Location	Corner Brook
Closing Date	1 Dec 2017
Salary (scale)	\$72,821 - \$94,667 (HL-23)
Benefits	<u>Onboarding</u>

Position Details (What is this?)

Context	Service NL is a diverse department acting as a single access point for many of the licensing, permitting, inspecting, and regulating functions within government. Service NL is comprised of two branches delivering a wide range of quality programs and services to protect the health and safety of Newfoundlanders and Labradorians; regulate and enforce workplace safety and health practices with initiatives that protect and inform the province's workforce; and regulation and information to protect the interests of consumers in a wide range financial activities taking place throughout the province. With such a broad scope of functions, Service NL offers a vast array of dynamic employment opportunities that focus on serving and protecting the people of Newfoundland and Labrador.
Duties	Reporting to the Director, the <u>Manager of Workplace Health and Safety Inspections will be accountable for the management of a comprehensive inspection and occupational health and safety enforcement program within the framework of the Occupational Health and Safety Act.</u> Specifically, the individual will ensure that relevant strategic approaches are developed and implemented by employers and industry associations; plans, co-ordinates, and supervises the activities of the Health and Safety inspections staff; provides technical and expert advice and support to staff; examines and evaluates operational plans and management systems through the implementation of programs within the Occupational Health and Safety Section; <u>assists in the preparation of draft codes, rules and regulations as required, to develop appropriate standards for safe and healthy work conditions.</u>
