“A”

INTRODUCTION

This report is for the month of August, 2008, pursuant to the Public Tender Act, Chapter P- 45 and relates to the following situations:

(A) Where a tender is required to be invited under Section 3 & 4 of the Act and a contract is awarded by a government funded body to other than the preferred bidder, the head of the government funded body is required to inform the Chief Operating Officer of the Government Purchasing Agency, who shall send a report to the Speaker of the House of Assembly for tabling, in accordance with Section 8 (3) of the Act.

(B) Where a tender is not required to be invited by reason of any exceptions permitted under Section 3 & 4 of the Act and a contract is awarded without tender invitation, the head of the government funded body is required to inform the Chief Operating Officer of the Government Purchasing Agency of the appropriate exceptions and reasons and the Chief Operating Officer is required to send a report to the Speaker of the House of Assembly for tabling, in accordance with Section 10 of the Act.

"B"

-------	---	---	--------------	---	------------------------	-----------

3(2)(j) inviting a tender would not achieve the best value
Inviting a tender would not achieve the best value since the request for proposal process would provide vendors with the opportunity to provide unique or varied services at no cost to government in addition to supplying equipment that meets the technical specifications. A public tender would not allow vendors to submit bids which would include creative and innovative solutions in addition to the equipment.
