## INTRODUCTION

This report is for the month of November 2015, pursuant to the Public Tender Act, Chapter P- 45 and relates to the following situations:

- (A) Where a tender is required to be invited under Section 3 & 4 of the Act and a contract is awarded by a government funded body to other than the preferred bidder, the head of the government funded body is required to inform the Chief Operating Officer of the Government Purchasing Agency, who shall send a report to the Speaker of the House of Assembly for tabling, in accordance with Section 8 (3) of the Act.
- (B) Where a tender is not required to be invited by reason of any exceptions permitted under Section 3 & 4 of the Act and a contract is awarded without tender invitation, the head of the government funded body is required to inform the Chief Operating Officer of the Government Purchasing Agency of the appropriate exceptions and reasons and the Chief Operating Officer is required to send a report to the Speaker of the House of Assembly for tabling, in accordance with Section 10 of the Act.
- (C) Due to the nature of certain goods and/or services identified in this report, some contract prices may be estimates.

1. The first step in the process of identifying a problem is to define the problem clearly and concisely.

2. The second step is to gather information about the problem. This involves identifying the causes of the problem and the people involved.

3. The third step is to analyze the information gathered. This involves identifying the key issues and the possible solutions.

4. The fourth step is to develop a plan of action. This involves identifying the steps that need to be taken to solve the problem.

5. The fifth step is to implement the plan.

6. The sixth step is to evaluate the results.
