosed a solvency deficiency of \$158,991 and a going concern deficiency of \$117,235 at March 31, 2008. Under the PBA, a going concern deficiency must be funded over a period of not more than 15 years while a solvency deficiency is to be funded over a maximum 5 year period.

The going concern deficiency of \$117,235 includes \$61,887 in respect of past service costs related to the introduction of indexing in 2004. This indexing liability is being financed under a special PBA provision through both employee and employer contributions over a remaining period of 36.25 years. In accordance with the PBA, the balance of the going concern, namely \$55,348, must be liquidated over a period of not more than 15 years. The first annual payment in respect of this balance is \$4,300 and is required to be made during the 2008/09 fiscal year.

At present, the University has an exemption under the PBA from making payments relating to the solvency deficiency. This exemption expires December 31, 2010.

Memorial University of Newfoundland

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

March 31, 2008
(thousands of dollars)

Other post-employment benefits

The University accrues its obligations for employee benefit plans. The employee future benefits earned by employees are actuarially determined using the projected benefit method pro-rated on service and administration's best estimate of salary escalation, retirement ages of employees and escalation in covered benefit expense outlays.

The University recognizes the cost of the Supplemental Retirement Income Plan ("SRIP"), the Voluntary Early Retirement Income Plan ("VERIP") and the cost of future employee benefits which include severance, accrued vacation, group life insurance and health care benefits.

Agency obligations

The University acts as an agent which holds resources and makes disbursements on behalf of various unrelated groups. The University has no discretion over such agency transactions. Resources received in connection with such agency transactions are reported as liabilities and subsequent distributions are recorded as decreases to these liabilities.

3. CHANGES IN ACCOUNTING POLICY

On April 1, 2007, the University adopted the Canadian Institute of Chartered Accountants' ("CICA") revised standards on recognition and measurement and presentation of financial instruments. The standards are titled 3855: Financial Instruments – Recognition and Measurement and CICA 3861: Financial Instruments – Disclosure and Presentation. The changes in the accounting policies were applied retroactively without restatement in accordance with Canadian GAAP.

Upon adoption, the University has elected to review contracts for embedded derivatives subsequent to the elected transition date of January 1, 2003 in accordance with Section 3855. Under the new standards, financial assets and financial liabilities are initially recognized at fair value and their subsequent measurement is dependent on their classification. Their classification depends on the purpose for which the financial instruments were acquired or issued, their characteristics and the University's designation of such instruments. The standards require that all financial assets be classified either as held-for-trading ("HFT"), available-for-sale ("AFS"), held-to-maturity ("HTM"), or loans and receivables and all financial liabilities to be classified as either HFT or other liabilities ("OL"). Subsequent to initial recognition, the standards require that all financial assets and financial liabilities be measured at fair value with the exception of loans and receivables, securities classified as HTM, liabilities classified as OL, and AFS financial assets that do not have quoted market prices in an active market. These are measured at amortized cost using the effective interest method ("EIM").

Memorial University of Newfoundland

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

March 31, 2008
(thousands of dollars)

Classification of financial instruments

The University has designated its financial instruments as shown in the following table. Subsequent to fair value recognition on April 1, 2007, the financial instruments will be measured as follows based on their classification.

Asset/Liability	Classification	Measurement
Cash and cash equivalents	Held for trading	Fair value
Investments	Held for trading	Fair value
Accrued interest receivable	Loans and receivables	Amortized cost using EIM
Accounts receivable	Loans and receivables	Amortized cost using EIM
Long-term receivable	Loans and receivables	Amortized cost using EIM
Accounts payable and accrued liabilities	Other financial liabilities	Amortized cost using EIM
Bank indebtedness	Other financial liabilities	Amortized cost using EIM
Long-term debt	Other financial liabilities	Amortized cost using EIM

Held-for-trading

HFT financial assets are financial assets typically acquired for resale prior to maturity. They are measured at fair value at the balance sheet date. Interest earned, interest accrued, gains and losses realized on disposal and unrealized gains and losses from market fluctuations are included in the consolidated statement of operations.

Loans and receivables

Loans and receivables are accounted for at amortized cost using EIM.

Other liabilities

Other liabilities are recorded at amortized cost and include all liabilities and long-term debt.

Investments

On April 1, 2007, the University re-measured all HFT investments as required by the transitional provisions of CICA 3855 and since the carrying value was lower than the fair value, investments were increased by \$6,950. Under the new rules, the University will continue to re-measure

Memorial University of Newfoundland

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

March 31, 2008
(thousands of dollars)

investments at fair value at each reporting period. Changes in fair value of the investments will result in adjustments directly to the consolidated statement of operations.

Embedded derivatives

In accordance with Section 3855, the University conducted a search for embedded derivatives in its contractual arrangements dated or modified subsequent to January 1, 2003. When certain conditions are met, an embedded derivative is separated from the host contract and accounted for separately as a derivative on the consolidated balance sheet at fair value. Because there are no embedded derivatives at this time, this rule has no impact on the consolidated financial statements of the University.

Net result of adopting financial instruments standard

The net adjustment was a \$3,345 increase to net assets consisting of a \$6,950 increase in opening net deficiency offset by an unrealized loss in the consolidated statement of operations of \$3,605 for the year ended March 31, 2008.

Section 3861, Financial Instruments – Disclosure and Presentation, replaced CICA Section 3860, which had the same title. The Section establishes standards for the presentation of financial instruments and non-financial derivatives and identifies all related information that should be disclosed.

8. BANK INDEBTEDNESS

Pursuant to Section 41 of the Memorial University Act, the University has received approval from the Lieutenant-Governor in Council to borrow to finance a capital project. The project involved the construction of a new residence complex for Sir Wilfred Grenfell College. Currently the Sir Wilfred Grenfell College Residence debt has been negotiated using bankers' acceptances which mature during 2008. Management expects to refinance this loan through bankers' acceptances for the balance of the term of the loan.

9. MEMORIAL UNIVERSITY ACT

In accordance with the Memorial University Act, the University is normally prohibited from recording a deficit on their financial statements. During 1996, pursuant to Section 36 of the Memorial University Act, the University received approval from the Lieutenant-Governor in Council to record a deficit of up to \$5 million in 1996 and an additional \$10 million in 1997 as a result of the recognition of the liabilities related to VERIP for faculty and staff. During 2001, the University received approval from the Lieutenant-Governor in Council to exclude from the definition of a deficit, pursuant to Section 36 of the Memorial University Act, any amounts resulting from the recognition of the liabilities related to recording vacation pay entitlements, severance and any other post-employment benefits.

10. CONTINGENCIES

(a) Reciprocal exchange of insurance risks

The University, in association with fifty-six Canadian universities, participates in a reciprocal exchange ("CURIE") of insurance risks. The self-insurance cooperative involves a contractual agreement to share the insurance property and liability risks of member universities for a term of not less than five years.

The projected cost of claims will be funded through members' premiums based on actuarial projections. As of December 31, 2007, CURIE has a surplus of \$64 thousand, of which the University's prorata share is approximately 3% on an ongoing basis. In addition, the reciprocal has obtained \$645 million re-insurance with commercial insurers to cover major property claims in excess of \$5 million per occurrence.

In respect of general liability, the limit is \$5 million per occurrence. Re-insurance for liability coverage in the amount of \$20 million in excess of a \$5 million per occurrence retention is in place.

In respect of errors and omissions liability policy, the limit is \$5 million per occurrence. Re-insurance for errors and omissions was purchased through a combined excess program with general liability in the amount of \$20 million.

As the originating insurers, CURIE has a contingent liability in the event that a re-insurer is unable to meet its obligations. In this respect, all re-insurance is placed with insurers registered in Canada and subject to supervision by the Office of the Superintendent of Financial Institutions Canada.

In the event that premiums are not sufficient to cover claims settlements, the member universities would be subject to an assessment in proportion to their participation.

(b) Class action lawsuit

In 2007, a class action lawsuit was filed on behalf of all former employees of the University who retired or terminated employment on or before December 31, 1992 and were entitled to receive post-retirement life, health and dental group insurance benefits. The lawsuit alleges that this group of retirees were entitled to receive these insurance benefits for life, at no cost to the group of retirees. Presently, a decision is pending from the court as to whether this matter should be certified as a class action suit. The University continues to defend its position and the potential exposure to this claim is indeterminable at the present time.

11. EMPLOYEE FUTURE BENEFITS

The University has a number of defined benefit and defined contribution plans providing group life insurance and health care benefits on a cost shared basis to retired employees, and in certain cases, their surviving spouses. In addition, the University pays a severance payment, to certain employee groups, upon termination, retirement or death, provided they meet certain eligibility criteria.

In May 1996, the Board of Regents approved a SRIP to provide benefits to employees of the University whose salaries exceed the Canada Revenue Agency maximum pensionable salary and whose defined benefit pension, therefore, exceeds the maximum benefit payable from the Plan.

In February and May 1996, the University offered faculty and staff, who reached the age 55 and attained a minimum of 10 years pensionable service, an opportunity to take an early retirement under the provisions of the VERIP.

Subject to eligibility criteria, the Plan provided an incentive of enhanced pension benefits of up to five years pensionable service and waiver of actuarial reduction, if applicable, or a lump sum early retirement payment. The early retirement incentive is being funded from operations.

The significant actuarial assumptions used in measuring the University's accrued benefit obligation under each plan are as follows:

To the Directors of the
Multi-Materials Stewardship Board

We have audited the consolidated statement of financial position of the Multi-Materials Stewardship Board at March 31, 2008, and the consolidated statements of operations, changes in net assets and cash flows for the year then ended. These consolidated financial statements are the responsibility of the Board's management. Our responsibility is to express an opinion on these consolidated financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Board as at March 31, 2008, and the consolidated results of its operations and cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

Multi-Materials Stewardship Board

Notes to the Consolidated Financial Statements

March 31, 2008

1. Nature of operations

The Multi-Materials Stewardship Board is a statutory corporation established pursuant to The Environmental Protection Act. This Board manages the Used Beverage Container Deposit Refund System, the Used Tire Recycling Program, the Residential Backyard Composting Program, and the Newfoundland and Labrador Waste Management Trust Fund in the Province of Newfoundland and Labrador and is mandated to support and promote the protection, enhancement and wise use of the environment through waste management programs.

The corporation is exempt from income taxes under Section 149(1)(d) of the Canadian Income Tax Act.

2. Basis of consolidation

These consolidated financial statements include the accounts of the Multi-Materials Stewardship Board, the Residential Backyard Composting Program, and the Newfoundland and Labrador Waste Management Trust Fund.

The Multi-Materials Stewardship Board - Newfoundland and Labrador Waste Management Trust Fund is a restricted fund, managed by the Board, and its accounts have been grouped in these financial statements for consolidated purposes. Effective April 1, 2006, the accounts of the Household Hazardous Waste Program were combined with the accounts of the Newfoundland and Labrador Waste Management Trust Fund. Separate audited financial statements have been issued for this Trust Fund, with an audit report date of June 9, 2008.

The accounts of the Residential Backyard Composting Program have also been grouped in these financial statements for consolidated purposes. Separate audited financial statements have also been issued for this Program with an audit report date of June 9, 2008.

3. Summary of significant accounting policies

(a) Fund accounting

Fund accounting is generally accepted as the basis of accounting for public sector organizations. A summary of significant accounting policies relating to fund accounting is as follows:

- i) property and equipment are recorded at cost, net of proceeds on disposal;
 - ii) capital additions financed from the unrestricted funds are included in the net assets invested in capital assets account; and
 - iii) depreciation of property and equipment and gains (losses) on disposal are included in the net assets invested in capital assets account.

3. Summary of significant accounting policies (cont'd)

(b) Use of estimates

In preparing the Board's consolidated financial statements in conformity with Canadian generally accepted accounting principles, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and reported amounts of revenue and expenses during the year. Actual results could differ from these estimates.

(c) Cash and cash equivalents

Cash and cash equivalents include cash on hand, balances with banks and short term deposits with original maturities of one year or less.

(d) Revenue recognition

Deposit revenue is recognized when remittances are collected plus an estimated accrual based on subsequent receipts.

By product revenue is recognized upon shipment and when all significant contractual obligations have been satisfied and collection is reasonably assured.

Revenue from the sale of compost bins is recognized when the bins are sold by the depots or to municipalities.

Revenue from the Household Hazardous Waste Program is recognized as the municipalities are invoiced and collection is reasonably assured.

Grant revenue is recognized in the period in which entitlement arises. Revenue received for a future period is deferred until the future period when related costs have been incurred.

Miscellaneous income (including interest income) is recognized as earned.

(e) Inventories

Inventories are valued at the lower of cost and net realizable value.

(f) Long term investments

Investments in guaranteed investment certificates are restricted to repay performance bonds at the end of the contracts if all conditions have been met by the parties involved.

Multi-Materials Stewardship Board

Notes to the Consolidated Financial Statements

March 31, 2008

3. Summary of significant accounting policies (cont'd.)

(g) Depreciation

Rates and bases of depreciation applied to write-off the cost of property and equipment over their estimated lives are as follows:

Office furniture and equipment	20%, declining balance
Leasehold improvements	5 years, straight line
Computer hardware	30%, declining balance
Computer software	30%, declining balance
Bags and tubs	30%, declining balance
Vehicle	30%, declining balance

(h) Impairment of long-lived assets

Long-lived assets are reviewed for impairment upon the occurrence of events or changes in circumstances indicating that the value of the assets may not be recoverable, as measured by comparing their net book value to the estimated undiscounted cash flows generated by their use. Impaired assets are recorded at fair value, determined principally using discounted future cash flows expected from their use and eventual disposition.

(i) Unearned revenue

Unearned revenue consists of deposits on containers yet to be returned for redemption and recycling. The amount recorded by the Board as unearned revenue consists of sixty days of deposits received from distributors, adjusted by an estimated recovery rate of 68% (March 31, 2007 - 68%).

Accounting standards and policies adopted during the year

(i) Accounting changes

In July 2006, the Canadian Institute of Chartered Accountants ("CICA") issued section 1506 of the CICA Handbook, "Accounting Changes", which describes the criteria for changing accounting policies, along with the accounting and disclosure for changes in accounting policies, changes in accounting estimates and correction of errors. These changes came into effect as of January 1, 2007 and are applicable for the Board's year ended March 31, 2008.

(ii) Financial instruments - Recognition and Measurement

On April 1, 2007, the Board implemented the CICA Handbook Sections 3855, "Financial Instruments - Recognition and Measurement" and 3861, "Financial Instruments - Disclosure and Presentation". These standards have been applied without restatement of prior years. There are no transitional adjustments resulting from these standards to be recognized in the opening balance of net assets.

Multi-Materials Stewardship Board

Notes to the Consolidated Financial Statements

March 31, 2008

3. Summary of significant accounting policies (cont'd)

CICA Section 3855, "Financial Instruments - Recognition and Measurement", requires the Board to revalue all of its financial assets and liabilities at fair value on the initial date of implementation and at each subsequent financial reporting date.

This standard also requires the Board to classify financial assets and liabilities according to their characteristics and management's choices and intentions related thereto for the purposes of ongoing measurements. Classification choices for financial assets include: a) held for trading - measured at fair value with changes in fair value recorded in net earnings; b) held to maturity - recorded at amortized cost with gains and losses recognized in net earnings in the period that the asset is no longer recognized or impaired; c) available-for-sale - measured at fair value with changes in fair value recognized in other comprehensive income for the current period until realized through disposal or impairment; and d) loans and receivables - recorded at amortized cost with gains and losses recognized in net earnings in the period that the asset is no longer recognized or impaired.

Classification choices for financial liabilities include: a) held for trading - measured at fair value with changes in fair value recorded in net earnings and b) other - measured at amortized cost with gains and losses recognized in net earnings in the period that the liability is no longer recognized.

Subsequent measurement for these assets and liabilities are based on either fair value or amortized cost using the effective interest method, depending upon their classification. Any financial asset or liability can be classified as held for trading as long as its fair value is reliably determinable.

In accordance with the new standard, the Board's financial assets and liabilities are classified and measured as follows:

Asset/Liability	Classification	Measurement
Cash and cash equivalents	Held for trading	Fair value
Receivables	Loans and receivable	Amortized cost
Long term investments and performance bonds payable	Held for trading	Fair value
Payables and accruals	Other financial liabilities	Amortized cost

Other balance sheet accounts, such as inventories, prepaids, property and equipment and unearned revenue are not within the scope of the new accounting standards as they are not financial instruments.

Embedded derivatives are required to be separated and measured at fair values if certain criteria are met. Under an election permitted by the new standard, management reviewed contracts entered into or modified subsequent to April 1, 2007 and determined that the Board does not currently have any significant embedded derivatives in its contracts that require separate accounting treatment.

Multi-Materials Stewardship Board

Notes to the Consolidated Financial Statements

March 31, 2008

3. Summary of significant accounting policies (cont'd.)

The fair value of a financial instrument is the estimated amount that the Board would receive or pay to terminate the instrument agreement at the reporting date. To estimate the fair value of each type of financial instrument various market value data were used as appropriate. The fair values of cash approximated its carrying value.

(iii) Financial instruments – Disclosure and Presentation

Section 3861, “Financial Instruments – Disclosure and Presentation”, which replaces CICA Section 3860, of the same title, establishes standards for the presentation of financial instruments and non-financial derivatives, and identifies the information that should be disclosed about them

There were no adjustments to the financial statements required as a result of the adoption of the above noted financial instruments policies.

Future changes in accounting policies

(i) Financial Instruments – Disclosure and Presentation

CICA Section 3862 “Financial Instruments – Disclosure” and CICA Section 3863 “Financial Instruments – Presentation” replaces CICA Section 3861, “Financial Instruments – Disclosure and Presentation”. CICA Section 3862 requires increased disclosures regarding the risks associated with financial instruments such as credit risk, liquidity risk and market risks and the techniques used to identify, monitor and manage these risks. CICA Section 3863 carries forward standards for presentation of financial instruments and non-financial derivatives and provides additional guidance for the classification of financial instruments, from the perspective of the issuer, between liabilities and equity. These standards are effective for financial statements relating to fiscal years beginning on or after October 1, 2007.

(ii) Inventories

In March 2007, the CICA issued section 3031 “Inventories”, which has replaced existing Section 3030 with the same title. The new Section establishes that inventories should be measured at the lower of cost and net realizable value, with guidance on the determination of cost. This standard is effective for financial statements relating to fiscal years beginning on or after January 1, 2008.

The Board does not expect the adoption to these standards to have a significant impact on its financial disclosure and results of operations.

7. Commitments

The Board is committed to minimum annual lease payments for property and equipment for the next five years as follows: 2009 - \$293,761; 2010 - \$214,001; 2011 - \$213,479; 2012 - \$212,456; and 2013 - \$49,453

The Board has entered into the following agreements:

- (i) processing and transportation of beverage containers to March, 2009;
- (ii) collection of used tires in Labrador West area to April, 2012;
- (iii) collection and transportation of used tires in the island portion of Newfoundland and Labrador and the Labrador Straits to February, 2010;
- (iv) collection of used tires in Happy Valley-Goose Bay area to February, 2010;
- (v) transportation of used tires from Labrador to Quebec-based recycler to May, 2010; and,
- (vi) recycling of used tires collected in Labrador to May, 2010.

8. Cost of sales

In June 2004, the Board terminated its contract under the Used Tire Recycling Program with its previous contractor. Subsequent to this termination, the Board assumed responsibility for the Program and implemented a contingency plan for the storage of used tires. Included in the cost of sales is \$662,535 of interim contingency costs for the storage of used tires. The costs will be incurred until the Board is able to make alternate arrangements under the Used Tire Recycling Program.

AUDITORS' REPORT

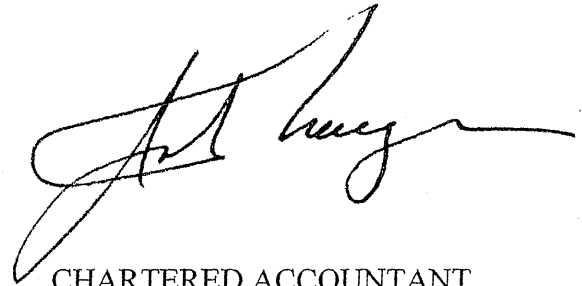

To the Shareholder of
Municipal Assessment Agency Inc.

We have audited the balance sheet of Municipal Assessment Agency Inc. as at March 31, 2008, and the statements of revenue, expenses and equity and changes in financial position for the year then ended. These financial statements are the responsibility of the corporation's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the corporation as at March 31, 2008, and the results of its operations and the changes in its financial position for the year then ended in accordance with Canadian generally accepted accounting principles.

MUNICIPAL ASSESSMENT AGENCY INC.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2008

General:

Effective April 2, 1997, the Municipal Assessment Agency Inc. (the "Corporation") was incorporated under the laws of the Province of Newfoundland and Labrador to carry out assessment services for various municipalities throughout the Province of Newfoundland and Labrador pursuant to the Assessment Act. Prior to this date, these services were performed by the Department of Municipal and Provincial Affairs, Government of Newfoundland and Labrador (the "Department").

The Corporation has one common share with a par value of \$1.00 issued to the Minister of Municipal and Provincial Affairs, Government of Newfoundland and Labrador.

The Corporation is a crown corporation and, accordingly, is exempt from income taxes under Subsection 149(1)(d) of the Income Tax Act.

1. Summary of significant accounting policies:

The financial statements of the Corporation have been prepared within the framework of generally accepted accounting principles which require the use of estimates and assumptions that affect the amounts reported and disclosed in these statements and related notes. Any variations between these estimates and actual amounts are not expected to materially affect reported results.

The more significant accounting policies of the Corporation are as follows:

(a) Capital assets

Capital assets purchased by the Corporation are recorded at cost. Amortization is recorded on a declining balance basis over the assets estimated useful lives at the following rates:

Furniture and equipment	20%
Computer hardware and software	30%
Integrated assessment system	30%
Buildings	4%

The Corporation is currently using furniture, equipment and computers provided by the Department. As title to these assets have not been transferred to the Corporation, they have not been recorded in the accounts.

1. Summary of significant accounting policies (continued):

(b) Revenue recognition

Government assistance related to acquisition of capital assets is deferred and amortized to income on the same basis as the related capital assets are amortized.

Revenue for the provision of assessment and valuation services is recognized when the services are rendered.

(c) Accrued severance pay

Severance pay is accounted for on an accrued basis and is calculated based upon years of service and current salary levels. The right to be paid severance pay vests with employees with nine years of continued service and accrues to a maximum of twenty years and, accordingly, no provision has been made in the accounts for employees with less than nine years of continued service. The amount is payable when the employee ceases employment with the Corporation. The cash amount of the accrued severance pay is segregated into a severance reserve fund.

(d) Redundancy pay

Redundancy pay is recognized as a liability when it is probable that employees will be entitled to benefits and the amount can be reasonably estimated.

(e) Fair Value of Financial Instruments

The company has evaluated the fair values of its financial instruments based on the current interest rate environment, related market values and current pricing of financial instruments with comparable terms. The carrying value of its financial instruments is considered to approximate fair value, unless otherwise indicated.
